COVERED BOND PROGRAMME
for the issue of Obligations de Financement de l'habitat

Under the Covered Bond Programme described in this Base Prospectus (the "**Programme**"), Crédit Mutuel Arkéa Home Loans SFH (the "**Issuer**"), subject to compliance with all relevant laws, regulations and directives, may from time to time issue covered bonds (*obligations de financement de l'habitat*) to be governed either by French law or German law (respectively, the "**French law Covered Bonds**" or the "**German law Covered Bonds**" and, together, the "**Covered Bonds**"). The Issuer is licensed as a *société de financement de l'habitat* by the *Autorité de contrôle prudentiel*. All Covered Bonds will benefit from the statutory priority in right of payment over all the assets and revenues of the Issuer created by Article L.515-19 of the French Monetary and Financial Code (*Code monétaire et financier*) (the "**Privilège**"), as more fully described herein.

The aggregate nominal amount of the Covered Bonds outstanding will not at any time exceed €10,000,000,000 (or its equivalent in other currencies at the date of issue).

Application has been made to the *Commission de surveillance du secteur financier* (the "**CSSF**") for approval of this Base Prospectus in its capacity as competent authority in Luxembourg under the *loi relative aux prospectus pour valeurs mobilières* dated 10 July 2005 which implements Directive 2003/71/EC dated 4 November 2003 (the "**2003 Prospectus Directive**") in Luxembourg. Application may be made to the Luxembourg Stock Exchange for the Covered Bonds (except the German law Covered Bonds) issued under the Programme during a period of twelve (12) months after the date of this Base Prospectus to be listed on the Official List of the Luxembourg Stock Exchange and admitted to trading on the regulated market of the Luxembourg Stock Exchange. The regulated market of the Luxembourg Stock Exchange is a regulated market for the purposes of Directive 2004/39/EC dated 21 April 2004 (each such market being a "**Regulated Market**"). Covered Bonds (except the German law Covered Bonds) issued under the Programme may also be unlisted or listed and admitted to trading on any other market, including any other Regulated Market in any member state of the European Economic Area ("**EEA**"). The relevant final terms (the "**Final Terms**") (a form of which is contained herein) in respect of the issue of any French law Covered Bonds will specify whether or not such Covered Bonds will be listed and admitted to trading on any market and, if so, the relevant market. The German law Covered Bonds will not be admitted to trading nor listed on any stock exchange.

Covered Bonds will be issued on a continuous basis in series (each a "**Series**") having one or more issue dates and (except in respect of the first payment of interest) on terms otherwise identical, the Covered Bonds of each Series being intended to be interchangeable with all other Covered Bonds of that Series. Each Series may be issued in tranches (each a "**Tranche**") on different issue dates. The specific terms of each Series (which will be supplemented where necessary with supplemental terms and conditions) will be set forth in the Final Terms.

French law Covered Bonds may be issued either in dematerialised form ("**Dematerialised Covered Bonds**") or in materialised form ("**Materialised Covered Bonds**") as more fully described herein.

Dematerialised Covered Bonds will at all times be in book entry form in compliance with Articles L. 211-3 *et seq.* of the French Monetary and Financial Code (*Code monétaire et financier*). No physical documents of title will be issued in respect of the Dematerialised Covered Bonds.

Dematerialised Covered Bonds may, at the option of the Issuer, be (i) in bearer form (*au porteur*) inscribed as from the issue date in the books of Euroclear France (acting as central depository) which shall credit the accounts of the Account Holders (as defined in "Terms and Conditions of the French Law Covered Bonds - Form, Denomination, Title and Redenomination") including Euroclear Bank S.A./N.V. ("**Euroclear**") and the depository bank for Clearstream Banking, *société anonyme* ("**Clearstream, Luxembourg**"), or (ii) in registered form (*au nominatif*) and, in such a latter case, at the option of the relevant Bondholder (as defined in "Terms and Conditions of the French Law Covered Bonds - Form, Denomination, Title and Redenomination"), in either fully registered form (*au nominatif pur*), in which case they will be inscribed in an account maintained by the Issuer or by a registration agent (appointed in the relevant Final Terms) for the Issuer, or in administered registered form (*au nominatif administré*) in which case they will be inscribed in the accounts of the Account Holders designated by the relevant Bondholder.

Materialised Covered Bonds will be in bearer materialised form only and may only be issued outside France. A temporary global certificate in bearer form without interest coupons attached (a "**Temporary Global Certificate**") will initially be issued in relation to Materialised Covered Bonds. Such Temporary Global Certificate will subsequently be exchanged for definitive Materialised Covered Bonds with, where applicable, coupons for interest or talons attached (the "**Definitive Materialised Covered Bonds**"), on or after a date expected to be on or about the fortieth (40th) day after the issue date of the Covered Bonds (subject to postponement as described in "Temporary Global Certificate in respect of Materialised Covered Bonds") upon certification as to non-U.S. beneficial ownership as more fully described herein. Temporary Global Certificates will (a) in the case of a Tranche intended to be cleared through Euroclear and/or Clearstream, Luxembourg, be deposited on the issue date with a common depository for Euroclear and Clearstream, Luxembourg, and (b) in the case of a Tranche intended to be cleared through a clearing system other than or in addition to Euroclear and/or Clearstream, Luxembourg or delivered outside a clearing system, be deposited as agreed between the Issuer and the Relevant Dealer(s) (as defined below). In the case of a Tranche which is not intended to be cleared through Euroclear and/or Clearstream, Luxembourg, the Covered Bonds of such Tranche cannot be listed on the Official List of the Luxembourg Stock Exchange and traded on the Regulated Market of the Luxembourg Stock Exchange.

Covered Bonds issued under the Programme are expected on issue to be rated AAA by Standard & Poor's Ratings Services (the "**Rating Agency**"). The rating of the relevant Covered Bonds will be specified in the applicable Final Terms. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency. As of the date of this Base Prospectus, the Rating Agency is established in the European Union and has applied for registration under Regulation (EU) No. 1060/2009 (the "**CRA Regulation**"), although notification of the corresponding registration decision has not yet been provided by the relevant competent authority. In general, European regulated investors are restricted from using a rating for regulatory purposes if such rating is not issued by a credit rating agency established in the European Union and registered under the CRA Regulation unless the rating is provided by a credit rating agency operating in the European Union before June 7, 2010 which has submitted an application for registration in accordance with the CRA Regulation and such registration is not refused.

See "**Risk Factors**" below for certain information relevant to an investment in the Covered Bonds to be issued under the Programme.

This Base Prospectus (together with all supplements thereto from time to time), constitutes a base prospectus for the purposes of Article 5.4 of the 2003 Prospectus Directive (as amended by Directive 2010/73/EU of 24 November 2010, to the extent implemented in the relevant member State, the "Prospectus Directive") and contains or incorporates by reference all relevant information concerning the Issuer which is necessary to enable investors to make an informed assessment of the assets and liabilities, financial position, profit and losses and prospects of the Issuer, as well as the base terms and conditions of the Covered Bonds (except the German law Covered Bonds) to be issued under the Programme. The terms and conditions applicable to each Tranche not contained or incorporated by reference herein (including, without limitation, the aggregate nominal amount, issue price, redemption price thereof, and interest, if any, payable thereunder) will be determined by the Issuer and the relevant Dealer(s) at the time of the issue and will be set out in the relevant Final Terms.

This Base Prospectus is to be read and construed in conjunction with any document and/or information which is incorporated herein by reference in accordance with Article 15 of the *Loi relative aux prospectus pour valeurs mobilières* dated 10 July 2005 implementing the 2003 Prospectus Directive in Luxembourg and Article 28 of the European Commission Regulation N°809/2004 dated 29 April 2004 (see "Documents incorporated by Reference" below) as well as, in relation to any Tranche of Covered Bonds, with the relevant Final Terms.

The Arranger and the Dealers have not separately verified the information contained or incorporated by reference in this Base Prospectus. Neither the Arranger nor any of the Dealers makes any representation, express or implied, or accepts any responsibility, with respect to the accuracy or completeness of any of the information in this Base Prospectus. Neither this Base Prospectus nor any other information supplied in connection with the Programme (including any information incorporated by reference) is intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuer, the Arranger or the Dealers that any recipient of this Base Prospectus or any other financial statements should purchase the Covered Bonds. Each prospective investor in Covered Bonds should determine for itself the relevance of the information contained or incorporated by reference in this Base Prospectus and its purchase of Covered Bonds should be based upon such investigation as it deems necessary. Neither the Arranger nor any of the Dealers undertakes to review the financial condition or affairs of the Issuer during the life of the arrangements contemplated by this Base Prospectus nor to advise any investor or prospective investor in the Covered Bonds of any information that may come to the attention of the Dealers or the Arranger.

No person is or has been authorised to give any information or to make any representation other than those contained or incorporated by reference in this Base Prospectus in connection with the issue or sale of the Covered Bonds and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer, the Arranger or the Dealers (as defined in "General Description of the Programme"). Neither the delivery of this Base Prospectus nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer since the date hereof or the date upon which this Base Prospectus has been most recently supplemented or that there has been no adverse change in the financial position of the Issuer since the date hereof or the date upon which this Base Prospectus has been most recently supplemented or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

The distribution of this Base Prospectus and the offering or sale of Covered Bonds in certain jurisdictions may be restricted by law. The Issuer, the Arranger and the Dealers do not represent that this Base Prospectus may be lawfully distributed, or that any Covered Bonds may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuer, the Arranger or the Dealers which is intended to permit a public offering of any Covered Bonds or distribution of this Base Prospectus in any jurisdiction where action for that purpose is required. Accordingly, no Covered Bond may be offered or sold, directly or indirectly, and neither this Base Prospectus nor any offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any

applicable laws and regulations. Persons into whose possession this Base Prospectus or any Covered Bonds may come must inform themselves about, and observe, any such restrictions on the distribution of this Base Prospectus and the offering and sale of Covered Bonds.

This Base Prospectus has not been submitted to the clearance procedures of the French *Autorité des marchés financiers*.

The Covered Bonds have not been and will not be registered under the United States Securities Act of 1933, as amended (the "Securities Act") or with any securities regulatory authority of any state or other jurisdiction of the United States and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons as defined in Regulation S under the Securities Act ("Regulation S"). The Covered Bonds may include Materialised Covered Bonds in bearer form that are subject to U.S. tax law requirements. Subject to certain exceptions, the Covered Bonds may not be offered or sold or, in the case of Materialised Covered Bonds in bearer form, delivered within the United States or, in the case of certain Materialised Covered Bonds in bearer form, to, or for the account or benefit of, United States persons as defined in the U.S. Internal Revenue Code of 1986, as amended. The Covered Bonds are being offered and sold outside the United States of America to non-U.S. persons in reliance on Regulation S.

For a description of these and certain further restrictions on offers, sales and transfers of Covered Bonds and on distribution of this Base Prospectus, see "Subscription and Sale". In particular, there are restrictions on the distribution of this Base Prospectus and the offer or sale of Covered Bonds in the United States of America, Japan and the European Economic Area (including France, Italy, the Netherlands and the United Kingdom).

This Base Prospectus does not constitute an offer of, or an invitation by or on behalf of the Issuer, the Arranger or the Dealers to subscribe for, or purchase, any Covered Bonds.

In connection with the issue of any Tranche, the Dealer or Dealers (if any) named as the stabilising manager(s) (the "Stabilising Manager(s)") (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Final Terms may over-allot Covered Bonds or effect transactions with a view to supporting the market price of the Covered Bonds at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the final terms of the offer of the relevant Tranche is made and, if begun, may be ended at any time, but it must end no later than the earlier of thirty (30) days after the issue date of the relevant Tranche and sixty (60) days after the date of the allotment of the relevant Tranche. Any stabilisation action or over-allotment shall be conducted in accordance with all applicable laws and rules.

None of the Arranger, the Dealers or the Issuer makes any representation to any prospective investor on the Covered Bonds regarding the legality of its investment under any applicable laws. Any prospective investor in the Covered Bonds should be able to bear the economic risk of an investment in the Covered Bonds for an indefinite period of time.

Prospective purchasers of Covered Bonds should ensure that they understand the nature of the relevant Covered Bonds and the extent of their exposure to risks and that they consider the suitability of the relevant Covered Bonds as an investment in the light of their own circumstances and financial condition. Covered Bonds involve a high degree of risk and potential investors should be prepared to sustain a total loss of the purchase price of their Covered Bonds. For more information, see "Risk Factors".

In this Base Prospectus, unless otherwise specified or the context otherwise requires, references to "€", "Euro", "euro" and "EUR" are to the lawful currency of the member states of the European Union that have adopted the single currency in accordance with the Treaty establishing the European Community, as amended by the Treaty on European Union and as amended by the Treaty of Amsterdam, references to "£", "pounds sterling" and "Sterling" are to the lawful currency of the United Kingdom, references to "\$", "U.S.D" and "U.S. Dollar" are to the lawful currency of the United States of America, references to "¥", "JPY" and "Yen" are to the lawful currency of Japan and references to "CHF" and "Swiss Francs" are to the lawful currency of Switzerland.

In this Base Prospectus, any references to "euro equivalent" means the euro equivalent amount of the relevant amount denominated in the Specified Currency (as defined in Section "Terms and Conditions of the French Law Covered Bonds"), provided that, if any Borrower Advance is denominated in a Specified Currency and the Issuer and the Borrower have agreed in advance the foreign exchange rate that will be applicable, either (i) in the Hedging Agreements to be entered into by the Issuer and the Borrower upon the occurrence of a Hedging Rating Trigger Event, in relation to the corresponding Covered Bond issue or (ii) in the final terms for the related Borrower Advance, then the amount of Eligible Assets that will be required to be granted by the Collateral Providers in accordance with the relevant terms of the Collateral Security Agreement, as security for the repayment of such Borrower Advance and which shall secure the "euro equivalent" amount of such Borrower Advance, shall be calculated using the above mentioned pre-agreed foreign exchange rate.

GENERAL DESCRIPTION OF THE PROGRAMME

Words and expressions defined in the section entitled "Terms and Conditions of the French law Covered Bonds" below shall have the same meanings in this general description. The expression "Covered Bonds" includes the German law Covered Bonds to the extent permitted by the terms and conditions applicable to the German law Covered Bonds.

1. THE COVERED BONDS PROGRAMME

Issuer:	Crédit Mutuel Arkéa Home Loans SFH, a limited liability company (<i>société anonyme</i>) incorporated under French law and duly licensed French credit institution (<i>établissement de crédit</i>) with the status of <i>société de financement de l'habitat</i> delivered by the <i>Autorité de contrôle prudentiel</i> on 28 March 2011.
Arranger:	NATIXIS.
Dealers:	NATIXIS and Crédit Mutuel Arkéa. The Issuer may from time to time terminate the appointment of any Dealer under the Programme or appoint additional dealers either in respect of one or more Tranches or in respect of the whole Programme. References in this Base Prospectus to " Permanent Dealers " are to the person listed above as Dealer and to any such additional persons that are appointed as dealers in respect of the whole Programme (and whose appointment has not been terminated) and references to " Dealers " are to all Permanent Dealers and any such persons appointed as a dealer in respect of one or more Tranches.
The Programme:	Under the Programme, the Issuer may, from time to time, issue Covered Bonds (<i>obligations de financement de l'habitat</i>), the principal and interest of which benefit from the <i>Privilège</i> (statutory priority in right of payment) created by Article L. 515-19 of the French Monetary and Financial Code (<i>Code monétaire et financier</i>). See " The Issuer – The SFH legal Framework ".
Programme Limit:	Up to €10,000,000,000 (or the equivalent in other currencies at the date of issue) aggregate nominal amount of Covered Bonds outstanding at any one time.
Fiscal Agent, Principal Paying Agent, Paris Paying Agent and Calculation Agent in respect of the French law Covered Bonds:	BNP Paribas Securities Services.
Luxembourg Listing Agent in respect of the French law Covered Bonds:	BNP Paribas Securities Services, Luxembourg Branch.
Method of Issue:	The Covered Bonds will be issued outside France and may be distributed on a syndicated or non-syndicated basis. The Covered Bonds will be issued in series (each a " Series ") having one or more issue dates and on terms otherwise identical (or identical other than in respect of the first payment of interest), the Covered Bonds of each Series being intended to be interchangeable with all other Covered Bonds of that Series.

**Issuable in Series;
Tranches:**

The Covered Bonds will be issued in Series. Each Series may be issued in Tranches on the same or different issue dates.

The specific terms of each Tranche (including, without limitation, the aggregate nominal amount, issue price, redemption price thereof, and interest, if any, payable thereunder and supplemented, where necessary, with supplemental terms and conditions which, save in respect of the issue date, issue price, first payment of interest and nominal amount of the Tranche, will be identical to the terms of other Tranches of the same Series) will be determined by the Issuer and the relevant Dealer(s) at the time of the issue and will be set out in the Final Terms of such Tranche.

Maturities:

Subject to compliance with all relevant laws, regulations and directives, the Covered Bonds may have any maturity as specified in the relevant Final Terms (the "**Final Maturity Date**"), subject to such minimum maturity as may be required by the applicable legal and/or regulatory requirements.

Covered Bonds may have hard or soft bullet maturities (allowing the Final Maturity Date of the relevant Series to be extended if the Issuer fails to pay the amount due on the Final Maturity Date), as specified in the Final Terms of the relevant Series.

With respect to a Series of Covered Bonds having a soft bullet maturity, an extended Final Maturity Date (the "**Extended Final Maturity Date**") will be specified as applying in relation to such Series in the applicable Final Terms. In this event, if the Issuer fails to pay the Final Redemption Amount of such Series on the Final Maturity Date, then payment of the unpaid amount will be automatically deferred and become due and payable one (1) or several year(s) later on the Extended Final Maturity Date. However, any amount representing the Final Redemption Amount due and remaining unpaid on the Final Maturity Date may be paid by the Issuer on any Interest Payment Date thereafter, up to (and including) the relevant Extended Final Maturity Date. Interest will continue to accrue on any unpaid amount during such extended period and be payable on each Interest Payment Date and on the Extended Final Maturity Date in accordance with the applicable Conditions.

The issue or amortisation of a Series with a soft bullet maturity will not affect the issue or amortisation of any Series with a hard bullet maturity.

The Borrower Advances made under the Borrower Facility Agreement and financed by Series of Covered Bonds having a soft bullet maturity shall not mirror the potential Extension of the Maturity of such Covered Bonds. As a consequence, any default of payment under such Borrower Advances upon the occurrence of such Extension of the Maturity shall still constitute a Borrower Event of Default under the Borrower Facility Agreement (See section "**The Borrower and the Borrower Facility Agreement – The Borrower Facility Agreement**").

Currencies:

Subject to the Hedging Strategy (as defined herein) and to compliance with all relevant laws, regulations and directives, Covered Bonds may be issued in Euro, U.S. dollars, Japanese Yen, Swiss Francs and, subject to prior Rating Affirmation (as defined below), in any other currency agreed between the Issuer and the relevant Dealer(s).

Denomination(s):

The Covered Bonds will be issued in the Specified Denomination(s) (as defined herein) set out in the relevant Final Terms, provided that all Covered Bonds admitted to trading on a Regulated Market of the European Union in circumstances which require the publication of a prospectus under the Prospectus Directive, shall have a minimum denomination of €100,000 (or its equivalent in any other currency at the time of issue) or such higher amount as may be allowed or required from time to time in relation to the relevant Specified Currency. Dematerialised

	Covered Bonds will be issued in one (1) denomination only.
Status:	<p>Subject to the Priority Payment Orders, the Covered Bonds and, where applicable, any related Coupons and Receipts will constitute direct, unconditional, unsubordinated and privileged obligations of the Issuer and will rank <i>pari passu</i> without any preference among themselves and equally and rateably with all other present and future obligations (included the Covered Bonds of all other Series) and other resources raised by the Issuer benefiting from the <i>Privilège</i>. The Covered Bonds are issued under Articles L. 515-34 to L. 515-38 of the French Monetary and Financial Code (<i>Code monétaire et financier</i>). Holders of Covered Bonds benefit from the <i>Privilège</i> over all the assets and revenues of the Issuer.</p> <p>See "Terms and Conditions of the Covered Bonds - The SFH legal Framework - The <i>Privilège</i> (Statutory Priority in Right of Payment)".</p>
Negative Pledge:	There will be a negative pledge as set out in Condition 5(a) under "Terms and Conditions of the Covered Bonds".
Issuer Events of Default:	Under certain circumstances, subject to the legal framework applicable to an SFH, upon the occurrence of an Issuer Event of Default (as set out in Condition 10 under " Terms and Conditions of the Covered Bonds "), the Representative or holders of any series of the French law Covered Bonds may be able to cause the principal amount of all Covered Bonds of such Series to become immediately due and payable (but subject to the relevant Priority Payment Order), together with any accrued interest thereon, as of the date on which the notice for payment is received by the Fiscal Agent.
Redemption Amount:	Subject to any laws and regulations applicable from time to time, the relevant Final Terms will specify the basis for calculating the redemption amounts payable.
Optional Redemption:	The Final Terms issued in respect of each Tranche will state whether such Covered Bonds may be redeemed prior to their stated maturity at the option of the Issuer (either in whole or in part) and/or the Bondholders, and if so the terms applicable to such redemption.
Redemption by Instalments:	The Final Terms issued in respect of each Tranche that are redeemable in two or more instalments will set out the dates on which, and the amounts in which, such Covered Bonds may be redeemed.
Early Redemption:	Except as provided in " Optional Redemption " above, Covered Bonds will be redeemable at the option of the Issuer prior to their stated maturity only for tax reasons (as provided in Condition 7(f)) or illegality (as provided in Condition 7(g)).
Taxation:	<p>1. All payments of principal and interest and other revenues to be made by or on behalf of the Issuer in respect of the Covered Bonds shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.</p> <p>2. Covered Bonds (except Covered Bonds which are to be assimilated (<i>assimilables</i> for the purpose of French law) and form a single Series with Covered Bonds issued before 1 March 2010 having the benefit of Article 131 <i>quater</i> of the French General Tax Code) fall under the new French withholding tax regime pursuant to the French "<i>loi de finances rectificative pour 2009 n° 3</i>" (no. 2009-1674 dated 30 December 2009) applicable as from 1 March 2010 (the "Law"). Payments of interest and other revenues made by the Issuer on such Covered Bonds will not be subject to the withholding tax set out under Article 125 A III of the</p>

French General Tax Code unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of Article 238-0 A of the French General Tax Code (a "**Non-Cooperative State**"). If such payments under the Covered Bonds are made in a Non-Cooperative State, a 50% withholding tax will be applicable (subject to certain exceptions described below and the more favourable provisions of any applicable double tax treaty) by virtue of Article 125 A III of the French General Tax Code.

Furthermore, interest and other revenues on such Covered Bonds are not deductible from the Issuer's taxable income if they are paid or accrued to persons established in a Non-Cooperative State or paid in such a Non-Cooperative State. Under certain conditions, any such non-deductible interest and other revenues may be recharacterised as constructive dividends pursuant to Article 109 of the French General Tax Code, in which case such non-deductible interest and other revenues may be subject to the withholding tax set out under Article 119 *bis* of the French General Tax Code, at a rate of 25% or 50%.

Notwithstanding the foregoing, the Law provides that neither the 50% withholding tax nor the non-deductibility will apply in respect of a particular issue of Covered Bonds if the Issuer can prove that the principal purpose and effect of such issue of Covered Bonds was not that of allowing the payments of interest or other revenues to be made in a Non-Cooperative State (the "**Exception**"). Pursuant to the ruling (*rescrit*) no. 2010/11 (FP and FE) of the *Direction générale des impôts* dated 22 February 2010, an issue of Covered Bonds will benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of such issue of Covered Bonds, if such Covered Bonds are:

- (i) offered by means of a public offer within the meaning of Article L.411-1 of the French Monetary and Financial Code or pursuant to an equivalent offer in a State or territory other than a Non-Cooperative State. For this purpose, an "equivalent offer" means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or
- (ii) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or
- (iii) admitted, at the time of their issue, to the operations of a central depository or of a securities clearing and delivery and payments systems operator within the meaning of Article L.561-2 of the French Monetary and Financial Code, or of one or more similar foreign depositories or operators provided that such depository or operator is not located in a Non-Cooperative State.

3. Interest and other revenues on Covered Bonds which are to be assimilated (*assimilables* for the purpose of French law) and form a single Series with Covered Bonds issued (or deemed issued) outside France before 1 March 2010 with the benefit of Article 131 *quater* of the French General Tax Code will be exempt from the withholding tax set out under Article 125 A III of the French General Tax Code.

In addition, interest and other revenues paid by the Issuer on Covered Bonds which are to be assimilated (*assimilables* for the purpose of French law) and form a single Series with Covered Bonds issued (or deemed

issued) outside France before 1 March 2010 will not be subject to the withholding tax set out in Article 119 bis of the French General Tax Code solely on account of their being paid in a Non-Cooperative State or accrued or paid to persons established or domiciled in a Non-Cooperative State.

**Interest Periods and
Interest Rates:**

The length of the interest periods for the Covered Bonds and the applicable interest rate or its method of calculation may differ from time to time or be constant for any Series. The Covered Bonds may have a maximum interest rate, a minimum interest rate or both. The use of interest accrual periods permits the Covered Bonds to bear interest at different rates in the same interest period. All such information will be set out in the relevant Final Terms.

Fixed Rate Covered Bonds:

Fixed interest will be payable in arrears on the date or dates in each year specified in the relevant Final Terms.

**Floating Rate Covered
Bonds:**

Floating Rate Covered Bonds will bear interest determined separately for each Series as follows:

- (a) on the same basis as the floating rate under a notional interest rate swap transaction in the relevant Specified Currency governed by an agreement incorporating the 2006 ISDA Definitions published by the International Swaps and Derivatives Association, INC., and as amended and updated as at the issue date of the first Tranche of the Covered Bonds of the relevant Series,
- (b) on the basis of a reference rate appearing on an agreed screen page of a commercial quotation service (including, without limitation, EURIBOR, EONIA, LIBOR, CMS or TEC), or
- (c) on such other basis or benchmark as may be specified in the applicable Final Terms,

in each case plus or minus any applicable margin, if any, and calculated and payable as indicated in the applicable Final Terms. Floating Rate Covered Bonds may also have a maximum rate of interest, a minimum rate of interest or both.

**Zero Coupon Covered
Bonds:**

Zero Coupon Covered Bonds may be issued at their nominal amount or at a discount to it and will not pay periodic interest.

**Dual Currency Covered
Bonds:**

Payments (whether in respect of principal or interest and whether at maturity or otherwise) in respect of Dual Currency Covered Bonds will be made in such currencies, and based on such rates of exchange, as may be specified in the relevant Final Terms.

**Index Linked Interest
Covered Bonds:**

Payments of principal or of interest in respect of Index Linked Interest Covered Bonds will be calculated by reference to such index and/or formula as may be specified in the relevant Final Terms. Index Linked Interest Covered Bonds may be issued by the Issuer subject to prior Rating Affirmation.

Other Covered Bonds:

Terms applicable to high interest Covered Bonds, low interest Covered Bonds, step-up Covered Bonds, step-down Covered Bonds, reverse dual currency Covered Bonds, optional dual currency Covered Bonds, Partly Paid Covered Bonds and any other type of Covered Bonds that the Issuer and any Dealer or Dealers may agree to issue under the Programme will be set out in the relevant Final Terms.

Redenomination:

Dematerialised Covered Bonds which are not in bearer form for U.S. tax purposes do not require compliance with the TEFRA rules.

2. THE BORROWER FACILITY AGREEMENT AND THE COLLATERAL SECURITY

The Borrower Facility Agreement:

The proceeds from the issuance of the Covered Bonds under the Programme will be used by Crédit Mutuel Arkéa Home Loans SFH, as lender (in such capacity, the "**Lender**") to fund advances (each a "**Borrower Advance**") to be made available to the Crédit Mutuel Arkéa ("**Crédit Mutuel Arkéa**"), as borrower (in such capacity, the "**Borrower**") under a multicurrency term facility agreement (the "**Borrower Facility**").

The Borrower Facility shall be made available to the Borrower in an aggregate maximum amount equal to €10,000,000,000 for the purpose of financing the general financial needs of the Borrower, including with respect to advances to be made available to the Collateral Providers, as contemplated in the Collateral Security Agreement and in accordance with the usual practice of Crédit Mutuel Arkéa Group.

The terms and conditions regarding the calculation and the payment of principal and interest under a Borrower Advance shall mirror the equivalent terms and conditions of the corresponding Final Terms of Covered Bonds, it being provided that, as a principle, the interest to be paid by the Borrower under a Borrower Advance shall be the financing costs of the Lender under the Covered Bonds funding such Borrower Advance, increased by a margin (the "**Issuer Margin**"). Any amounts repaid or prepaid under any Borrower Advance may be re-borrowed.

Borrower Event of Default:

Upon the occurrence of a Borrower Event of Default, the Issuer (represented by the Administrator or the Issuer Independent Representative) shall, by written notice (such notice to constitute a mise en demeure) to the Borrower (with copy to (i) the Collateral Providers Agent, (ii) the Issuer Independent Representative (if the Borrower Enforcement Notice is delivered by the Administrator), (iii) the Administrator (if the Borrower Enforcement Notice is delivered by the Issuer Independent Representative) and (iv) (in each instance) the Rating Agency), (x) declare that (i) no further Borrower Advances shall be available under the Borrower Facility Agreement, and (ii) the then outstanding Borrower Advances are immediately due and payable and (y) enforce the rights of the Lender under the Collateral Security Agreement and the Cash Collateral Agreement for the repayment of any sum due by the Borrower under the Borrower Facility Agreement and not paid by the Borrower (whether at its contractual due date or upon acceleration) (a "**Borrower Enforcement Notice**").

The Collateral Security Agreement:

The Collateral Security Agreement sets forth the terms and conditions in accordance with which the Collateral Providers, represented by the Collateral Providers Agent, shall grant financial assets (the "**Eligible Assets**") as collateral security (*remise en garantie financière à titre de sûreté*) pursuant to Articles L. 211-36 to L. 211-40 of the French Monetary and Financial Code (*Code monétaire et financier*) (the "**Collateral Security**") in order to secure, as they become due and payable, the payments of all and any amounts owed by the Borrower under the Borrower Facility Agreement, whether present or future (the "**Secured Liabilities**") provided that for the purposes of Articles L. 211-36 and following of the French Monetary and Financial Code (*Code monétaire et financier*), each Collateral Provider agrees to be jointly and severally liable (*débiteur solidaire*) with the Borrower for the Secured Liabilities which constitute financial obligations (*obligations financières*) of the Borrower under the Borrower Facility Agreement within the meaning of Articles L.211-36 and following of the French Monetary and Financial Code (*Code monétaire et financier*).

The title to the Eligible Assets granted as Collateral Security shall not be transferred in favour of the Issuer until perfection of the Collateral Security. The Issuer shall be vested in the title to such Eligible Assets only upon enforcement of the Collateral Security, if any such enforcement occurs in accordance with the terms of the Collateral Security Agreement.

The Collateral Providers shall perform the servicing of the Collateral Security Assets (as defined in "**The Collateral Security Agreement**") in accordance with applicable laws and its customary servicing procedures (the "**Servicing Procedures**"), using the degree of skill, care and attention as for the servicing of its assets for its own account, without interfering with the Issuer's material rights under the Collateral Security Agreement.

In accordance with the Collateral Security Agreement, the Collateral Providers have appointed Crédit Mutuel Arkéa as agent (*mandataire*) of the Collateral Providers in order to manage the Collateral Security in the name and on behalf of such Collateral Providers (the "**Collateral Security Agent**").

(see section "**The Collateral Security – The Collateral Security Agreement**").

The Cash Collateral Agreement:

The Cash Collateral Agreement sets forth the terms and conditions upon which Crédit Mutuel Arkéa, as Cash Collateral Provider, shall fund certain amounts as cash collateral (*gage espèces*) (each, a "**Cash Collateral**") into a Cash Collateral Account and the Collection Loss Reserve Account so as to secure as they become due and payable the payments of all and any amounts owed by the Borrower under the Borrower Facility, whether present or future (the "**Secured Liabilities**").

Pre-Maturity Test and Legal Liquidity Test

The contractual liquidity test of the Issuer (the "**Pre-Maturity Test**") shall be deemed complied with for so long as, in relation to any and each Series of Covered Bonds, (i) no Pre-Maturity Rating Downgrade Event has occurred during any Pre-Maturity Test Period, or (ii) if, to the contrary, a Pre-Maturity Rating Downgrade Event, the Cash Collateral Provider has duly funded the Cash Collateral Account with the relevant Cash Collateral, up to the relevant amount within thirty (30) Business Days from the receipt of the relevant Cash Collateral Funding Notice.

The legal liquidity test of the Issuer (the "**Legal Liquidity Test**") shall be deemed complied with for so long as, in relation to all the Liabilities of the Issuer, (i) no Legal Liquidity Rating Downgrade Event has occurred, or (ii) to the contrary, a Legal Liquidity Rating Downgrade Event has occurred, the Cash Collateral Provider (x) has duly funded the Cash Collateral Account with the relevant Cash Collateral, up to the relevant amount following the receipt of the relevant Cash Collateral Funding Notice, and (y) on each day following the initial funding of the Cash Collateral as mentioned above (each, a "**CCRFA Funding Date**"), the Cash Collateral Provider has maintain in the Cash Collateral Account an amount sufficient to ensure that the balance of the Cash Collateral Account shall be at least equal to the CCRFA, as determined pursuant to the Cash Collateral Agreement, computed as of such CCRFA Funding Date.

The Cash Collateral Provider shall be requested to fund the Cash

Collateral Account with the relevant Cash Collateral, up to the relevant amount, upon the occurrence of (i) the downgrading, during any Pre-Maturity Test Period (as defined below), of the then applicable rating of the Borrower below the Pre-Maturity Rating Required Level (as defined below) (a "**Pre-Maturity Rating Downgrade Event**"), and (ii) the downgrading at any time of the then applicable rating of the Borrower below the Liquidity Rating Required Level (as defined below) (a "**Legal Liquidity Rating Downgrade Event**"). The occurrence of a Pre-Maturity Rating Downgrade Event and/or a Legal Liquidity Rating Downgrade Event does not constitute the occurrence of a Borrower Event of Default or an Issuer Event of Default.

The pre-maturity credit rating required level with respect to the Borrower for the purposes of the Cash Collateral Agreement is defined as: A-1 (short-term) (S&P) (the "**Pre-Maturity Rating Required Level**").

The liquidity credit rating required level with respect to the Borrower for the purposes of the Cash Collateral Agreement is defined as: A-1 (short-term) (S&P) (the "**Liquidity Rating Required Level**").

A "**Pre-Maturity Test Period**" is, with respect to any Series of Covered Bonds (which is not a Series of Covered Bonds with a soft bullet maturity which allows the Final Maturity Date of the relevant Series to be extended if the Issuer is about to fail to pay the amount due on the Final Maturity Date, in accordance with, and as described in, the relevant Final Terms of Covered Bonds (the "**Soft Bullet Covered Bonds**")), the period starting from, and including, the two hundred and seventieth (270th) calendar day preceding the Final Maturity Date of that Series and ending on, and including, such Final Maturity Date.

"**Legal Liquidity Cover Period**" means a period of one hundred and eighty (180) calendar days as from each CCRFA Funding Date, the first applicable Legal Liquidity Cover Period beginning upon the occurrence of a Legal Liquidity Rating Downgrade Event.

The failure by the Cash Collateral Provider to fund into the Cash Collateral Account the relevant amount within thirty (30) Business Days from the receipt of a Cash Collateral Funding Notice shall constitute a "**Breach of Pre-Maturity Test**". A Breach of Pre-Maturity Test constitutes the occurrence of a Borrower Event of Default.

The failure by the Cash Collateral Provider to fund any required Cash Collateral following the receipt of a Cash Collateral Funding Notice or maintain the relevant amount in the Cash Collateral Account at any time during any Legal Liquidity Cover Period in accordance with the relevant terms of the Cash Collateral Agreement constitutes a "**Breach of Liquidity Test**". A Breach of Liquidity Test does not constitute the occurrence of a Borrower Event of Default or an Issuer Event of Default. However, it may trigger the withdrawal of the license of the Issuer as a *société de financement de l'habitat*.

Collection Loss Trigger Event

Upon downgrading of the credit rating of the Borrower below A-1 (short term) (S&P), or any other credit rating determined by the Issuer Calculation Agent after the date hereof in accordance with the methodologies published by the Rating Agency (a "**Level 1 Collection Loss Trigger Event**") and within ten (10) Business Days from the occurrence of any Collection Loss Trigger Event and as long as no Level 2 Collection Loss Trigger Event (as defined below) has occurred,

the Cash Collateral Provider shall be required (i) to pay into the credit of a bank account to be opened by the Administrator in accordance with the Administrative Agreement within such period in the Issuer's name and in the books of the Issuer Accounts Bank (the "**Collection Loss Reserve Account**"), an amount calculated by the Collateral Providers Agent in accordance with the Collateral Security Agreement and equal to the aggregate amount of collections received by the Collateral Providers under the Home Loan Receivables granted as Collateral Security during the three (3) calendar months preceding the occurrence date of the Level 1 Collection Loss Trigger Event, as the same shall be reported by the Collateral Providers Agent to the Issuer, the Administrator and the Issuer Calculation Agent (with a copy to the Rating Agency) within the above mentioned ten (10) Business Day-period and (ii) further, to adjust, on each Selection Date, the amount standing to the credit of this Collection Loss Reserve Account so that it is an amount equal to the sum of collections received by BPE, acting as Collateral Provider under the Home Loans granted as Collateral Security by BPE during the preceding three (3) calendar months preceding the last Business Day of the calendar month immediately preceding such Selection Date, and any such adjustment shall be reported to the Issuer, the Administrative Agent and the Calculation Agent (with a copy to the Rating Agency).

Upon downgrading of the credit rating of the Borrower below A-2 (short-term) (S&P), or any other credit rating trigger which may be agreed with the Rating Agency after the Signing Date) (a "**Level 2 Collection Loss Trigger Event**") and within ten (10) Business Days from the occurrence of such Level 2 Collection Loss Trigger Event, the Cash Collateral Provider shall be required (i) to pay, to the credit of the Collection Loss Reserve Account, an amount equal to the collections received by the Collateral Providers under the Home Loan Receivables granted as Collateral Security during the two and half (2.5) calendar months preceding the date of the occurrence of the Level 2 Collection Loss Trigger Event, as such occurrence shall be reported to the Issuer, the Administrator and the Issuer Calculation Agent (with a copy to the Rating Agency) within the above-mentioned ten (10) Business Day-period, and (ii) further, to adjust, on each Selection Date, the amount standing to the credit of this Collection Loss Reserve Account so that it is an amount equal to the sum of collections received by the Collateral Providers under the Home Loans granted as Collateral Security during the preceding two and half (2.5) calendar months preceding the last Business Day of the calendar month immediately preceding such Selection Date, and any such adjustment shall be reported to the Issuer, the Administrative Agent and the Calculation Agent (with a copy to the Rating Agency).

Failure by the Cash Collateral Provider to fund the Collection Loss Reserve Account up to the required amount within the required period following the occurrence date of any Level 1 Collection Loss Trigger Event or Level 2 Collection Loss Trigger Event shall constitute a "**Breach of Collection Loss Reserve Funding Requirement**". A Breach of Collection Loss Reserve Funding Requirement constitutes the occurrence of a Borrower Event of Default.

(see sections "**The Collateral Security – The Cash Collateral Agreement**").

3. ASSET MONITORING

Asset Cover Test:

Under the Collateral Security Agreement and for so long as no Borrower Event of Default has occurred and been enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Collateral Security Agent, acting in the name and on behalf of the Collateral Providers, shall monitor the Collateral Security Assets so as to ensure compliance with an asset cover test (the "**Asset Cover Test**").

For so long as Covered Bonds remain outstanding, non-compliance with the Asset Cover Test would result from the Asset Cover Test Ratio (as specified in section "**Asset Monitoring – The Asset Cover Test**"), being strictly less than one (1). A non-compliance with the Asset Cover Test will not constitute an Issuer Event of Default or a Borrower Event of Default but will prevent the Issuer from issuing any further Covered Bonds as long as it remains unremedied, except for the purposes of subscription by the Issuer of Auto-held Covered Bonds in accordance with Condition 19.

Failure by the Collateral Security Agent to cure a non-compliance with the Asset Cover Test occurring on any Asset Cover Test Date prior to the next following Asset Cover Test Date (as defined in section "**Asset Monitoring – The Asset Cover Test**") shall constitute a Breach of Asset Cover Test within the meaning of the Collateral Security Agreement.

A Breach of Asset Cover Test will result in a Borrower Event of Default within the meaning of, and subject to, the relevant terms of the Borrower Facility Agreement. A Breach of Asset Cover Test will not constitute an Issuer Event of Default but will prevent the Issuer from issuing any further Covered Bonds, except for the purposes of subscription by the Issuer of Auto-held Covered Bonds in accordance with Condition 19.

(see section "**Asset Monitoring – The Asset Cover Test**").

**Minimum Legal
Overcollateralisation Ratio**

The Issuer, as a *société de financement de l'habitat*, must at all times maintain a cover ratio between its Eligible Assets (including its Legal Substitution Assets (as defined herein)) and its liabilities benefiting from the *Privilège* (the "**Overcollateralisation Ratio**"). In accordance with the French SFH legal Framework on the date hereof, and in particular pursuant to Articles L. 515-20 and R. 515-7-2 of the French Monetary and Financial Code (*Code monétaire et financier*), the *sociétés de financement de l'habitat* such as the Issuer must at all times maintain an Overcollateralisation Ratio equal to at least one hundred and two per cent. (102%) (the "**Minimum Legal Overcollateralisation Ratio**"). For the calculation of the Minimum Legal Overcollateralisation Ratio, the Issuer shall take into account the Home Loan Receivables granted as Collateral Security in accordance with Article R. 515-7-2 of the French Monetary and Financial Code (*Code monétaire et financier*).

The Specific Controller (as defined herein) ensures that the Minimum Legal Overcollateralisation Ratio is complied with.

Non-compliance by the Issuer with the Minimum Legal Overcollateralisation Ratio will constitute a "**Breach of Minimum Legal Overcollateralisation Ratio**".

A Breach of Minimum Legal Overcollateralisation Ratio does not constitute the occurrence of a Borrower Event of Default or an Issuer Event of Default. However, it may trigger the withdrawal of the license

of the Issuer as a *société de financement de l'habitat*.

See "**Asset Monitoring – Minimum Legal Overcollateralisation Ratio**".

**Maximum Legal
Substitution Assets
Percentage**

Pursuant to Articles L. 515-17 and R. 515-7 of the French Monetary and Financial Code, the so-called substitution assets (*valeurs de remplacement*) (the "**Legal Substitution Assets**") of the Issuer shall not exceed at any time a percentage equal to fifteen per cent. (15%) of the total amount of its liabilities which benefit from the *Privilège* (the "**Maximum Legal Substitution Assets Percentage**").

With respect to the Issuer and for the purpose of the calculation of the Maximum Legal Substitution Assets Percentage, the Legal Substitution Assets are comprised of such debt, securities, deposits and other investment products that are deemed eligible as the so-called substitution assets (*valeurs de remplacement*) within the meaning of Articles L. 515-17, R. 515-7 and R. 515-16 of the French Monetary and Financial Code (*Code monétaire et financier*) (including any Permitted Investment and any Cash Collateral made available to the Issuer by the Cash Collateral Provider in accordance with the Cash Collateral Agreement) and which are held by the Issuer from time to time.

The Specific Controller ensures that the Maximum Legal Substitution Assets Percentage is not exceeded by the Issuer.

Upon the Legal Substitution Assets of the Issuer exceeding the Maximum Legal Substitution Assets Percentage, this shall constitute a "**Breach of Maximum Legal Substitution Assets Limit**" by the Issuer. The Specific Controller ensures that the Issuer and the *Autorité de contrôle prudentiel* are promptly notified of the occurrence of a Breach of Maximum Legal Substitution Assets Limit. Upon receipt of such notice, the Issuer will then notify the Borrower and the Collateral Providers Agent, the Rating Agency, the Asset Monitor and the Issuer Calculation Agent of the same.

A Breach of Maximum Legal Substitution Assets Limit does not constitute the occurrence of a Borrower Event of Default or an Issuer Event of Default. However, it may trigger the withdrawal of the license of the Issuer as a *société de financement de l'habitat*.

See "**Asset Monitoring – Maximum Legal Substitution Assets Percentage**".

**Pre-Maturity Test and
Legal Liquidity Test**

The contractual liquidity test of the Issuer (the "**Pre-Maturity Test**") shall be deemed complied with for so long as, in relation to any and each Series of Covered Bonds, (i) no Pre-Maturity Rating Downgrade Event has occurred during any Pre-Maturity Test Period, or (ii) if, to the contrary, a Pre-Maturity Rating Downgrade Event has occurred during any Pre-Maturity Test Period, the Cash Collateral Provider has duly funded the Cash Collateral Account with the relevant Cash Collateral, up to the relevant amount within thirty (30) Business Days from the receipt of the relevant Cash Collateral Funding Notice.

The legal liquidity test of the Issuer (the "**Legal Liquidity Test**") shall be deemed complied with for so long as, in relation to all the Liabilities of the Issuer, (i) no Legal Liquidity Rating Downgrade Event has occurred, or (ii) if, to the contrary, a Legal Liquidity Rating Downgrade Event has occurred, the Cash Collateral Provider (x) has duly funded the Cash Collateral Account with the relevant Cash Collateral, up to the relevant amount following the receipt of the relevant Cash Collateral Funding

Notice, and (y) on each day following the initial funding of the Cash Collateral as mentioned above (each, a "**CCRFA Funding Date**"), the Cash Collateral Provider has maintain in the Cash Collateral Account an amount sufficient to ensure that the balance of the Cash Collateral Account shall be at least equal to the CCRFA, as determined pursuant to the Cash Collateral Agreement, computed as of such CCRFA Funding Date.

The Cash Collateral Provider shall be requested to fund the Cash Collateral Account with the relevant Cash Collateral, up to the relevant amount, upon the occurrence of a Pre-Maturity Rating Downgrade Event and a Legal Liquidity Rating Downgrade Event. The occurrence of a Pre-Maturity Rating Downgrade Event and/or a Legal Liquidity Rating Downgrade Event does not constitute the occurrence of a Borrower Event of Default or an Issuer Event of Default.

The failure by the Cash Collateral Provider to fund into the Cash Collateral Account the relevant amount within thirty (30) Business Days from the receipt of a Cash Collateral Funding Notice shall constitute a "**Breach of Pre-Maturity Test**". A Breach of Pre-Maturity Test constitutes the occurrence of a Borrower Event of Default.

The failure by the Cash Collateral Provider to fund any required Cash Collateral following the receipt of a Cash Collateral Funding Notice or maintain the relevant amount in the Cash Collateral Account at any time during any Legal Liquidity Cover Period in accordance with the relevant terms of the Cash Collateral Agreement constitutes a "**Breach of Liquidity Test**". A Breach of Liquidity Test does not constitute the occurrence of a Borrower Event of Default or an Issuer Event of Default. However, it may trigger the withdrawal of the license of the Issuer as a *société de financement de l'habitat*.

See "**Asset Monitoring – The Pre-Maturity Test and the Legal Liquidity Test**".

Amortisation Test:

For so long as Covered Bonds remain outstanding and following the enforcement of a Borrower Event of Default subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Issuer shall ensure compliance with an amortisation test (the "**Amortisation Test**").

For so long as Covered Bonds remain outstanding, non-compliance with the Amortisation Test would result from the Amortisation Ratio (as specified in section "**Asset Monitoring – The Amortisation Test**") being strictly less than one (1).

A non-compliance with the Amortisation Test will constitute an Issuer Event of Default. (see section "**Asset Monitoring – The Amortisation Test**").

4. GENERAL INFORMATION

General Information:

Copies of this Base Prospectus and various other documents are available free of charge during usual business hours on any weekday (Saturdays, Sundays and public holidays excluded) from the registered office of the Issuer and at the specified office of the Paying Agent(s).

RISK FACTORS

The Issuer believes that the following factors may affect its ability to fulfil its obligations related to Covered Bonds issued under the Programme. Most of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which are material as to the market risks associated with Covered Bonds issued under the Programme are also described below.

The Issuer believes that the factors described below represent the principal risks inherent in investing in Covered Bonds issued under the Programme. However, the Issuer does not represent that the statements below regarding the risks of holding any Covered Bonds are exhaustive. Investors must be aware that the list of factors set out below is not intended to be exhaustive and that other risks and uncertainties which, on the date of this Base Prospectus, are not known by the Issuer or are considered irrelevant, may have a significant impact on the Issuer, its activities, its financial condition or the Covered Bonds. Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus (including any documents deemed to be incorporated by reference herein) and make their own opinion about risk factors prior to making any investment decision. Investors should in particular conduct their own analysis and evaluation of the risks relating to the Issuer, its financial condition and the Covered Bonds and consult their own financial or legal advisers about risks associated with the investment in a particular Series of Covered Bonds and the suitability of investing in the Covered Bonds in light of their particular circumstances.

The Issuer considers that the Covered Bonds shall only be purchased by investors who are (or are advised by) financial institutions or other professional investors who have sufficient knowledge and experience to appropriately evaluate the risks associated with the Covered Bonds.

Words and expressions defined elsewhere in this Base Prospectus have the same meanings when used below.

Risks related to the Issuer

Issuer's sole liability under the Covered Bonds

The Issuer is the only entity with the obligation to pay principal and interest with respect to the Covered Bonds. The Covered Bonds are not and will not be the obligation or responsibility of any other entity, including (but not limited to) Crédit Mutuel Arkéa (in any capacity, but in particular in its capacity as Borrower, Administrator, Issuer Calculation Agent, Cash Collateral Provider or Collateral Providers Agent), the Collateral Providers, the Dealers, the Representative, the Paying Agents, the Asset Monitor, any participant to the Hedging Strategy (as applicable) or any company in the same group of companies as any of the foregoing entities, or the shareholders, directors or agents of any company in the same group of companies as the foregoing entities.

In making an investment decision, investors must rely upon their own examination of the Issuer, the Collateral Security Assets, the terms of the Covered Bonds issued under the Programme and the financial information incorporated in this Base Prospectus. In the case of a Borrower Event of Default, there can be no assurance that the Collateral Security Assets will be sufficient to pay in full the amounts payable under the Covered Bonds.

The Issuer relies on Crédit Mutuel Arkéa or its successors for its operations and to administer the Programme Documents

The Issuer has entered into a number of agreements with Crédit Mutuel Arkéa, who has agreed to perform services for the Issuer. In particular, but without limitation:

- Crédit Mutuel Arkéa has been appointed as Administrator to provide the Issuer with necessary advice, assistance and know-how, whether technical or otherwise in connection with the day to day management and corporate administration of the Issuer and to ensure that the Issuer exercises each of its rights and perform each of its obligations under the Programme Documents;
- Crédit Mutuel Arkéa has been appointed as Issuer Calculation Agent, as defined below, to make calculations as provided under the Programme Documents and in particular to make calculations

relating to the Asset Cover Test, the Pre-Maturity Test, the Legal Liquidity Test and the Amortisation Test.

Upon certain events occurring, a new entity would have to be appointed to act as Issuer Calculation Agent and Administrator.

Under the relevant Programme Documents, the Issuer may in certain circumstances terminate the appointment of Crédit Mutuel Arkéa or any other Crédit Mutuel Arkéa Group's Entity that may be appointed (such termination not being effective until a substitute servicer with the required rating shall have replaced Crédit Mutuel Arkéa), in which case the transfer of the servicing function to a new servicer outside the Crédit Mutuel Arkéa Group may result in delays, increased costs and/or losses in collection of sums due to the Issuer under its assets, could create operational and administrative difficulties for the Issuer, and could adversely affect its ability to perform its obligations under the Covered Bonds.

The Issuer relies on third parties including Crédit Mutuel Arkéa and Crédit Mutuel Arkéa Group's Entities and their successors for the monitoring of the Collateral Security Assets

The Issuer has entered into the Collateral Security Agreement with Crédit Mutuel Arkéa (as Collateral Providers Agent) and the Crédit Mutuel Arkéa Group's Entities (as Collateral Providers), who have agreed to administer and monitor the Collateral Security Assets and/or the Collateral Security.

Under the relevant Programme Documents, the Issuer may terminate the appointment of Crédit Mutuel Arkéa or any other Crédit Mutuel Arkéa Group's Entity that may be appointed (such termination not being effective until a substitute servicer with the required rating shall have replaced Crédit Mutuel Arkéa or the relevant Crédit Mutuel Arkéa Group's Entity), in which case the transfer of the monitoring function to any entity outside the Crédit Mutuel Arkéa Group may result in delays, increased costs and/or losses for the Issuer, could create operational and administrative difficulties for the Issuer and could adversely affect its ability to perform its obligations under the Covered Bonds. In addition, if the Collateral Providers and/or the Collateral Providers Agent fail to adequately administer the Collateral Security Assets and/or the Collateral Security, this may lead to diminished value of the Collateral Security or any part thereof, and in turn, the ability of the Issuer to make payments under the Covered Bonds.

The Issuer relies on third parties including Crédit Mutuel Arkéa and Crédit Mutuel Arkéa Group's Entities and their successors for the hedging of its obligations under the Covered Bonds

Under the Hedging Strategy, the Issuer is reliant on Crédit Mutuel Arkéa Group's Entities (only until a Borrower Event of Default has occurred and is enforced, subject to, and in accordance with the relevant terms of the Borrower Facility Agreement) and/or any relevant Eligible Hedging Provider(s), as defined below, to provide it with the funds matching its obligations under the Covered Bonds (see "**The Hedging Strategy**").

Failure of Crédit Mutuel Arkéa Group's Entities and/or any relevant Eligible Hedging Provider(s) to enter into any hedging agreement contemplated by the Hedging Strategy may adversely affect the Issuers' ability to perform its obligations under the Covered Bonds.

The Issuer relies on Crédit Mutuel Arkéa. and its successors for the provision of cash collateral

The Issuer has entered into the Cash Collateral Agreement with Crédit Mutuel Arkéa (as Cash Collateral Provider), who has agreed to provide cash collateral to the Issuer upon certain rating trigger events occurring.

Failure of Crédit Mutuel Arkéa to provide cash collateral where required under the Cash Collateral Agreement may adversely affect the Issuers' ability to perform its obligations under the Covered Bonds.

Modification, alteration or amendment of the Programme Documents without Bondholder prior consent

Subject to the qualifications described in the relevant Programme Document(s) to which it is a party, the Issuer may, with prior Rating Affirmation and without the prior consent or sanction of any of the Bondholders, concur with any person in making or sanctioning any modifications, alterations or supplements to any Programme Document to which it is a party.

Subject to the qualifications described in the relevant Programme Document(s) to which it is a party, the Issuer may, without prior Rating Affirmation and without the prior consent or sanction of any of the Bondholders, concur with any person in making or sanctioning any modifications, alterations or supplements to any Programme Document to which it is a party if such modification, alteration or supplement is:

- to cure any ambiguity, omission, defect or inconsistency in the relevant Programme Document;
- to evidence or effect the transition of any party to a Programme Document to which it is a party to any successor;
- to add to the undertakings and other obligations of any party (except the Issuer) under a Programme Document to which it is a party; or
- to comply with any mandatory requirements of applicable laws and regulations.

However, if such modifications, alterations or supplements materially and adversely affect the interest of the Issuer, they shall be subject to prior Rating Affirmation.

Substitution risk

In the event of a downgrading of the short-term and/or long-term debt of or certain other parties to the Programme Documents which triggers the need for a substitution, or if under certain other circumstances the substitution of Crédit Mutuel Arkéa is appropriate pursuant to the terms of the Programme Documents, no assurance can be given that a substitute entity will be found.

If there is a downgrading of the long-term debt of Crédit Mutuel Arkéa or its successors, as the Administrator, or another Administrator Termination Event, as defined below, occurs pursuant to the terms of the Administrative Agreement, as defined below, the Issuer will be entitled to terminate the appointment of the Administrator and appoint a new administrator in its place. There can be no assurance that a substitute administrator with sufficient experience would be found and would be willing and able to serve on the same or similar terms found in the Administrative Agreement. In particular, upon the occurrence of any Borrower Event of Default and the subsequent enforcement of the Collateral Security and the transfer to the Issuer of the Collateral Security Assets, there can be no assurance that a substitute administrator with sufficient experience of servicing such transferred Collateral Security Assets could be found who would be willing and able to serve on the same or similar terms found in the Administrative Agreement. The ability of a substitute administrator to perform the required services fully would depend, among other things, on the information, software and records available at the time of the appointment. Any delay or inability to appoint a substitute administrator may affect the realisable value of the Collateral Security Assets or any part thereof, and/or the ability of the Issuer to make payments under the Covered Bonds. No Administrator has (nor will have, as applicable) any obligation itself to advance payments that the Borrower fails to make in a timely manner. The Representative is not obliged under any circumstance to act as an Administrator or to monitor the proper performance of obligations by any Administrator.

Certain conflicts of interest

Conflicts of interest may arise during the life of the Programme as a result of various factors involving certain Transaction Parties. For example, such potential conflicts may arise because Crédit Mutuel Arkéa acts in several capacities under the Programme Documents provided that its rights and obligations under the Programme Documents are not contractually conflicting and are independent from one another. Also during the course of their business activities, the Programme Parties and/or any respective affiliates may operate, service, acquire or sell properties, or finance loans secured by properties, which are in the same markets as the Home Loans. In such cases, the interest of any of those parties or their affiliates or the interest of other parties for whom they perform servicing functions may differ from, and compete with, the interest of the Issuer or of the Bondholders.

Insolvency and examinership laws in France could limit the ability of the Bondholders to enforce their rights under the Covered Bonds

The Issuer, as a *société anonyme*, is subject to French laws and proceedings affecting creditors (including conciliation proceedings (*procédure de conciliation*), safeguard proceedings (*procédure de sauvegarde*) and judicial reorganisation or liquidation proceedings (*procédure de redressement ou de liquidation judiciaires*)).

The Issuer, as a regulated financial institution, is also subject to the provisions of Articles L. 613-25 *et seq.* of the French Monetary and Financial Code (*Code monétaire et financier*). These provisions include in particular specific rules on the opening of an insolvency proceeding against the Issuer, the involvement of the *Autorité de contrôle prudentiel* in the event of bankruptcy of the Issuer, specific concepts of suspension of payment (*cessation des paiements*) for the Issuer and some specific rules of liquidation for the Issuer.

As a general principle, the above mentioned insolvency and reorganisation rules favour the continuation of a business and protection of employment over the payment of creditors.

However, the Issuer, as a *société de financement de l'habitat*, benefits from a regime which derogates in many ways from the French legal provisions relating to insolvency proceedings, in particular:

- in accordance with Article L. 515-37 of the French Monetary and Financial Code (*Code monétaire et financier*), the provisions of Article L. 632-2 of the French Commercial Code (*Code de commerce*) (*nullités de la période suspecte*) shall not apply to payments made by the Issuer in application of the Programme Documents;
- the bankruptcy proceedings (*procédure de sauvegarde, de redressement ou de liquidation judiciaires*) of a shareholder of the Issuer cannot be extended to the Issuer;
- any service/loan agreement pursuant to which the Issuer has delegated to another credit institution the management or the recovery of loans, exposures, assimilated receivables, securities, instruments, bonds or other sources of financing may be immediately terminated upon the opening of bankruptcy proceedings (*procédure de sauvegarde, de redressement ou de liquidation judiciaires*) affecting that credit institution;
- in case of bankruptcy proceedings (*procédure de sauvegarde, de redressement ou de liquidation judiciaires*) or conciliation proceedings (*procédure de conciliation*) of the Issuer, all cash flows generated by the assets of the Issuer are allocated as a matter of absolute priority to servicing liabilities of the Issuer which benefit from the *Privilège* as they fall due, in preference to all other claims, whether or not secured or statutorily preferred and, until payment in full of the liabilities of the Issuer which benefit from the *Privilège*, no other creditors may take any action against the assets of the Issuer.

Holders of the Covered Bonds may not declare the Covered Bonds immediately due and payable upon the Issuer filing for bankruptcy

The bankruptcy of the Issuer, which is an event that is customarily considered an event of default under debt instruments giving rise to an absolute or qualified right on the part of the registered holder to declare such debt instrument immediately due and payable, constitutes the occurrence of an Issuer Event of Default under the Terms and Conditions of the Covered Bonds. However, under the SFH legal Framework, the opening of bankruptcy proceedings or of conciliation proceedings with respect to the Issuer will not give rise to the right on the part of the holders of the Covered Bonds to declare the Covered Bonds immediately due and payable since, pursuant to the terms of the French Monetary and Financial Code (*Code monétaire et financier*) mentioned above, all cash flows generated by the assets of the Issuer are allocated as a matter of absolute priority to servicing liabilities of the Issuer which benefit from the *Privilège* as they fall due, in preference to all other claims, whether or not secured or statutorily preferred and, until payment in full of the liabilities of the Issuer which benefit from the *Privilège*, no other creditors may take any action against the assets of the Issuer.

Limited resources available to the Issuer

In the absence of any Borrower Event of Default, the Issuer's ability to meet its obligations under the Covered Bonds will depend on the amount of scheduled principal and interest paid by the Borrower under the Borrower Facility Agreement and the timing thereof and/or, as applicable, the amounts received under any hedging agreement concluded in accordance with the Hedging Strategy and/or the revenue proceeds generated by Permitted Investments, as defined below and/or the available amount under the Share Capital Proceeds Account and/or payments proceeds under Legal Substitution Assets.

Pursuant to the Cash Collateral Agreement, the Issuer will benefit from any Cash Collateral to be provided by the Cash Collateral Provider under the circumstances described under the Cash Collateral Agreement.

Upon the occurrence of a Borrower Event of Default and enforcement of the Collateral Security granted by the Collateral Providers, and without prejudice to any other unsecured recourse the Issuer may have under the Borrower Debt, as defined below, the Issuer's ability to meet its obligations under all the Covered Bonds will depend on the revenue proceeds from the Collateral Security Assets granted by the Collateral Providers which would have been enforced in favour of the Issuer (meaning the amount of principal and interest paid directly to the Issuer by the relevant debtors under the Home Loan Receivables which would have been transferred to the Issuer upon enforcement of such Collateral Security or the price or value of such Home Loan Receivables and related Home Loan Security upon the sale or refinancing thereof by the Issuer) and/or, as applicable the amounts received under any hedging agreement concluded in accordance with the Hedging Strategy, and/or the revenue proceeds generated by Permitted Investments, and/or the amount of any Cash Collateral provided by the Cash Collateral Provider under the Cash Collateral Agreement, and/or the available amount under the Share Capital Proceeds Account, as defined below and/or payments proceeds under Legal Substitution Assets.

If such amounts are not sufficient for the Issuer to meet its obligations under the Covered Bonds, the Issuer will not have any further source of funds available other than the recourse the Issuer has under the Borrower Debt until such Borrower Debt is repaid in full.

The occurrence for whatever reason of an Issuer Event of Default will not automatically trigger the cross occurrence of a Borrower Event of Default, and the Issuer will in the absence of a Borrower Event of Default be unable to enforce the Collateral Security securing the repayment of the Covered Bonds in order to cure such Issuer Event of Default. Therefore, notwithstanding the occurrence of such an Issuer Event of Default while no Borrower Event of Default shall have occurred, the Issuer's ability to meet its obligations under the Covered Bonds will continue to depend only on the amount of scheduled principal and interest paid by the Borrower under the Borrower Facility Agreement and the timing thereof and/or, as applicable, the amounts received under any hedging agreement concluded in accordance with the Hedging Strategy and/or the revenue proceeds generated by Permitted Investments and/or any Cash Collateral and/or the available amount under the Share Capital Proceeds Account.

Restrictions on recourse and enforcement

Payments due under the Covered Bonds are subject to significant limitations as described in Condition 14 "Limited recourse" under "**Terms and Conditions of the Covered Bonds**". Furthermore, payment with respect to the Covered Bonds will be subordinated to the full payment of certain sums pursuant to the then applicable Priority Payment Order and recoverable only from and to the extent of the amount of the Available Funds as described in Condition 15 under "**Terms and Conditions of the Covered Bonds**". No enforcement action under the Covered Bonds may be taken prior to the date which is eighteen (18) months and one (1) day after the earlier of (i) the Final Maturity Date of the last Series issued by the Issuer under the Programme, or (ii) the date of payment of any sums outstanding and owing under the latest outstanding Covered Bond as described in Condition 14 "Non-petition" under "**Terms and Conditions of the Covered Bonds**".

Permitted Investments

Any available funds standing to the credit of the Issuer Accounts (prior to their allocation and distribution) shall be invested by the Administrator in Permitted Investments. The value of the Permitted Investments may fluctuate depending on the financial markets and the Issuer may be exposed to a credit risk in relation to the issuers of such Permitted Investments. None of the Arranger, the Issuer, the Administrator or any other party to the Programme Documents guarantees the market value of the Permitted Investments. None of them shall be liable if the market value of any of the Permitted Investments fluctuates and decreases.

Risks related to the Borrower

Borrower's ability to pay under the Borrower Debt

Neither the Issuer, the Borrower nor any other party to the Programme Documents (other than upon certain circumstances, the Cash Collateral Provider and without prejudice to the Collateral Security granted by the Collateral Providers) guarantees or warrants the full and timely payment by the Borrower of any sums of principal or interest payable under the Borrower Debt, being part of the Issuer assets.

Should the Borrower be subject to any applicable insolvency proceedings (including, the procedures of safeguard, moratorium, suspension of payments, controlled management, liquidation or similar insolvency proceedings), this would impair the ability of the Issuer to claim against the Borrower to obtain timely payment of amounts of principal and interest due and payable under the Borrower Debt.

However in such event, the Issuer would be entitled to accelerate the payment of such amounts and then immediately enforce the Collateral Security or the Cash Collateral (including upon and following the commencement of insolvency proceedings against the Cash Collateral Provider and/or the Collateral Providers).

Credit rating of the Covered Bonds may be affected by various factors

In the rating agencies' methodologies, the credit rating of a covered bond program is linked to the credit rating attributed to the issuer's parent. The rating criteria for the Issuer include both the financial health of its parent, Crédit Mutuel Arkéa, as well as the strength of the support which is granted by the Crédit Mutuel Arkéa Group's Entities as Collateral Providers by way of the Collateral Security and various other structural features such as any Cash Collateral that aim to achieve a de-linkage between the rating of Crédit Mutuel Arkéa and the rating of the Covered Bonds. Nevertheless, if the Collateral Security and the other support granted to the Issuer prove insufficient or fail to be granted to the Issuer in accordance with the Programme Documents, decreases in the credit rating of Crédit Mutuel Arkéa may cause a decrease in the credit rating of the Covered Bonds. Furthermore, failure to meet any overcollateralisation requirement required by a Rating Agency may result not only in the occurrence of a Borrower Event of Default but also in a downgrade of the rating assigned to the Covered Bonds. If the credit rating of the Covered Bonds were reduced due to these factors, such downgrade may adversely affect the value of the outstanding Covered Bonds, increase the Issuer's cost of borrowing and adversely affect the Issuer's ability to issue new Covered Bonds.

Risks related to the Collateral Security

No interpretation by French courts of rules applicable to Collateral Security

The Home Loan Receivables which will be granted as Collateral Security in favour of the Issuer for the repayment of the Borrower Debt extended by the Issuer will be granted in accordance with Articles L. 211-36 to L. 211-40 of the French Monetary and Financial Code implementing Directive 2002/47/EC of the European Parliament and of the Council of 6 June 2002 on financial collateral arrangements, which has been amended by Directive 2009/44/EC of the European Parliament and of the Council of 6 May 2009 (the "EU Collateral Directive").

However, Article L. 211-38 of the Financial Code further states that the establishment and enforceability of a collateral security "derive from the transfer of the relevant property and rights, the dispossession of the grantor or their control by the beneficiary or a person acting on his behalf" but there are no guidelines in the EU Collateral Directive, in Article L. 211-38 of the French Monetary and Financial Code, in legal commentaries or in French case law on how to satisfy the "control" requirement in practice and in the context of security over loan receivables such as the security purported to be created over the Home Loan Receivables under the Collateral Security Agreement.

Although these French laws are in full force and effect, as of the date of this Base Prospectus, holders of the Covered Bonds should note that French courts have not yet had the opportunity to interpret such rules and therefore the manner in which the Collateral Security would be enforced by a French court is uncertain.

Method of establishment and enforceability of the Collateral Security – Notion of control

The Collateral Security shall not entail any transfer of title with respect to the relevant assets until enforcement. The Collateral Security shall be created and perfected in accordance with Article L.211-38

(formerly L.431-7-3) of the French Monetary and Financial Code (*Code monétaire et financier*). Pursuant to Article L.211-38 of the French Monetary and Financial Code (*Code monétaire et financier*): "the establishment of such security interests and their enforceability are not subject to any formality."

However, said Article L. 211-38 of the French Monetary and Financial Code (*Code monétaire et financier*) further states that such establishment and enforceability "derive from the transfer of the relevant property and rights, the dispossession of the grantor or their control by the beneficiary or a person acting on his behalf".

There are no guidelines in the EU Collateral Directive, in Article L. 211-38 of the French Monetary and Financial Code (*Code monétaire et financier*), in legal commentaries or in French case law on how to satisfy the "control" requirement in practice and in the context of security over loan receivables such as the security purported to be created over the Home Loans receivables under the Collateral Security Agreement. However, given that the Collateral Security Agreement will provide that the Issuer will be entitled to control changes to the servicing procedures of the Collateral Providers and will benefit from the following Controlling Rights and Covenants (as described below), this should give to the Issuer a certain level of control over the Collateral Security Assets which should be sufficient for it to represent that it benefits from the "control" required by Article L. 211-38 of the French Monetary and Financial Code (*Code monétaire et financier*).

Pursuant and subject to the Collateral Security Agreement, each Collateral Provider will appoint Crédit Mutuel Arkéa as agent in order to grant, in the name and on behalf such Collateral Provider, as Collateral Security any Eligible Assets selected by the Collateral Security Agent pursuant to the Collateral Security Agreement (to the extent required to meet the Asset Cover Test) and each Collateral Provider will undertake:

- to maintain the Collateral Security Assets free from any Encumbrance or any option to purchase or similar rights, except as contemplated under the Collateral Security Agreement;
- not to transfer, assign, pledge, delegate or in any way encumber any of the Collateral Security Assets other than pursuant to, or as permitted under, the Collateral Security Agreement and shall not permit that similar restrictions apply which may materially affect the security created hereunder; and
- to perform the servicing of the Collateral Security Assets it has granted in accordance with applicable laws and its customary servicing procedures (which may provide for the servicing of certain Collateral Security Assets by another Collateral Provider) (the "**Servicing Procedures**");
- not to materially alter the Servicing Procedures without the consent of the Issuer, the Administrator, the Issuer Calculation Agent and the Collateral Security Agent (such consent not to be unreasonably withheld);
- for the purpose of satisfying itself whether the Collateral Security Assets remain Eligible Assets or controlling the information contained in the Asset Reports, to grant (at reasonable times and intervals and upon reasonable notice) the Issuer (or any agent acting on its behalf) with access to each Collateral Provider's premises or to premises where the Asset Records are located, in order to inspect or audit such Asset Records (such right of inspection or audit including taking copies of all or any document or data).

No prior notification to debtors under the Home Loan Receivables granted as Collateral Security

The Collateral Security Agreement will provide that the Home Loan Receivables will be granted as Collateral Security without notification or information of the underlying debtors of the Home Loans.

Such debtors will only be notified if and when the relevant Collateral Security is enforced following the occurrence of a Borrower Event of Default and then title to the Home Loan Receivables and related Home Loan Security has been transferred to the Issuer. Notification of such debtors will only be effected once, following such Borrower Event of Default, the relevant Collateral Security has been enforced. As long as no such notification has taken place, any payments made by any debtor under the relevant Home Loan Receivables will continue to be validly made by such debtors to the relevant Collateral Provider, even though title to such Home Loan Receivables would have been validly transferred to the Issuer upon enforcement of the relevant Collateral Security.

There is no guarantee that notification to the debtors under the relevant Home Loans will be made at the times mandated and there can be no guarantee or assurance as to the ability of the Issuer to obtain effective direct payment from the debtors under the relevant Home Loans in a sufficiently timely manner, all of which may affect payments under the Covered Bonds. In such circumstances, a shortfall in distributions of interest or repayment of principal to Bondholders may result. However, also in such circumstances, the Hedging Agreements concluded in accordance with the Hedging Strategy are designed to cover limited amounts of interest on the related Series of Covered Bonds for a limited period of time.

Until notification to the debtors has been given informing them that insolvency proceedings have been opened against the Collateral Providers, a statutory stay of execution under mandatory rules of French insolvency law will prevent the Issuer from taking recourse against the Collateral Providers for repayment of collections received by the Collateral Providers under the relevant Home Loans which are commingled with other funds of the Collateral Providers.

Set-off by debtors

Set-off under French law can operate by statute (*compensation légale*) or be agreed by contract (*compensation contractuelle*) or be ordered by court (*compensation judiciaire*). Set-off may also be invoked if claims are deemed mutual or inter-related (*dettes connexes*).

Statutory set-off operates as of right between two reciprocal debts (*dettes réciproques*) provided that such debts are, at the same time, fungible (*fongibles*), certain (*certaines*), liquid (*liquides*) as well as due and payable (*exigibles*). A contract or a court may expand statutory set-off possibilities where, with respect to two reciprocal and fungible debts, such debts are not at the same time certain, liquid and due and payable. A set off between debts which are deemed mutual by contract or on an economic standpoint is available as of right.

Since no provision under the Home Loan agreements expressly allows a debtor to expand statutory set-off possibilities nor expressly provides for a mutuality (*connexité*) between claims owed by a debtor to a Collateral Provider and claims that such debtor may have against such Collateral Provider under other contracts, such as a bank account or a deposit contract, etc. but, at the same time, no provision under the Home Loan agreements expressly provides for a waiver of set-off (see "**The Collateral Security – The Collateral Security Agreement – Home Loan Eligibility Criteria**"), a debtor under a Home Loan is entitled to invoke either (i) a statutory or a judicial set-off, or (ii) a set-off based on a mutuality of claims (*connexité*) should such mutuality be provided for by another contract than the Home Loan agreement or the global economic relationship which would exist between a debtor under a Home Loan and a Collateral Provider.

However, a set off such as referred to in (i) or (ii) above may become a risk for the Issuer under the sole circumstances where the Home Loans Receivables would have been transferred to the Issuer following the enforcement of a Borrower Event of Default.

Following such transfer and as long as the debtors under the Home Loans would have not been notified of such transfer, the debtors would be entitled to invoke statutory and judicial set-off as if no transfer had taken place. After notification of the transfer, a debtor under a Home Loan would still be entitled to invoke statutory set-off against the Issuer if prior to the notification of the transfer, the above mentioned conditions for statutory set-off were satisfied.

A set off between inter-related debts (*dettes connexes*) is available as of right. Inter-related debts (*dettes connexes*) mainly result from economic inter-relationship. In this latter case, mutuality of claims will be determined on a case by case basis, depending on the factual circumstances then existing. The most likely circumstances where set off would have to be considered are when counterclaims resulting from a current account relationship will allow a debtor to set off such counterclaims against sums due under a Home Loan. In this situation however, French case law stated that there was no mutuality of claims, notwithstanding that the instalment under the home loan was to be paid by way of direct debit from the funds standing to the credit of the relevant current account since the parties did not intend to inter relate their current account relationship and the lending transaction on an economical standpoint.

Maintenance of value of the Collateral Security prior to or following enforcement thereof

If the collateral value of the Home Loan Receivables granted as Collateral Security in favour of the Issuer pursuant to the Collateral Security Agreement has not been maintained in accordance with the terms of the Asset Cover Test or the Amortisation Test or the other provisions of the Programme Documents, the value of the relevant Collateral Security Assets or any part thereof (both before and after the occurrence of a

Borrower Event of Default) or the price or value of such Home Loan Receivables and related Home Loan Security upon the sale or refinancing thereof by the Issuer may be affected.

The value of the properties securing the Home Loans may decrease as a result of any number of factors, including the national or international economic climate, regional economic or housing conditions, changes in tax laws, mortgage interest rates, inflation, the availability of financing, yields on alternative investments, increasing utility costs and other day-to-day expenses, political developments and government policies. In addition, as the properties securing the Home Loans are predominantly located in France, the value of such properties may therefore decline in the event of a general downturn in the value of property in France.

The materialisation of any of the foregoing factors could adversely affect the Issuer's business, financial condition, cash flows and results of operations, and may result in the Issuer having insufficient funds to meet its obligations under the Covered Bonds.

Sale or refinancing of Home Loans Receivables and related Home Loan Security by the Issuer following enforcement of the Collateral Security

After title to the Home Loan Receivables granted as Collateral Security and the related Home Loan Security has been transferred to the Issuer upon enforcement of the Collateral Security (the "**Transferred Assets**"), the Administrator will organise the sale or refinancing by the Issuer of such Home Loan Receivables and related Home Loan Security in order for the Issuer to receive sufficient Available Funds to make payments when due under the relevant Series of Covered Bonds (after taking into account all payments to be made in priority thereto according to the relevant Priority Payment Order and the relevant payment dates and Final Maturity Date under each relevant Series of Covered Bonds).

The Administrator will organise the sale or refinancing by the Issuer of the Home Loan Receivables granted as Collateral Security and the related Home Loan Security in accordance with the Administrative Agreement (see "**The Issuer – The Administrative Agreement**").

The Administrative Agreement provides that the Administrator shall ensure that the Transferred Assets which are proposed for sale or refinancing by the Issuer (the "**Selected Assets**") at any relevant date (the "**SARA Relevant Date**") will be selected on a random basis, provided that (i) no more Selected Assets will be selected than are necessary for the estimated sale or refinancing proceeds to equal the Adjusted Required Redemption Amount, and (ii) the aggregate outstanding principal amount or value (and interest accrued thereon) of such Selected Assets shall not exceed the "**Selected Assets Required Amount (SARA)**", which is calculated as follows:

$$\text{SARA} = \text{Adjusted Required Redemption Amount} * A/B$$

where:

"**Adjusted Required Redemption Amount**" means an amount equal to the euro equivalent of the outstanding principal amount of the first Series of Covered Bonds maturing after the SARA Relevant Date (together with accrued interest thereon), less amounts standing to the credit of the Issuer Accounts (excluding all amounts to be applied on the first Payment Date following the SARA Relevant Date to repay higher ranking amounts in the relevant Priority Payment Order and those amounts that are required to repay any Series of Covered Bonds which mature prior to or on the same date as the relevant Series of Covered Bonds);

"**A**" means the Euro equivalent of the aggregate of the outstanding principal amount or value (together with interest accrued thereon) of all the Transferred Assets; and

"**B**" means the Euro equivalent of the outstanding principal amount (together with Interest Amount accrued thereon) in respect of all Series of Covered Bonds then outstanding.

The Administrator will ensure that the Selected Assets offered for sale by the Issuer to potential buyers are sold for the best price reasonably available but in any event for an amount not less than the Adjusted Required Redemption Amount.

If the Selected Assets have not been sold or refinanced (in whole or in part) in an amount equal to the Adjusted Required Redemption Amount by the date which is six (6) months prior to the Final Maturity Date of the Series of Covered Bonds maturing after the SARA Relevant Date (after taking into account all payments, provisions and credits to be made in priority thereto), then the Administrator will (i) organise the offer for sale of the Selected Assets by the Issuer for the best price reasonably available, or (ii) seek a refinancing of the Selected Assets by the Issuer on the best terms reasonably available, even if the price obtained in this case for the Selected Assets is less than the Adjusted Required Redemption Amount.

For the purpose hereof, the Administrator may through a tender process select a portfolio manager of recognised standing which shall be appointed by the Issuer to advise it in relation to the sale or refinancing of the Transferred Assets. This portfolio manager can be appointed by the Issuer on terms intended to incite the portfolio manager to achieve the best price for the sale or refinancing of the Transferred Assets (if such terms are commercially available in the market).

In respect of any sale or refinancing of the Selected Assets, the Administrator shall use all reasonable endeavours to procure that the Selected Assets are sold as quickly as reasonably practicable (in accordance, as the case may be, with the recommendations of the portfolio manager) taking into account the market conditions at that time.

There is no guarantee that a buyer will be found to acquire the Home Loan Receivables granted as Collateral Security and the related Home Loan Security at the times required and there can be no guarantee or assurance as to the price which may be able to be obtained, which may affect the ability of the Issuer to make payments when due under the Covered Bonds.

In addition, with respect to any sale or refinancing of the Home Loan Receivables granted as Collateral Security and the related Home Loan Security to third parties, the Issuer will not be permitted to give warranties or indemnities as to those assets. There is no assurance that representations or warranties previously given by the Collateral Providers with respect to such assets pursuant to the terms of the Collateral Security Agreement may benefit a third party purchaser of such assets upon sale or refinancing thereof by the Issuer. Accordingly, there is a risk that the price or value of such assets upon the sale or refinancing thereof by the Issuer be adversely affected by the lack of representations and warranties which in turn could adversely affect the ability of the Issuer to make payments when due under the relevant Series of Covered Bonds.

Risk related to the Home Loans and related Home Loan Security

Debtors' ability to pay under the Home Loans

The debtors under the Home Loans are individuals having borrowed under the Home Loans in order to finance the acquisition of real estate property.

If following enforcement of the Collateral Security, the Issuer does not receive the full amount due from the debtors in respect of such Home Loans, this may affect the ability of the Issuer to make payments under the Covered Bonds.

The Issuer may therefore be exposed to the occurrence of credit risk in relation to the debtors under the Home Loans.

None of the Borrower, the Collateral Providers, the Issuer or any other party to the Programme Documents does guarantee or warrant full and timely payment by the debtors under the Home Loans of any sums payable under such Home Loans.

The ability of a debtor under the Home Loans to make timely payment of amounts due under such Home Loans will mainly depend on his assets and his liabilities as well as his ability to generate sufficient income to make payments under the relevant Home Loans. His ability to generate income may be adversely affected by a large number of factors, some of which (i) relate specifically to the debtor himself (including but not limited to his age and health, employment situation, family situation, creditworthiness or expropriation) or (ii) are more general in nature (such as changes in governmental regulations, fiscal policy, etc.).

Furthermore, the debtors under the Home Loans may benefit from the favourable legal and statutory provisions of the French Consumer Code (*Code de la consommation*), pursuant to which any individual may, under certain circumstances, and subject to certain conditions, request and obtain from the competent court a grace period, a reduction of the amount of all and any of its indebtedness and any interest relating thereto and, as the case may be, (pursuant to (i) law no. 98-657 dated 29 July 1998, as amended, and (ii) law no. 2003-710 dated 1st August 2003) a full or partial extinguishment of its indebtedness against a credit institution.

No independent investigation – representations and warranties

None of the Issuer, the Arranger, the Dealers, the Administrator or any other party to any Programme Document has undertaken or will undertake any investigations, searches or other due diligence regarding the Home Loans, the related Home Loan Security or as to the status and/or the creditworthiness of the debtors under the Home Loans. Each of them has relied solely on the representations and warranties given by the Collateral Providers under the Collateral Security Agreement.

If any breach of eligibility criteria relating to any Home Loan is material and (if capable of remedy) is not remedied, the Collateral Providers shall be required under the Collateral Security Agreement to provide sufficient eligible Homes Loans Receivables in order to maintain compliance with the Asset Cover Test.

Failure to maintain compliance with the Asset Cover Test and/or Minimum Overcollateralisation Ratio may result in the Issuer having insufficient funds to meet its obligations under the Covered Bonds.

Limited description of the Home Loans

The Bondholders will not receive detailed statistics or information in relation to the Home Loans or to the Collateral Security Assets, because it is expected that the constitution of the security over the Collateral Security Assets may constantly change due to, for instance, the Collateral Providers granting security over additional and/or new Collateral Security Assets or new Collateral Providers acceding to the Programme. However, each Eligible Home Loan Receivables will be required to meet the applicable eligibility criteria.

Prepayment

The rate of prepayment of Homes Loans is influenced by a wide variety of economic, social and other factors, including prevailing market interest rates, changes in tax laws (including but not limited to amendments to mortgage interest tax deductibility), local and regional economic conditions and changes in debtor's behaviour (including but not limited to home-owner mobility). No guarantee can be given as to the level of prepayment that the Home Loans may experience, and variation in the rate of prepayments of principal on the Home Loans may affect the ability of the Issuer to realise sufficient funds to make payments under the Covered Bonds upon the service of a Borrower Enforcement Notice and then transfer of title to the Home Loans and Home Loan Security in favour of the Issuer.

Changes to the lending criteria of the Collateral Providers

Each of the Home Loans originated by the Collateral Providers will have been originated in accordance with its lending criteria at the time of origination. It is expected that each Collateral Provider's lending criteria will generally consider type of financed property, term of loan, age of applicant, the loan-to-value ratio, status of applicants and credit history. One of the Home Loans Eligibility Criteria requires that, prior to the date upon which the Home Loan has been made available to the borrower thereof, all lending criteria and preconditions as applied by the originator of the Home Loan pursuant to its customary lending procedures were satisfied. Each of the Collateral Providers retains the right to revise its lending criteria from time to time. If the lending criteria change in a manner that affects the creditworthiness of the Home Loans, that may lead to increased defaults by borrowers thereof and may affect the realisable value of the Collateral Security Assets or part thereof, and the ability of the Issuer to make payments under the Covered Bonds upon the service of a Borrower Enforcement Notice and then transfer of title to the Home Loans Receivables and Home Loan Security in favour of the Issuer.

Foreclosing on real property granted as security under French law governed Mortgages

French legal procedures to be followed in relation to the enforcement of French law governed Mortgages and related expenses may affect the Issuer's ability to liquidate the properties secured under such Mortgages efficiently and in a timely manner. An outline of these procedures is set out below (Specific rules are provided for lender's privileges and mortgages registered in the departments of *Haut-Rhin*, *Bas-Rhin* and *Moselle*. However, these specific rules do not substantially change the outline of these procedures set out below.)

Foreclosure on property situated in France by secured creditors (*saisie immobilière*) may require the sale of the property at a public auction (*vente aux enchères*) if the sale cannot be made voluntarily by the debtor (*conversion en vente volontaire* or *à l'amiable*). The foreclosure procedure may take up to one (1) year and a half in normal circumstances. The beneficiary of a lender's privilege or a mortgage will thus rank in respect of the sale proceeds in the order of priority of registration of the privileges and mortgages (*droits de préférence*) encumbering such seized property (Article 2458 of the French Civil Code (*Code civil*)). The first step in the foreclosure procedure consists of delivering a foreclosure notice to the debtor by a bailiff or *huissier* (a process server or *commandement de saisie immobilière*). This notice should be filed at the French Land and Charges Registry having jurisdiction in the district where the relevant real property is located. The next step is to instruct a local lawyer (*avocat*) to prepare the terms of the sale of the property at auction, including the reserve price of the relevant real property (such instruction is not mandatory in the departments of *Haut-Rhin*, *Bas-Rhin* and *Moselle*). Finally, a number of legal notices are required to be given prior to the sale. The debtor may file objections against such foreclosure (including the reserve price), the validity of which will be decided by a competent court. If no bid is made at the public auction, and provided there is only one foreclosing creditor, such foreclosing creditor is declared the highest bidder and is thus obliged to purchase the property at a reserve price specified in the terms of the sale. Rules applicable to the *saisie immobilière* procedure have been recently modified by an act (*ordonnance n° 2006-461 réformant la saisie immobilière*) dated 21 April 2006. This new legislation (Articles 2190 *et seq.* of the French Civil Code (*Code civil*)) has come into force on 1 January 2007. The purpose of the legislation is to simplify the foreclosure process by encouraging voluntary sales (*ventes à l'amiable*) and to reduce the duration and complexity of the foreclosure process.

In accordance with Article 2461 of the French Civil Code (*Code civil*), secured creditors will continue to benefit from the lender's privilege or mortgage, even if the property is transferred, by the debtor to a third party without the Lenders' consent. This right is known as *droit de suite*. If the secured creditor wishes to exercise this right, an order to pay is required to be served on the debtor by a bailiff and notice is required to be served on the third party to whom the relevant secured property was transferred (*tiers détenteur de l'immeuble hypothéqué*) with a view either to pay the debt secured over the property or to surrender the property at an auction.

The exercise of the *droit de suite* is often frozen due to an "advanced clearing" of the privileges and mortgages granted over the relevant property (*purge des privilèges et hypothèques*). If the debtor and all secured creditors agree, in accordance with Article 2475 of the French Civil Code (*Code civil*), for the sale proceeds to be allocated (*affecté*) to them, the secured creditors exercise their preferential rights (*droits de préférence*) over the sale proceeds, the payment of which will discharge all privileges and mortgages granted over the property (*purge amiable*). If no agreement is reached (for instance if the sale price of the property is substantially below the amount of the secured debt), the third party will still be entitled to offer to pay the sale price to the secured creditors in order to clear all privileges and mortgages granted over the relevant property (*purge judiciaire*).

Secured creditors may refuse this offer if they believe that the sale price has been underestimated by the debtor and the third party. In this case, an auction will be ordered with a minimum bid which is the price offered by the relevant third party being made to the secured creditor, plus ten per cent (10%).

The Issuer's ability to liquidate the properties secured under the Home Loans efficiently and in a timely manner, and in turn to make payments when due on the Covered Bonds, may be adversely affected by the legal procedures described above.

Enforcement of Home Loan Guarantees

Following enforcement of the Collateral Security, title to the Home Loan Receivables and related Home Loan Security is transferred in favour of the Issuer, notification of the debtors under such Home Loans is then given, and the Issuer enforces its rights under the relevant Home Loan Guarantees against the guarantor. If thereafter, such guarantor does not pay in whole or in part any amounts due under the relevant Home Loan Guarantees for whatever reason or does not pay such amounts in a timely manner, this may affect the ability of the Issuer to make payments under the Covered Bonds.

Risks relating to swaps and options derivatives

Interest and currency risks

Each Borrower Advance granted by the Issuer for the benefit of the Borrower under the Borrower Facility Agreement shall be made available in the same Specified Currency and according to the same interest conditions to those applicable to the Covered Bonds funding such Borrower Advance. As a consequence, as long as a Borrower Event of Default has not occurred, the Issuer shall not be exposed to any currency and interest risk regarding the Borrower Debt and the Covered Bonds.

There is no assurance that the Home Loan Receivables that are part of the Collateral Security bear interest by way of the same conditions as those of the Covered Bonds and are denominated in the same currency as the Covered Bonds. Upon the occurrence of a Borrower Event of Default and the enforcement of the Collateral Security, Home Loan Receivables and related Home Loans Security will be transferred to the Issuer. In this case, in order to hedge the potential mismatch of the interest rates applicable to the Covered Bonds and to the Home Loan Receivables and the potential mismatch of currencies, the Issuer shall apply the Hedging Strategy as from the occurrence of the Hedging Rating Trigger Event, as defined below. However, there can be no assurance that the Hedging Strategy will adequately address such hedging risks.

Hedging strategy

Upon the occurrence of a Hedging Rating Trigger Event, no assurance can be given that the hedging documentation agreed under the Hedging Strategy will be concluded, and in particular, that all the relevant Eligible Hedging Provider(s) will be found and will accept to conclude the hedging documentation as agreed under the Hedging Strategy. Upon the occurrence of a Hedging Rating Trigger Event, (i) any failure by the Issuer (or the Administrator on its behalf) to enter into (a) appropriate Issuer Hedging Agreements, as defined below, and related Issuer Hedging Transactions with Eligible Hedging Provider(s) or (b) appropriate Borrower Hedging Agreement(s), as defined below, and related Borrower Hedging Transaction(s), as defined below, with Crédit Mutuel Arkéa within thirty (30) Business Days from the occurrence date of such Hedging Rating Trigger Event, as described under the Hedging Strategy, constitutes the occurrence of an Issuer Event of Default and a Borrower Event of Default and (ii) any failure by the Borrower (a) to enter into appropriate Borrower Hedging Agreement(s) and related Borrower Hedging Transaction(s) with the Issuer, within thirty (30) Business Days from the date of occurrence of such Hedging Rating Trigger Event or (b) to pay any costs and expenses necessary to allow the Issuer to enter into the agreements referred to above constitutes the occurrence of a Borrower Event of Default. Moreover, in certain circumstances, the hedging documentation contemplated under the Hedging Strategy may be terminated and as a result the Issuer may be unhedged if replacement interest rates and/or currency derivative transactions are not entered into.

Risks related to Covered Bonds generally

The Covered Bonds may not be a suitable investment for all investors

Each prospective investor in the Covered Bonds must determine the suitability of that investment in light of its own circumstances. In particular, each prospective investor should:

- (a) have sufficient knowledge and experience to make a meaningful evaluation of the Covered Bonds, the merits and risks of investing in the relevant Covered Bonds and the information contained in this Base Prospectus or any applicable supplement to this Base Prospectus and the relevant Final Terms;
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the relevant Covered Bonds and the impact the relevant Covered Bonds will have on its overall investment portfolio;
- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Covered Bonds, including Covered Bonds with principal or interest payable in one (1) or more currencies, or where the currency for principal or interest payments is different from the prospective investor's currency;
- (d) understand thoroughly the terms of the relevant Covered Bonds and be familiar with the behaviour of any relevant indices and financial markets;

- (e) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks; and
- (f) ensure that, in terms of any legislation or regulatory regime applicable to such investor, what restrictions (if any) there are on its ability to invest in Covered Bonds generally and in any particular type of Covered Bonds.

Some Covered Bonds are complex financial instruments and such instruments may be purchased as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A prospective investor should not invest in Covered Bonds which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Covered Bonds will perform under changing conditions, the resulting effects on the value of such Covered Bonds and the impact this investment will have on the prospective investor's overall investment portfolio.

Modification of the Conditions

Except as otherwise provided in the relevant Final Terms, the Bondholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interest in a *Masse*, as defined in Condition 12, and a General Meeting can be held. The Terms and Conditions permit in certain cases defined majorities to bind all Bondholders including Bondholders who did not attend and vote at the relevant General Meeting and Bondholders who voted in a manner contrary to the majority. The General Meeting may deliberate on any proposal relating to the modification of the Conditions including any proposal, whether for arbitration or settlement, relating to rights in controversy or which were the subject of judicial decisions, as more fully described in Condition 12.

Change of law

The Terms and Conditions of the French Law Covered Bonds are based on French law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change in French law or administrative practice after the date of this Base Prospectus.

Taxation

Prospective purchasers and sellers of the Covered Bonds should be aware that they may be required to pay taxes or other documentary charges or duties in accordance with the laws and practices of the country where the Covered Bonds are transferred or other jurisdictions. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for financial instruments such as the Covered Bonds. Prospective investors are advised not to rely upon the tax summary contained in this Base Prospectus and/or in the Final Terms but to ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, holding, sale and redemption of the Covered Bonds. Only these advisors are in a position to duly consider the specific situation of the prospective investor. This investment consideration has to be read in connection with the taxation sections of this Base Prospectus and the additional tax sections, if any, contained in the relevant Final Terms.

EU Savings Directive

On 3 June 2003, the European Council of Economics and Finance Ministers adopted a directive 2003/48/EC regarding the taxation of savings income in the form of interest payments (the "**Directive**"). The Directive requires Member States, subject to a number of conditions being met, to provide to the tax authorities of other Member States details of payments of interest and other similar income made by a paying agent located within their jurisdiction to a beneficial owner (within the meaning of the Directive) resident in that other Member State, except that, for a transitional period, Luxembourg and Austria will instead withhold an amount on interest payments unless the relevant beneficial owner of such payment elects otherwise and authorises the paying agent to disclose the above information (see "**Taxation – EU Savings Directive**").

For these purposes, the term **paying agent** is defined widely and includes in particular any economic operator who is responsible for making interest payments, within the meaning of the Directive, for the immediate benefit of individuals.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of tax were to be withheld from that payment, neither the Issuer nor any paying agent nor any other person would be obliged to pay additional amounts with respect to any Covered Bond as a result of the imposition of such withholding tax. If a withholding tax is imposed on

payment made by a paying agent, the Issuer will be required to maintain a paying agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Directive.

On 15 September 2008 the European Commission issued a report to the Council of the European Union on the operation of the Directive, which included the Commission's advice on the need for changes to the Directive. On 13 November 2008, the European Commission published a detailed proposal for amendments to the Directive, which included a number of suggested changes. The European Parliament approved an amended version of this proposal on 24 April 2009. If any of those proposed changes are made in relation to the Directive they may amend or broaden the scope of the requirements described above.

Risks related to the structure of a particular issue of Covered Bonds

Covered Bonds issued under the Programme will either be fungible with an existing Series or have different terms to an existing Series (in which case they will constitute a new Series). All Covered Bonds issued from time to time will rank *pari passu* with each other in all respects.

A wide range of Covered Bonds may be issued under the Programme. A number of these Covered Bonds may have features which contain particular risks for prospective investors. Set out below is a description of the most common such features.

Covered Bonds subject to optional redemption by the Issuer

An optional redemption feature of Covered Bonds is likely to limit their market value. During any period when the Issuer may elect to redeem Covered Bonds, the market value of such Covered Bonds generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer will redeem Covered Bonds when it appears that the Borrower is about to redeem the corresponding Borrower Advance(s) and the Borrower may be expected to redeem such corresponding Borrower Advance(s) when the general cost of borrowing of the Borrower is lower than the interest rate on such Borrower Advance(s). At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Covered Bonds being redeemed and may only be able to do so at a significantly lower rate. Prospective investors should consider reinvestment risk in light of other investments available at that time.

Fixed Rate Covered Bonds

Investment in Covered Bonds which bear interest at a fixed rate involves the risk that subsequent changes in market interest rates may adversely affect the value of the relevant Tranche of Covered Bonds.

Floating Rate Covered Bonds

Investment in Covered Bonds which bear interest at a floating rate comprises (i) a reference rate and (ii) a margin to be added or subtracted, as the case may be, from such base rate. Typically, the relevant margin will not change throughout the life of the Covered Bonds but there will be a periodic adjustment (as specified in the relevant Final Terms) of the reference rate (e.g., every three months or six months) which itself will change in accordance with general market conditions. Accordingly, the market value of floating rate Covered Bonds may be volatile if changes, particularly short term changes, to market interest rates evidenced by the relevant reference rate can only be reflected in the interest rate of these Covered Bonds upon the next periodic adjustment of the relevant reference rate.

Index Linked Interest Covered Bonds and Dual Currency Covered Bonds

Subject to prior Rating Affirmation, the Issuer may issue Covered Bonds with principal or interest determined by reference to an index or formula, movements in currency exchange rates or other factors (each, a "**Relevant Factor**"). In addition, the Issuer may issue Covered Bonds with principal or interest payable in one (1) or more currencies which may be different from the currency in which the Bonds are denominated. Prospective investors should be aware that:

- (a) the market price of such Covered Bonds may be volatile;
- (b) they may receive no interest;
- (c) payment of principal or interest may occur at a different time or in a different currency than expected;

- (d) the amount of principal payable at redemption may be less than the nominal amount of such Covered Bonds or even zero (0);
- (e) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (f) if a Relevant Factor is applied to Covered Bonds in conjunction with a multiplier greater than one (1) or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable likely will be magnified; and
- (g) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

Zero Coupon Covered Bonds

Changes in market interest rates have a substantially stronger impact on the prices of Zero Coupon Covered Bonds than on the prices of ordinary Covered Bonds because the discounted issue prices are substantially below par. If market interest rates increase, Zero Coupon Covered Bonds can suffer higher price losses than other Covered Bonds having the same maturity and credit rating. Due to their leverage effect, Zero Coupon Covered Bonds are a type of investment associated with a particularly high price risk.

Partly Paid Covered Bonds

The Issuer may issue Covered Bonds where the principal amount or redemption price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing some or all of his investment.

Variable Rate Covered Bonds with a multiplier or other leverage factor

Covered Bonds with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

Inverse Floating Rate Covered Bonds

Inverse Floating Rate Covered Bonds have an interest rate equal to a fixed rate minus a rate based upon a reference rate. The market values of such Covered Bonds typically are more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Covered Bonds are more volatile because an increase in the reference rate not only decreases the interest rate of the Covered Bonds, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Covered Bonds.

Fixed/Floating Rate Covered Bonds

Fixed/Floating Rate Covered Bonds may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The Issuer's ability to convert the interest rate will affect the secondary market and the market value of such Covered Bonds since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Covered Bonds may be less favourable than then prevailing spreads on comparable Floating Rate Covered Bonds tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Covered Bonds. If the Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Covered Bonds.

Covered Bonds issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Certain decisions of Bondholders taken at Programme level

Any resolution to direct the Representative to serve an Issuer Enforcement Notice, and any direction to the Representative to take any action as provided under this Base Prospectus must be passed at a single meeting of the Bondholders of a single Series then outstanding and can not be decided upon at a meeting of the Bondholders of all Series. Any resolution to direct the Representative to serve an Issuer Enforcement Notice will be effective for all the Bondholders, including the Bondholders who did not attend and vote at the relevant meeting and the Bondholders who voted in a manner contrary.

Rating of the Covered Bonds and Rating Affirmation

The rating assigned to the Covered Bonds by the Rating Agency is based on the *Privilège*, the Collateral Security, the Home Loans and Home Loan Security, the Cash Collateral and the other relevant structural and credit enhancement features provided for under the Programme Documents, including, among other things, the short-term and/or long-term unsecured, unguaranteed and unsubordinated debt rating of the parties to the Programme Documents, and reflects only the views of the Rating Agency. The rating addresses the likelihood of full and timely receipt by any of the relevant Bondholders of interest on the Covered Bonds and the likelihood of receipt by any of the relevant Bondholders of principal of the Covered Bonds by the relevant Final Maturity Date. There is no assurance that any such rating will continue for any period of time or that it will not be reviewed, revised, suspended or withdrawn entirely by the Rating Agency as a result of changes in or unavailability of information or if, in the judgement of the Rating Agency, circumstances so warrant.

A qualification, downgrade or withdrawal of the rating mentioned above may impact upon both the value of the Covered Bonds or their marketability in secondary market transactions.

The Rating Agency will be notified of the exercise of certain discretions exercised by or on behalf of the Issuer under the Programme Documents. However, the Rating Agency is under no obligation to revert to the Issuer (or any of its agents) regarding the impact of the exercise of such discretion on the rating of the Covered Bonds and any decision as to whether or not to confirm, downgrade, withdraw or qualify the rating of all classes or any class of Covered Bonds based on such notification may be made at the sole discretion of the Rating Agency at any time, including after the relevant action has been taken.

Where, after the Programme Date, a particular matter such as that referred to in the preceding paragraph or any other matter involves the Rating Agency being requested a prior Rating Affirmation, the Rating Agency, at its sole discretion, may or may not give such affirmation. It should be noted that, depending on the timing of delivery of the request and any information needed to be provided as part of any such request, it may be the case that the Rating Agency cannot provide the relevant affirmation in the time available or at all and it will not be held responsible for the consequences thereof. Any affirmation received from the Rating Agency, if given, will be given on the basis of the facts and circumstances prevailing at the relevant time and in the context of cumulative changes to the transaction of which the Covered Bonds form part since the Programme Date. Furthermore, in the event that the Rating Agency gives a Rating Affirmation, this will be on the basis of full and timely receipt by the relevant Bondholders of interest on the Covered Bonds and the likelihood of receipt of principal of the Covered Bonds by the relevant Final Maturity Date. There is no assurance that after any such affirmation, the then current rating of the Covered Bonds will continue for any period of time or that it will not be reviewed, revised, suspended or withdrawn entirely by the Rating Agency for any of the reasons specified above in relation to the original rating of the Covered Bonds. As such an affirmation of the rating of the Covered Bonds by the Rating Agency is not a representation or warranty that, as a result of a particular matter, the interest and principal due under the Covered Bonds will be paid or repaid in full and when due.

Agencies other than the Rating Agency could seek to rate the Covered Bonds and if such unsolicited rating are lower than the comparable rating assigned to the Covered Bonds by the Rating Agency, those unsolicited rating could have an adverse effect on the value and the marketability of the Covered Bonds. For the avoidance of doubt and unless the context otherwise requires, any references to "ratings" or "rating" in this Base Prospectus are to rating assigned by the specified Rating Agency only.

Implementation of Basel II Risk-Weighted Asset Framework

In June 1999, the Basel Committee on Banking Supervision (the "**Basel Committee**") issued proposals for the reform of the 1988 Basel Capital Accord and proposed a new capital adequacy framework which would place enhanced emphasis on risk sensitivity and market discipline. On 26 June 2004, the Basel Committee published a new Capital Accord under the title "Basel II International Convergence of Capital Measurement and Capital Standards: a Revised Framework" ("**Basel II**"), an updated version of which was published in November 2005. Basel II has been implemented into the EU legislation through the directives no. 2006/48

and no. 2006/49 (the "**Capital Requirements Directives**") both dated 14 June 2006. In France, the provisions of the Capital Requirements Directives providing for a new solvency ratio have been implemented through the *arrêtés* dated 20 February 2007 and the *ordonnance* no. 2007-571 dated 19 April 2007 relating to the credit institutions, the investment firms and *sociétés de crédit foncier*. Please note also that the *arrêté* dated 25 August 2010 transposing the Capital Requirements Directives, which has entered into effect on 31 December 2010, has amended the French prudential control requirements applicable to credit institutions and investment firms.

This implementation has brought about many substantial changes to the current system of capital requirements, prudential oversight and risk-management systems, including those of the Issuer. The direction and the magnitude of the impact of Basel II obviously depend on the particular asset structure of each bank and its precise impact on the Issuer cannot be quantified with certainty at this time. The Issuer may operate its business in ways that may be less profitable than its present operation in complying with the new guidelines resulting from the transposition of the Capital Requirements Directives.

In addition, the implementation of Basel II could affect the risk weighing of the Covered Bonds in respect of certain investors if those investors are subject to the new guidelines resulting from the implementation of the Capital Requirements Directives. Accordingly, recipients of this Base Prospectus should consult their own advisers as to the consequences and effects the implementation of the Capital Requirements Directives could have on them.

Forecasts and estimates

Estimates of the weighted average lives of the Covered Bonds contained in this Base Prospectus, together with any other projections, forecasts and estimates in this Base Prospectus are forward-looking statements. Such projections are speculative in nature and it can be expected that some or all of the assumptions underlying the projections will not prove to be wholly correct or will vary from actual results. Consequently, the actual results might differ from the projections and such differences might be significant.

Risks related to the market generally

Market value of the Covered Bonds

The market value of the Covered Bonds will be affected by the creditworthiness of the Issuer and a number of additional factors, including the value of the reference assets or an index, including, but not limited to, the volatility of the reference assets or an index, or the dividend on the securities taken up in the index, market interest and yield rates and the time remaining to the maturity date.

The secondary market generally

Covered Bonds may have no established trading market when issued, and one may never develop. If a market does develop, it may not be liquid. Therefore, investors may not be able to sell their Covered Bonds easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Covered Bonds that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Covered Bonds generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have an adverse effect on the market value of Covered Bonds.

In addition, Bondholders should be aware of the prevailing and widely reported global credit market conditions (which continue at the date of this Base Prospectus), whereby there is a general lack of liquidity in the secondary market for instruments similar to the Covered Bonds. Such lack of liquidity may result in investors suffering losses on the Covered Bonds in secondary resales even if there is no decline in the credit strength of the Issuer or the performance of the Collateral Security Assets. The Issuer cannot predict when these circumstances will change and if and when they do whether there will be a more liquid market for the Covered Bonds and instruments similar to the Covered Bonds at that time.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Covered Bonds in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the

Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Covered Bonds, (2) the Investor's Currency-equivalent value of the principal payable on the Covered Bonds and (3) the Investor's Currency-equivalent market value of the Covered Bonds.

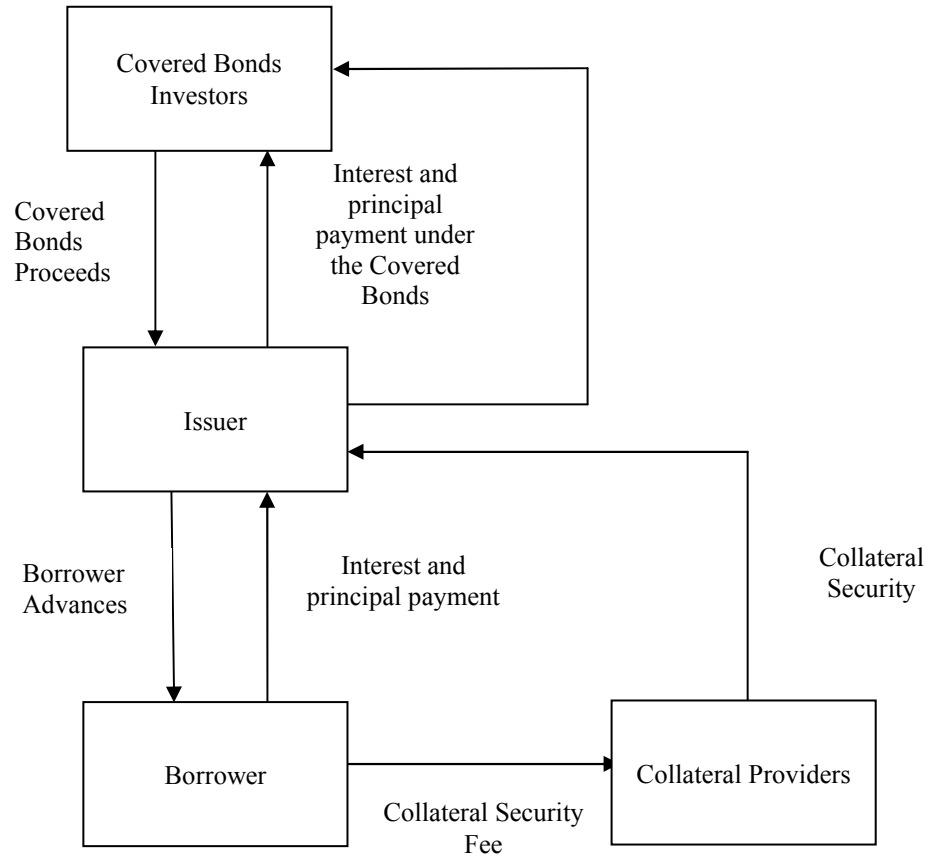

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Covered Bonds involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Covered Bonds.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to investment laws and regulations, or review or regulation by certain authorities. Each prospective investor should consult its legal advisers to determine whether and to what extent (1) Covered Bonds are legal investments for it, (2) Covered Bonds can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Covered Bonds. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Covered Bonds under any applicable risk-based capital or similar rules.

SUPPLEMENT TO THE BASE PROSPECTUS

In connection with Covered Bonds admitted to trading on a Regulated Market, unless the Issuer does not intend to issue Covered Bonds under the Programme for the time being, if at any time during the duration of the Programme there is a significant change affecting any matter contained in this base prospectus (the "**Base Prospectus**"), including any modification of the terms and conditions or generally any significant new factor, material mistake or inaccuracy relating to information included in this Base Prospectus which is capable of affecting the assessment of any Covered Bonds, which inclusion would reasonably be required by investors, and would reasonably be expected by them to be found in this Base Prospectus for the purpose of making an informed assessment of the assets and liabilities, financial position, profits and losses and prospects of the Issuer and the rights attaching to the Covered Bonds, the Issuer shall prepare a supplement to the Base Prospectus in accordance with Article 16 of the Prospectus Directive or publish a replacement Base Prospectus for use in connection with any subsequent offering of the Covered Bonds, submit such supplement to the Base Prospectus to the *Commission de Surveillance du Secteur Financier* in Luxembourg for approval and supply each Dealer, the Luxembourg Stock Exchange and the *Commission de Surveillance du Secteur Financier* in Luxembourg with such number of copies of such supplement to the Base Prospectus as may reasonably be requested.

TERMS AND CONDITIONS OF THE FRENCH LAW COVERED BONDS

*The following is the text of the terms and conditions (the "**Conditions**") that, as completed, supplemented, amended or varied in accordance with the provisions of the relevant Final Terms, shall be applicable to the French law Covered Bonds. The terms and conditions applicable to the German law Covered Bonds are contained in the Agency Agreement (as defined below)*

In this section, "Covered Bonds" will include French law Covered Bonds only. In the case of Dematerialised Covered Bonds, the text of the terms and conditions will not be endorsed on physical documents of title but will be constituted by the following text as supplemented by the relevant Final Terms. In the case of Materialised Covered Bonds, either (i) the full text of these terms and conditions together with the relevant provisions of the Final Terms (and subject to simplification by the deletion of non-applicable provisions) or (ii) these terms and conditions as so supplemented shall be endorsed on Definitive Materialised Covered Bonds.

Words and expressions defined in the Agency Agreement, or defined or used in the applicable Final Terms shall have the same meanings when used in these Conditions unless the context otherwise requires or unless otherwise stated provided that, in the event of inconsistency between the Agency Agreement and the applicable Final Terms, the applicable Final Terms will prevail. References in the Conditions to "Covered Bonds" are to the Covered Bonds of one (1) Series only and not to all Covered Bonds that may be issued under the Programme.

The Covered Bonds are issued outside France by Crédit Mutuel Arkéa Home Loans SFH (the "**Issuer**"), on a syndicated or non-syndicated basis, in series (each a "**Series**") having one or more issue dates and on terms otherwise identical (or identical save as to the first payment of interest), the Covered Bonds of each Series being intended to be interchangeable with all other Covered Bonds of that Series. Each Series may be issued in tranches (each a "**Tranche**") on the same or different issue dates. The specific terms of each Tranche (including, without limitation, the nominal amount, issue price, redemption price thereof, and interest, if any, payable thereunder and supplemented, where necessary, with supplemental terms and conditions which, save in respect of the issue date, issue price, first payment of interest and nominal amount of the Tranche, will be identical to the terms of other Tranches of the same Series) will be determined by the Issuer and the relevant Dealer(s) at the time of the issue and will be set out in the final terms of such Tranche (the "**Final Terms**").

The Covered Bonds are issued with the benefit of an amended and restated agency agreement dated 9 May 2011 (the "**Agency Agreement**") entered into between the Issuer, BNP Paribas Securities Services as fiscal agent and principal paying agent and the other agents named therein. The fiscal agent, the paying agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the "**Fiscal Agent**", the "**Paying Agents**" (which expression shall include the Fiscal Agent) and the "**Calculation Agent(s)**". BNP Paribas Securities Services and/or any other agent(s) appointed pursuant to the Agency Agreement will not benefit from the *Privilège* for the payment of its fees or any other amounts that might be due to it/them by the Issuer under the Agency Agreement. The holders of the interest coupons (the "**Coupons**") relating to interest bearing Materialised Covered Bonds and, where applicable in the case of such Covered Bonds, talons (the "**Talons**") for further Coupons and the holders of the receipts for the payment of instalments of principal (the "**Receipts**") relating to Materialised Covered Bonds of which the principal is redeemable in instalments are respectively referred to below as the "**Couponholders**" and the "**Receiptholders**".

Copies of the Final Terms applicable to a Series of Covered Bonds may be obtained, upon request, free of charge, from the registered office of the Issuer and the specified offices of the Paying Agents provided that, if such Series of Covered Bonds is neither admitted to trading on a regulated market in the European Economic Area (the "**EEA**") nor offered in the EEA in circumstances where a Base Prospectus is required to be published under Directive 2003/71/EC dated 4 November 2003, as amended by Directive 2010/73/EU of 24 November 2010 (the "**Prospectus Directive**"), the applicable Final Terms will only be obtainable by a Bondholder holding one or more Covered Bonds and such Bondholder must produce evidence satisfactory to the Issuer and/or the Paying Agent as to its holding of such Covered Bonds and identity.

References below to "**Conditions**" are, unless the context requires otherwise, to the numbered paragraphs below.

(A) ISDA Determination for Floating Rate Covered Bonds

Where ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), "**ISDA Rate**" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

(a) the Floating Rate Option is as specified in the relevant Final Terms

- (c) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified in the relevant Final Terms.

For the purposes of this sub-paragraph (A), "**Floating Rate**", "**Calculation Agent**", "**Floating Rate Option**", "**Designated Maturity**", "**Reset Date**" and "**Swap Transaction**" have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Covered Bonds:

Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent at or about the Relevant Time on the Interest Determination Date in respect of such Interest Accrual Period in accordance with the following:

- (1) if the Primary Source for Floating Rate is a Page, subject as provided below, the Rate of Interest shall be:
 - (I) the Relevant Rate (where such Relevant Rate on such Page is a composite quotation or is customarily supplied by one entity); or
 - (II) the arithmetic mean of the Relevant Rates of the persons whose Relevant Rates appear on that Page, in each case appearing on such Page at the Relevant Time on the Interest Determination Date as disclosed in the relevant Final Terms, plus or minus (as indicated in the relevant Final Terms) the Margin (if any); and
- (2) if the Primary Source for the Floating Rate is Reference Banks or if sub-paragraph (1)(I) applies and no Relevant Rate appears on the Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (1)(II) applies and fewer than two (2) Relevant Rates appear on the Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Rate of Interest shall be the arithmetic mean of the Relevant Rates that each of the Reference Banks is quoting to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as determined by the Calculation Agent, plus or minus (as indicated in the relevant Final Terms) the Margin (if any), and
- (3) if paragraph (2) above applies and the Calculation Agent determines that fewer than two Reference Banks are so quoting Relevant Rates, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) that the Calculation Agent determines to be the rates (being the nearest equivalent to the Benchmark) in respect of a Representative Amount of the Specified Currency that at least two out of five leading banks selected by the Calculation Agent in the principal financial centre of the country of the Specified Currency or, if the Specified Currency is Euro, in the Euro Zone as selected by the Calculation Agent (the "**Principal Financial Centre**") are quoting at or about the Relevant Time on the date on which such banks would customarily quote such rates for a period commencing on the Effective Date for a period equivalent to the Specified Duration (I) to leading banks carrying on business in Europe, or (if the Calculation Agent determines that fewer than two of such banks are so quoting to leading banks in Europe) (II) to leading banks carrying on business in the Principal Financial Centre; except that, if fewer than two of such banks are so quoting to leading banks in the Principal Financial Centre, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, Rate Multiplier or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).

- (iv) *Rate of Interest for Index Linked Interest Covered Bonds:* The Rate of Interest in respect of Index Linked Interest Covered Bonds for each Interest Accrual Period shall be determined in the manner specified in the relevant Final Terms and interest will accrue by reference to an Index or Formula as specified in the relevant Final Terms.

(d) Zero Coupon Covered Bonds

Where a Covered Bond the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Final Maturity Date pursuant to an Issuer's Option or, if so specified in the relevant Final Terms, pursuant to Condition 7(e) or otherwise and is not paid when due, the amount due and payable prior to the Final Maturity Date shall, unless otherwise provided in the relevant Final Terms, be the Early Redemption Amount. As from the Final Maturity Date, the Rate of Interest for any overdue principal of such a Covered Bond shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 7(e)(i)).

(e) Dual Currency Covered Bonds

In the case of Dual Currency Covered Bonds, if the rate or amount of interest falls to be determined by reference to a Rate of Exchange or a method of calculating a Rate of Exchange, the rate or amount of interest payable shall be determined in the manner specified in the relevant Final Terms.

(f) Partly Paid Covered Bonds

In the case of Partly Paid Covered Bonds (other than Partly Paid Covered Bonds which are Zero Coupon Covered Bonds), interest will accrue as aforesaid on the paid-up nominal amount of such Covered Bonds and otherwise as specified in the relevant Final Terms.

(g) Accrual of Interest

Interest shall cease to accrue on each Covered Bond on the due date for redemption unless (i) in the case of Dematerialised Covered Bonds, on such due date or (ii) in the case of Materialised Covered Bonds, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgement) at the Rate of Interest in the manner provided in this Condition 6 to the Relevant Date.

(h) Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts and Rounding:

- (i) If any Margin is specified in the relevant Final Terms (either (x) generally, or (y) in relation to one (1) or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (c) above by adding (if a positive number) or subtracting (if a negative number) the absolute value of such Margin, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest fifth decimal (with halves being rounded up), (y) all figures shall be rounded to seven (7) figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes "unit" means the lowest amount of such currency that is available as legal tender in the country of such currency.

(i) Calculations

The amount of interest payable in respect of any Covered Bond for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Covered Bond by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in respect of such period, in which case the amount of interest payable in respect of such Covered Bond for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two (2) or more Interest Accrual Periods, the

amount of interest payable in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Accrual Periods.

(j) Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts and Instalment Amounts

The Calculation Agent shall, as soon as practicable on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Covered Bonds for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the holders of Covered Bonds, any other Calculation Agent appointed in respect of the Covered Bonds that is to make a further calculation upon receipt of such information and, if the Covered Bonds are admitted to trading on a Regulated Market and the rules of such Regulated Market so require, such Regulated Market as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such Regulated Market of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth (4th) Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 6(c)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(k) Calculation Agent and Reference Banks

The Issuer shall procure that there shall at all times be four Reference Banks (or such other number as may be required) with offices in the Relevant Financial Centre and one or more Calculation Agents if provision is made for them in the relevant Final Terms and for so long as any Covered Bond is Outstanding. If any Reference Bank (acting through its relevant office) is unable or unwilling to continue to act as a Reference Bank, then the Issuer shall appoint another Reference Bank with an office in the Relevant Financial Centre to act as such in its place. Where more than one Calculation Agent is appointed in respect of the Covered Bonds, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal Paris or Luxembourg office, as appropriate, or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

7. Redemption, Purchase and Options

(a) Final Redemption

Unless previously redeemed, purchased and cancelled as provided below or its maturity is extended pursuant to any Issuer's or Bondholders' option in accordance with Condition 7(c) or 7(d), each Covered Bond shall be finally redeemed on the Final Maturity Date specified in the relevant Final Terms at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount) or, in the case of a Covered Bond falling within Condition 7(b) below, its final Instalment Amount.

(b) Redemption by Instalments

Unless previously redeemed, purchased and cancelled as provided in this Condition 7, or the relevant Instalment Date (being one of the dates so specified in the relevant Final Terms) is extended pursuant to any Issuer's or Bondholders' option in accordance with Conditions 7(c) or 7(d), each Covered Bond that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified in the relevant Final Terms. The outstanding nominal amount of each such Covered Bond shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Covered Bond, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused (i) in the case of Dematerialised Covered Bonds, on the due date for such payment or (ii) in the case of Materialised Covered Bonds, on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.

(c) Redemption at the Option of the Issuer, Exercise of Issuer's Options and Partial Redemption

If a Call Option or any other Issuer's option (as may be described in the relevant Final Terms) is specified in the relevant Final Terms, the Issuer may, subject to compliance by the Issuer of all the relevant laws, regulations and directives and on giving not less than fifteen (15) nor more than thirty (30) days' irrevocable notice in accordance with Condition 17 to the holders of Covered Bonds (or such other notice period as may be specified in the relevant Final Terms) redeem, or exercise any other option in relation to all or, if so provided, some, of the Covered Bonds on any Optional Redemption Date or Option Exercise Date, as the case may be. Any such redemption of Covered Bonds shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption, if any. Any such redemption must relate to Covered Bonds of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed as specified in the relevant Final Terms and no greater than the Maximum Redemption Amount to be redeemed as specified in the relevant Final Terms.

All Covered Bonds in respect of which any such notice is given shall be redeemed, or the Issuer's Option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's Option in respect of Materialised Covered Bonds, the notice to holders of such Materialised Covered Bonds shall also contain the numbers of the Definitive Materialised Covered Bonds to be redeemed, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and Regulated Market requirements.

In the case of a partial redemption or a partial exercise of an Issuer's Option in respect of Dematerialised Covered Bonds, the redemption may be effected, at the option of the Issuer, either (i) by reducing the nominal amount of all such Dematerialised Covered Bonds in a Series in proportion to the aggregate nominal amount redeemed or (ii) by redeeming in full some only of such Dematerialised Covered Bonds and, in such latter case, the choice between those Dematerialised Covered Bonds that will be fully redeemed and those Dematerialised Covered Bonds of any Series that will not be redeemed shall be made in accordance with Article R.213-16 of the French Monetary and Financial Code (*Code monétaire et financier*) and the provisions of the relevant Final Terms, subject to compliance with any other applicable laws and Regulated Market requirements.

So long as the Covered Bonds are listed on the Official List of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange and the rules thereof so require, the Issuer shall, once in each year in which there has been a partial redemption of the Covered Bonds, cause to be published either on the website of the Luxembourg Stock Exchange (www.bourse.lu) or in a leading newspaper of general circulation in Luxembourg a notice specifying the aggregate nominal amount of Covered Bonds outstanding and, in the case of Materialised Covered Bonds a list of any Materialised Covered Bonds, drawn for redemption but not surrendered.

(d) Redemption at the Option of Bondholders and Exercise of Bondholders' Options

If a Put Option is specified in the relevant Final Terms, the Issuer shall, at the option of the Bondholder, upon the Bondholder giving not less than fifteen (15) nor more than thirty (30) days' notice to the Issuer (or such other notice period as may be specified in the relevant Final Terms) redeem such Covered Bond on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption.

To exercise such option or any other Bondholders' Option as may be set out in the relevant Final Terms (which must be exercised on an Option Exercise Date) the Bondholder must deposit with a Paying Agent at its specified office a duly completed option exercise notice (the "**Exercise Notice**") in the form obtained during normal business hours from any Paying Agent or the Registration Agent, as the case may be, within the notice period. In the case of Materialised Covered Bonds, the Exercise Notice shall have attached to it the relevant Covered Bonds (together with all unmatured Receipts and Coupons and unexchanged Talons). In the case of Dematerialised Covered Bonds, the Bondholder shall transfer, or cause to be transferred, the Dematerialised Covered Bonds to be redeemed to the account of the Paying Agent with a specified office in Paris, as specified in the Exercise Notice. No option so exercised and, where applicable, no Covered Bond so deposited or transferred, may be withdrawn without the prior consent of the Issuer.

(e) Early Redemption

- (B) Subject to the provisions of sub-paragraph (C) below, the amortised nominal amount of any such Covered Bond (the "**Amortised Nominal Amount**") shall be the scheduled Final Redemption Amount of such Covered Bond on the Final Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the amortisation yield (which, if none is shown in the relevant Final Terms, shall be such rate as would produce an Amortised Nominal Amount equal to the issue price of the Covered Bonds if they were discounted back to their issue price on the Issue Date) (the "**Amortisation Yield**") compounded annually.
- (C) If the Early Redemption Amount payable in respect of any such Covered Bond upon its redemption pursuant to Condition 7(f) or (g) or upon it becoming due and payable as provided in Condition 10 is not paid when due, the Early Redemption Amount due and payable in respect of such Covered Bond shall be the Amortised Nominal Amount of such Covered Bond as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Covered Bond becomes due and payable was the Relevant Date. The calculation of the Amortised Nominal Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgement) until the Relevant Date, unless the Relevant Date falls on or after the Final Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Covered Bond on the Final Maturity Date together with any interest that may accrue in accordance with Condition 6(d).

Where such calculation is to be made for a period of less than one (1) year, it shall be made on the basis of the Day Count Fraction as provided in the relevant Final Terms.

(ii) Other Covered Bonds

The Early Redemption Amount payable in respect of any Covered Bond (other than Covered Bonds described in (i) above), upon redemption of such Covered Bond pursuant to Condition (f) or (g) or upon it becoming due and payable as provided in Condition 10 shall be the Final Redemption Amount together with interest accrued to the date fixed for redemption unless otherwise specified in the relevant Final Terms.

(f) Redemption for Taxation Reasons

- (i) If, by reason of any change in French law, or any change in the official application or interpretation of such law, becoming effective after the Issue Date, the Issuer would on the occasion of the next payment of principal or interest due in respect of the Covered Bonds, not be able to make such payment without having to pay additional amounts as specified under Condition 9(b) below, the Issuer may, at its option, on any Interest Payment Date or, if so specified in the relevant Final Terms, at any time, subject to having given not more than forty-five (45) nor less than thirty (30) days' notice to the Bondholders (which notice shall be irrevocable), in accordance with Condition 17, redeem all, but not some only, of the Covered Bonds at their Early Redemption Amount together with, unless otherwise specified in the Final Terms, any interest accrued to the date set for redemption provided that the due date for

redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make payment of principal and interest without withholding for French taxes.

- (ii) If the Issuer would, on the next payment of principal or interest in respect of the Covered Bonds, be prevented by French law from making payment to the Bondholders or, if applicable, Couponholders of the full amounts then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 9(b) below, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall upon giving not less than seven (7) days' prior notice to the Bondholders in accordance with Condition 17, redeem all, but not some only, of the Covered Bonds then Outstanding at their Early Redemption Amount together with, unless otherwise specified in the Final Terms, any interest accrued to the date set for redemption on (A) the latest practicable Interest Payment Date on which the Issuer could make payment of the full amount then due and payable in respect of the Covered Bonds, provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice of Bondholders shall be the later of (i) the latest practicable date on which the Issuer could make payment of the full amount then due and payable in respect of the Covered Bonds and (ii) fourteen (14) days after giving notice to the Fiscal Agent as aforesaid or (B) if so specified in the relevant Final Terms, at any time, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date at which the Issuer could make payment of the full amount payable in respect of the Covered Bonds, or, if applicable, Receipts or Coupons or, if that date is passed, as soon as practicable thereafter.

(g) Redemption due to illegality

The Covered Bonds of all Series shall be redeemed at the option of the Issuer, subject to compliance by the Issuer of all the relevant laws, regulations and directives, in whole, but not in part, at any time, on giving not less than thirty (30) nor more than sixty (60) days' irrevocable notice in accordance with Condition 17 to the holders of Covered Bonds (or such other notice period as may be specified in the relevant Final Terms), if the Issuer satisfies the Fiscal Agent immediately before the giving of such notice that it has, or will, before the next Interest Payment Date of any Covered Bonds of any Series, become unlawful for the Issuer to make, fund or allow to remain outstanding any Borrower Advance made by the Lender to the Borrower or to comply with any other of its obligations under the Covered Bonds of that Series, as a result of any change in, or amendment to, the applicable laws or regulations or any change in the application or official interpretation of such laws or regulations, which change or amendment has become or will become effective before the next such Interest Payment Date.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Fiscal Agent a certificate signed by two (2) representatives of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and the Fiscal Agent shall be entitled to accept the certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on all Bondholders, Receiptholders and Couponholders.

Covered Bonds redeemed pursuant to this Condition 7(g) will be redeemed at their Early Redemption Amount referred to in paragraph 7(e) above together (if appropriate) with interest accrued to the date fixed for redemption, if any.

(h) Partly Paid Covered Bonds

Partly Paid Covered Bonds will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition 7 and the provisions specified in the relevant Final Terms.

(i) Purchases

The Issuer shall have the right at all times to purchase Covered Bonds (provided that, in the case of Materialised Covered Bonds, all unmaturing Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise (including by tender offer) at any price.

(j) Cancellation

All Covered Bonds purchased by or on behalf of the Issuer may at its sole option, be held or cancelled in accordance with applicable laws and regulations.

Covered Bonds will be cancelled, in the case of Dematerialised Covered Bonds, by transfer to an account in accordance with the rules and procedures of Euroclear France and, in the case of Materialised Covered Bonds, by surrendering the relevant Temporary Global Certificate or the Definitive Materialised Covered Bonds in question, together with all unmatured Receipts and Coupons and all unexchanged Talons, if applicable, to the Fiscal Agent and, in each case, if so transferred or surrendered, shall, together with all Covered Bonds redeemed by the Issuer, be cancelled forthwith (together with, in the case of Dematerialised Covered Bonds, all rights relating to payment of interest and other amounts relating to such Dematerialised Covered Bonds and, in the case of Definitive Materialised Covered Bonds, all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Covered Bonds so cancelled or, where applicable, transferred or surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Covered Bonds shall be discharged.

(k) Soft bullet maturity

Covered Bonds may have hard bullet maturities or soft bullet maturities (allowing the Final Maturity Date of the relevant Series to be extended), as specified in the Final Terms of the relevant Series. With respect to Series of Covered Bonds having a soft bullet maturity, an extended Final Maturity Date (the "**Extended Final Maturity Date**") shall be specified as applying in relation to such Series in the applicable Final Terms. This means that if the Issuer fails to pay the Final Redemption Amount of the relevant Series on the Final Maturity Date, then payment of the unpaid amount shall be automatically deferred and shall become due and payable one (1) or several year(s) later on the Extended Final Maturity Date (the "**Extension of the Maturity**"). However, any amount representing the Final Redemption Amount due and remaining unpaid on the Final Maturity Date may be paid by the Issuer on any Interest Payment Date thereafter, up to (and including) the relevant Extended Final Maturity Date. Interest will continue to accrue on any unpaid amount during such extended period and be payable on each Interest Payment Date and on the Extended Final Maturity Date in accordance with the applicable Conditions.

The Issuer shall notify the relevant Bondholders (in accordance with Condition 17), the Rating Agency, the Administrator and the Fiscal Agent as soon as reasonably practicable and in any event at least two (2) Business Days prior to the Final Maturity Date of any inability of the Issuer to pay the Final Redemption Amount of the relevant Series on the Final Maturity Date.

8. Payments and Talons**(a) Dematerialised Covered Bonds**

Payments of principal and interest in respect of Dematerialised Covered Bonds shall (i) in the case of Dematerialised Covered Bonds in bearer dematerialised form or administered registered form, be made by transfer to the account denominated in the relevant currency of the relevant Account Holders for the benefit of the holders of Covered Bonds and, (ii) in the case of Dematerialised Covered Bonds in fully registered form, to an account denominated in the relevant currency with a Bank designated by the relevant holder of Covered Bonds. All payments validly made to such Account Holders or Bank will be an effective discharge of the Issuer in respect of such payments.

(b) Definitive Materialised Covered Bonds**(i) Method of payment**

Subject as provided below, payments in a Specified Currency will be made by credit or transfer to an account denominated in the relevant Specified Currency, or to which the Specified Currency may be credited or transferred (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Euro, shall be any country in the Euro Zone, and, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland, respectively).

(ii) *Presentation and surrender of Definitive Materialised Covered Bonds, Receipts and Coupons*

Payments of principal in respect of Definitive Materialised Covered Bonds will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of partial payment of any sum due, annotation) of such Covered Bonds, and payments of interest in respect of Definitive Materialised Covered Bonds will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Payments of instalments of principal (if any) in respect of Definitive Materialised Covered Bonds, other than the final instalment, will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of the relevant Covered Bond in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the Definitive Materialised Covered Bond to which it appertains. Receipts presented without the Definitive Materialised Covered Bond to which they appertain do not constitute valid obligations of the Issuer.

Upon the date upon which any Definitive Materialised Covered Bond becomes due and payable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment will be made in respect thereof.

Fixed Rate Covered Bonds in definitive form (other than Dual Currency Covered Bonds or Index Linked Interest Covered Bonds) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of ten (10) years after the Relevant Date in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 11) or, if later, five (5) years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Covered Bond in definitive form becoming due and repayable prior to its Final Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Covered Bond, Dual Currency Covered Bond, Index Linked Interest Covered Bond in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof.

If the due date for redemption of any Definitive Materialised Covered Bond is not an Interest Payment Date, interest (if any) accrued in respect of such Covered Bond from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against presentation and surrender (if appropriate) of the relevant Definitive Materialised Covered Bond.

(c) **Payments in the United States**

Notwithstanding the foregoing, if any Materialised Covered Bonds are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Covered Bonds in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such

payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) Payments subject to Fiscal Laws

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives but without prejudice to Condition 9. No commission or expenses shall be charged to the holders of Covered Bonds or Couponholders in respect of such payments.

(e) Appointment of Agents

The Fiscal Agent, the Paying Agents and the Calculation Agent initially appointed by the Issuer and their respective specified offices are listed at the end of this Base Prospectus relating to the Programme of the Covered Bonds of the Issuer. The Fiscal Agent, the Paying Agents and the Registration Agent act solely as agents of the Issuer and the Calculation Agent(s) act(s) as independent experts(s) and, in each case such, do not assume any obligation or relationship of agency for any Bondholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, Registration Agent or Calculation Agent and to appoint other Fiscal Agent, Paying Agent(s), Registration Agent(s) or Calculation Agent(s) or additional Paying Agent(s), Registration Agent(s) or Calculation Agent(s), provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) one or more Calculation Agent(s) where the Conditions so require, (iii) Paying Agents having specified offices in at least one major European city (and ensuring the financial services of the Covered Bonds in Luxembourg so long as the Covered Bonds are listed on the Official List of the Luxembourg Stock Exchange and traded on the Regulated Market of the Luxembourg Stock Exchange and such other city where the Covered Bonds are admitted to trading, so long as the Covered Bonds are admitted to trading on any other Regulated Market of the EEA), (iv) in the case of Materialised Covered Bonds, a Paying Agent having its specified office in a Member State of the EU that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any other EU Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to, such Directive (which may be any of the Paying Agents referred to in (iii) above), (v) in the case of Dematerialised Covered Bonds in fully registered form, a Registration Agent and (vi) such other agents as may be required by the rules of any other Regulated Market on which the Covered Bonds may be admitted to trading.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Materialised Covered Bonds denominated in U.S. dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office shall promptly be given to the holders of Covered Bonds in accordance with Condition 17.

(f) Talons

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Materialised Covered Bond, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 11).

(g) Business Days for Payment

If any date for payment in respect of any Covered Bond, Receipt or Coupon is not a Business Day, the holder shall not be entitled to payment until the next following Business Day unless otherwise specified in the relevant Final Terms, nor to any interest or other sum in respect of such postponed payment. In this paragraph, "**Business Day**" means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised Covered Bonds, on which Euroclear France is open for business or (ii) in the case of Materialised Covered Bonds, on which banks and foreign exchange markets are open for business in the relevant place of presentation, (B) on which banks and foreign exchange markets are open for general business in the city of the Paying Agent's specified office, (C) in such jurisdictions as shall be specified as "**Financial Centre(s)**" in the relevant Final Terms and (D) (i) in the case of a payment in a currency other than Euro, where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or (ii) in the case of a payment in Euro, which is a TARGET Business Day.

(h) Bank

For the purpose of this Condition 8, "**Bank**" means a bank in the principal financial centre of the relevant currency or, in the case of Euro, in a city in which banks have access to the TARGET System.

9. Taxation**(a) Withholding Tax**

All payments of principal, interest and other revenues by or on behalf of the Issuer in respect of the Covered Bonds shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

(b) Additional Amounts

If French law should require that payments of principal or interest in respect of any Covered Bond, Receipt or Coupon be subject to deduction or withholding in respect of any present or future taxes or duties whatsoever, the Issuer will, to the fullest extent then permitted by law, pay such additional amounts as shall result in receipt by the Bondholders or, if applicable, the Receiptholders and the Couponholders, as the case may be, of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable in respect of any Covered Bond, Receipt or Coupon, as the case may be:

- (i) *Other connection:* to, or to a third party on behalf of, a Bondholder, Receiptholder or Couponholder who is liable to such taxes or duties by reason of his having some connection with France other than the mere holding of the Covered Bond, Receipt or Coupon; or
- (ii) *More than thirty (30) days after the Relevant Date:* in the case of Definitive Materialised Covered Bonds, more than thirty (30) days after the Relevant Date except to the extent that the Bondholder, Receiptholder or Couponholder would have been entitled to such additional amounts on presenting it for payment on the thirtieth (30th) such day; or
- (iii) *Payment to individuals:* where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other European Union Directive implementing the conclusions of the ECOFIN Council meeting of 26 and 27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (iv) *Payment by another Paying Agent:* in the case of Definitive Materialised Covered Bonds presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Covered Bond, Receipt or Coupon to another Paying Agent in a Member State of the European Union.

References in these Conditions to (A) "**principal**" shall be deemed to include any premium payable in respect of the Covered Bonds, all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Nominal Amounts and all other amounts in the nature of principal payable pursuant to Condition 7 or any amendment or supplement to it, (B) "**interest**" shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 6 or any amendment or supplement to it and (C) "**principal**" and/or "**interest**" shall be deemed to include any additional amounts that may be payable under this Condition.

Each Bondholder shall be responsible for supplying to the relevant Paying Agent, in a reasonable and timely manner, any information as may be required in order to comply with the identification and reporting obligations imposed on it by the European Council Directive 2003/48/EC or any other European Union Directive implementing the conclusions of the ECOFIN Council Meeting dated 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to such directive.

10. Events of Default

Subject to the legal framework applicable to an SFH, if an Issuer Event of Default occurs in respect of any Series of French law Covered Bonds, the Representative (i) may, at its discretion, or (ii) shall, if so directed by the Majority Bondholders or if such Issuer Event of Default is a Covered Bonds Cross Acceleration Event, upon written notice (an "**Issuer Enforcement Notice**") to the Fiscal Agent and the Issuer (with copy to the Administrator and to the Rating Agency) given before all defaults have been cured, cause the principal amount of all Covered Bonds of such Series to become due and payable (but subject to the relevant Priority Payment Order), together with any accrued interest thereon, as of the date on which such notice for payment is received by the Fiscal Agent.

11. Prescription

Claims against the Issuer for payment in respect of any amount due under the Covered Bonds, Receipts and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within ten (10) years (in the case of principal) or five (5) years (in the case of interest) from the appropriate Relevant Date in respect of them.

12. Representation of Bondholders

Bondholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a *masse* (in each case, the "**Masse**").

The Masse will be governed by the provisions of the French Commercial Code (*Code de commerce*) with the exception of Articles L.228-48, L.228-59, R.228-63, R.228-67, R.228-69 and the second sentence of Article L.228-71, subject to the following provisions:

(a) Legal Personality

The Masse will be a separate legal entity and will act in part through a representative (the "**Representative**") and in part through a general meeting of the holders of Covered Bonds (the "**General Meeting**").

The Masse alone, to the exclusion of all individual holders of Covered Bonds, shall exercise the common rights, actions and benefits which now or in the future may accrue respectively with respect to the Covered Bonds.

(b) Representative

The office of Representative may be conferred on a person of any nationality. However, the following persons may not be chosen as Representatives:

The alternative representative appointed in respect of all Tranches of all Series of Covered Bonds shall be Christian Hochstrasser, domiciled 2 rue du Général de Gaulle, 54870 Cons La Grandville, France.

In the event of death, retirement or revocation of appointment of the Representative, such Representative will be replaced by the alternative representative. In the event of the death, retirement

or revocation of appointment of the alternative representative, an alternative representative will be elected by the General Meeting.

The Issuer shall pay to the Representative an amount of €1,500 (one thousand and five hundred euros) per year so long as any of the Covered Bonds is Outstanding.

All interested parties will at all times have the right to obtain the names and addresses of the Representative and the alternative representative at the head office of the Issuer and the specified offices of any of the Paying Agents.

(c) Powers of Representative

The Representative shall (in the absence of any decision to the contrary of the General Meeting) have the power to take all acts of management necessary in order to defend the common interests of the Bondholders.

All legal proceedings against the Bondholders or initiated by them must be brought by or against the Representative except that, should safeguard procedure (*procédure de sauvegarde*), judicial reorganisation (*redressement judiciaire*) or judicial liquidation (*liquidation judiciaire*) proceedings be commenced against the Issuer, the Specific Controller would file the proof of debt of all creditors (including the holders of the Covered Bonds) of the Issuer benefiting from the *Privilège* pursuant to paragraph 1 of Article L. 515-31 of the French Monetary and Financial Code (*Code monétaire et financier*).

The Representative may not be involved in the management of the affairs of the Issuer.

(d) General Meeting

A General Meeting may be held at any time, on convocation either by the Issuer or by the Representative. One or more Bondholders, holding together at least one-thirtieth (1/30) of the principal amount of the Covered Bonds outstanding, may address to the Issuer and the Representative a demand for convocation of the General Meeting. If such General Meeting has not been convened within two (2) months after such demand, the Bondholders may commission one of their members to petition a competent court in Paris to appoint an agent (*mandataire*) who will call the General Meeting.

Notice of the date, hour, place and agenda of any General Meeting will be published as provided under Condition 17.

Each Bondholder has the right to participate in a General Meeting in person, by correspondence or by proxy. Each Covered Bond carries the right to one (1) vote or, in the case of Covered Bonds issued with more than one (1) Specified Denomination, one (1) vote in respect of each multiple of the lowest Specified Denomination comprised in the principal amount of the Specified Denomination of such Covered Bond.

The rights of each Bondholder to participate in the General meetings must be evidenced by entries in the books of the relevant Account Holder in the name of such Bondholder at midnight Paris time on the third (3rd) Paris Business Day preceding the date set for the relevant General Meeting.

(e) Powers of the General Meetings

The General Meeting is empowered to deliberate on the dismissal and replacement of the Representative and the alternative representative and also may act with respect to any other matter that relates to the common rights, actions and benefits which now or in the future may accrue with respect to the Covered Bonds, including authorising the Representative to act at law as plaintiff or defendant.

The General Meeting may further deliberate on any proposal relating to the modification of the Conditions including any proposal, whether for arbitration or settlement, relating to rights in controversy or which were the subject of judicial decisions, it being specified, however, that the General Meeting may not increase amounts payable by Bondholders, nor establish any unequal treatment between the Bondholders.

General Meetings may deliberate validly on first convocation only if holders of French law Covered Bonds present or represented hold at least a fifth (1/5) of the principal amount of the French law Covered Bonds then outstanding. On second convocation, no quorum shall be required. Decisions at meetings shall be taken by a two-third (2/3) majority of votes cast by holders of French law Covered Bonds attending such General Meetings or represented thereat.

Decisions of General Meetings must be published in accordance with the provisions set forth in Condition 17.

(f) Information to Bondholders

Each Bondholder or Representative thereof will have the right, during the fifteen (15)-day period preceding the holding of each General Meeting, to consult or make a copy of the text of the resolutions which will be proposed and of the reports which will be presented at the General Meeting, all of which will be available for inspection by the relevant Bondholders at the registered office of the Issuer, at the specified offices of any of the Paying Agents and at any other place specified in the notice of the General Meeting.

(g) Expenses

The Issuer will pay all expenses relating to the operation of the Masse, including expenses relating to the calling and holding of General Meetings and, more generally, all administrative expenses resolved upon by the General Meeting, it being expressly stipulated that no expenses may be imputed against interest payable under the Covered Bonds.

(h) Single Masse

The holders of Covered Bonds of the same Series, and the holders of Covered Bonds of any other Series which have been assimilated (*assimilables* for the purpose of French law) with the Covered Bonds of such first mentioned Series in accordance with Condition 16, shall, for the defence of their respective common interests, be grouped in a single Masse. The Representative appointed in respect of the first Tranche or Series of Covered Bonds will be the Representative of the single Masse of all such Series.

In respect of any Tranche of Covered Bonds issued or deemed to be issued outside France, this Condition 12 may, if so specified in the relevant Final Terms, be waived, amended or supplemented, and in respect of any Tranche issued inside France, this Condition 12 shall be waived in its entirety and replaced by the full provisions of the French Commercial Code (Code de commerce).

13. Replacement of Definitive Materialised Covered Bonds, Receipts, Coupons and Talons

If, in the case of any Materialised Covered Bonds, a Definitive Materialised Covered Bond, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and Regulated Market regulations, at the specified office of the Fiscal Agent or such other Paying Agent as may from time to time be designated by the Issuer for this purpose and notice of whose designation is given to Bondholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Definitive Materialised Covered Bond, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Definitive Materialised Covered Bonds, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Materialised Covered Bonds, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

14. Limited recourse, Non petition

Limited Recourse

By subscribing to any Covered Bond, each Bondholder will be automatically deemed to have agreed:

- (a) not to seek recourse under any obligation, covenant or agreement of the Issuer under the Covered Bonds and these Conditions against any shareholder, member of the board of directors (*conseil d'administration*), chief executive officer (*directeur général*), vice chief executive officer (*directeur général délégué*) or agent of the Issuer, by the enforcement of any assessment or by any proceeding, by virtue of any statute or otherwise; it being expressly agreed and understood that any obligation of the Issuer under the Covered Bonds and these Conditions is a corporate obligation of the Issuer, and that no personal liability shall attach to or be incurred by the shareholders, members of the board of directors (*conseil d'administration*), chief executive officers (*directeurs généraux*), vice chief executive officers (*directeurs généraux délégués*) or

agents of the Issuer, as such, or any of them under or by reason of any of the obligations, covenants or agreements of the Issuer contained in these Conditions or implied therefrom and, as a condition of and in consideration for the issuing by the Issuer of any Covered Bond, to waive any and all personal liability of every such shareholder, member of the board of directors (*conseil d'administration*), chief executive officer (*directeur général*), vice chief executive officer (*directeur général délégué*) or agent of the Issuer for breaches by the Issuer of any of its obligations, covenants or agreements under the Covered Bonds and these Conditions;

- (b) to limit its recourse against the Issuer under the Covered Bonds and these Conditions to amounts payable or expressed to be payable to it by the Issuer on, under or in respect of its obligations and liabilities under the Covered Bonds and these Conditions (and, for the avoidance of doubt, to the exclusion of any damage for breach of contract or other penalties not expressed as being payable by the Issuer under the Covered Bonds and these Conditions) and in accordance with the then applicable Priority Payment Order;
- (c) that amounts payable or expressed to be payable by the Issuer on, under or in respect of its obligations and liabilities under the Covered Bonds and/or these Conditions shall be recoverable only from and to the extent of the amount of the Available Funds, as calculated on the relevant Interest Payment Date or (as applicable) on the relevant Final Maturity Date of each relevant Series of Covered Bonds (provided that, in the event that no Available Funds exist at the relevant date, the Issuer shall not be liable to make payment of the aforementioned amounts and provided further that, in the event that the Available Funds at the relevant date are insufficient to pay in full all amounts whatsoever due to it and all other claims ranking *pari passu* to its claims, then its claims against the Issuer shall be satisfied only up to a certain percentage of such Available Funds (as determined in accordance with the then applicable Priority Payment Order) and, after payment of such percentage, the obligations of the Issuer with respect to such amounts owed on the relevant date shall be discharged in full);
- (d) that, in accordance with paragraph 2 of Article L. 515-19 of the French Monetary and Financial Code (*Code monétaire et financier*), in the event of a conciliation (*conciliation*), safeguard (*sauvegarde*), judicial reorganisation (*redressement judiciaire*) or judicial liquidation (*liquidation judiciaire*) of the Issuer, the amounts due by the Issuer from time to time under the *obligations de financement de l'habitat* (including the Covered Bonds) and any other resources or liabilities benefiting from the *Privilège* shall be paid on their contractual due date, and in priority to all other Issuer's debts, whether or not preferred or secured, including interest resulting from agreements whatever their duration. Accordingly, until all creditors benefiting from the *Privilège* have been paid in full, no other creditor of the Issuer may exercise any right over the assets and rights of the Issuer;
- (e) that, in accordance with paragraph 3 of Article L. 515-19 of the French Monetary and Financial Code (*Code monétaire et financier*), the Covered Bonds and the other debt benefiting from the *Privilège* shall not become due and payable as a result of the judicial liquidation (*liquidation judiciaire*) of the Issuer; and
- (f) that, in accordance with Article L. 515-37 of the French Monetary and Financial Code (*Code monétaire et financier*), the provisions of Article L. 632-2 of the French Commercial Code (*Code de commerce*) (*nullités de la période suspecte*) shall not apply to payments made by the Issuer in application of the Programme Documents.

German law Covered Bonds are subject to the particular limited recourse provisions specified in the terms and Conditions of the German law Covered Bonds included in the Agency Agreement.

Non-Petition

By subscribing to any Covered Bond, each Bondholder will also be automatically deemed to have agreed that prior to the date which is eighteen (18) months and one (1) day after the earlier of (i) the Final Maturity Date of the last Series issued by the Issuer under the Programme, or (ii) the date of payment of any sums outstanding and owing under the latest Outstanding Covered Bond:

- (a) it will not take any corporate action or other steps or legal proceedings for the winding-up, dissolution or organisation or for the appointment of a receiver, administrator, administrative receiver, trustee, liquidator, examiner, sequestrator or similar officer, of the Issuer or of any or all of the Issuer's revenues and assets; and
- (b) it will not have any right to take steps for the purpose of obtaining payment of any amounts

payable to it under the Covered Bonds by the Issuer and shall not until such time take any step to recover any debts whatsoever owing to it by the Issuer otherwise than in accordance with, and subject to, the Conditions.

The above undertakings by each relevant Bondholder shall survive the payment of all sums owing under any Covered Bond and/or these Conditions.

German law Covered Bonds are not subject to non-petition provisions.

Despite the fact that the Issuer is almost entirely owned by Crédit Mutuel Arkéa, pursuant to the provisions of Article L. 515-27 of the French Monetary and Financial Code (*Code monétaire et financier*), the safeguard procedure, judicial reorganisation or liquidation (*procédure de sauvegarde, de redressement ou de liquidation judiciaires*) of Crédit Mutuel Arkéa shall not be extended to the Issuer.

15. Priority Payment Orders

As more fully described under section "**Cash Flow**" of this Base Prospectus, any and all sums due by the Issuer under the Programme (including principal and interest under the Covered Bonds) will be paid within the limit of the Available Funds of the Issuer at the time of such payment and according to the relevant Priority Payment Order described under section "**Cash Flow**" of this Base Prospectus. As a consequence, the payment of certain sums will be subordinated to the full payment of other sums. Bondholders are deemed to have notice of the provisions of the section "**Cash Flow**" of this Base Prospectus.

16. Further Issues and Consolidation

(a) Further Issues

Unless otherwise provided in the relevant Final Terms, the Issuer may from time to time without the consent of the Bondholders, Receiptholders or Couponholders create and issue further Covered Bonds to be assimilated (*assimilables* for the purpose of French laws) with the Covered Bonds provided such Covered Bonds and the further Covered Bonds carry rights identical in all respects (or identical in all respects save as to the principal amount thereof and the first payment of interest specified in the relevant Final Terms) and that the terms of such Covered Bonds provide for such assimilation, and references in these Conditions to "**Covered Bonds**" shall be construed accordingly.

(b) Consolidation

Unless otherwise provided in the relevant Final Terms, the Issuer, with the prior approval of the Fiscal Agent (which shall not be unreasonably withheld), may from time to time on any Interest Payment Date occurring on or after the Redenomination Date on giving not less than thirty (30) days' prior notice to the Bondholders in accordance with Condition 17, without the consent of the Bondholders, Receiptholders or Couponholders, consolidate the Covered Bonds of one Series denominated in Euro with the Covered Bonds of one or more other Series issued by it, whether or not originally issued in one of the European national currencies or in Euro, provided such other Covered Bonds have been redenominated in Euro (if not originally denominated in Euro) and which otherwise have, in respect of all periods subsequent to such consolidation, the same terms and conditions as the Covered Bonds.

17. Notices

- (a) Notices to the holders of Dematerialised Covered Bonds in registered form (*au nominatif*) shall be valid if either, (i) they are mailed to them at their respective addresses, in which case they will be deemed to have been given on the fourth (4th) weekday (being a day other than a Saturday or a Sunday) after the mailing, or (ii) at the option of the Issuer, they are published in a leading daily newspaper of general circulation in Europe (which is expected to be the *Financial Times*) or, so long as such Covered Bonds are admitted to trading on any Regulated Market(s), in a leading daily newspaper with general circulation in the city/ies where the Regulated Market(s) on which such Covered Bonds is/are admitted to trading is/are located, which in the case of the Luxembourg Stock Exchange's Regulated Market is expected to be the *Luxemburger Wort*, or (iii) so long as such Covered Bonds are admitted to trading on any Regulated Market and the rules of such Regulated Market so permit, on the website of the Regulated Market where the admission is sought, which in the case of the Luxembourg Stock Exchange is expected to be the website of the Luxembourg Stock Exchange (www.bourse.lu).

- (c) Notices required to be given to the holders of Dematerialised Covered Bonds (whether in registered or in bearer form) (*au nominatif* or *au porteur*) pursuant to these Conditions may be given by delivery of the relevant notice to Euroclear France, Euroclear, Clearstream, Luxembourg and any other clearing system through which the Covered Bonds are for the time being cleared in substitution for the mailing and publication as required by Conditions 17(a) and (b), above; provided that (i) so long as such Covered Bonds are admitted to trading on any Regulated Market(s) and the rules of that Regulated Market so require, notices shall also be published in a leading daily newspaper with general circulation in the city/ies where the Regulated Market(s) on which such Covered Bonds is/are admitted to trading is/are located, which in the case of the Luxembourg Stock Exchange's Regulated Market is expected to be the *Luxemburger Wort*, and (ii) so long as such Covered Bonds are admitted to trading on any Regulated Market and the rules of such Regulated Market so permit, on the website of the Regulated Market where the admission is sought, which in the case of the Luxembourg Stock Exchange is expected to be the website of the Luxembourg Stock Exchange (www.bourse.lu).

18. Governing Law and Jurisdiction

(a) Governing Law

The Covered Bonds, Receipts, Coupons and Talons are governed by, and shall be construed in accordance with, French law.

(b) Jurisdiction

Any claim against the Issuer in connection with any Covered Bonds, Receipts, Coupons or Talons may be brought before any competent courts in Paris.

19. Subscription by the Issuer of Covered Bonds as eligible collateral with the *Banque de France*

Pursuant to Article L. 515-32-1 of the French Monetary and Financial Code (*Code monétaire et financier*), the Issuer as *société de financement de l'habitat* may subscribe to its own Covered Bonds (the "**Auto-held Covered Bonds**") for the sole purpose of granting them as eligible collateral with the *Banque de France* in accordance with the rules of the Eurosystem, provided that the Issuer's liquidity needs cannot be funded otherwise. Such recognition as eligible collateral will depend upon satisfaction of the Eurosystem eligibility criteria as specified by the European Central Bank. The Covered Bonds thus subscribed by the Issuer must meet the following conditions:

- the outstanding principal amount of the Auto-held Covered Bonds does not exceed 10 per cent. of the outstanding principal amount of any liabilities of the Issuer benefiting from the *Privilège* on the subscription date of the Auto-held Covered Bonds by the Issuer;
- the Auto-held Covered Bonds are deprived of the rights provided for under Articles L. 228-46 to L. 228-89 of the French Commercial Code (*Code de commerce*) for so long as they are held by the Issuer;

- the Auto-held Covered Bonds are granted as collateral to the French central bank (*Banque de France*) or they are cancelled within the eight (8) days from their settlement date or from the date they are no more granted as collateral, as applicable; and
- the Auto-held Covered Bonds cannot be subscribed by a third party.

The Specific Controller certifies these conditions are met in a report delivered to the *Autorité de contrôle prudentiel*.

The cancellation of any Auto-held Covered Bond by the Issuer shall be notified by the Administrator to the Rating Agency in accordance with the Administrative Agreement.

USE OF PROCEEDS

For the avoidance of doubt, it is specified that the expression "Covered Bonds" will include German law and French law Covered Bonds, in the following section.

The net proceeds of the issue of Covered Bonds will be used to fund the Borrower Advances that the Issuer (as Lender) will make available to Crédit Mutuel Arkéa (as Borrower) under the Borrower Facility Agreement. Such net proceeds may also fund the purchase by the Issuer in the future of eligible assets other than the Borrower Advances and the Home Loan Receivables. In particular, the Issuer may purchase any such assets in the future with a view to grant such assets as collateral with the *Banque de France* in accordance with the rules of the Eurosystem.

TEMPORARY GLOBAL CERTIFICATES IN RESPECT OF MATERIALIZED COVERED BONDS

The following description is only applicable to French law Covered Bonds.

Temporary Global Certificates

A Temporary Global Certificate without interest coupons (a "**Temporary Global Certificate**") will initially be issued in connection with each Tranche of Materialised Covered Bonds, which will be delivered on or prior to the issue date of the Tranche with a common depositary (the "**Common Depositary**") for Euroclear Bank S.A./N.V. ("**Euroclear**") and for Clearstream Banking, *société anonyme* ("**Clearstream, Luxembourg**"). Upon the delivery of such Temporary Global Certificate with a Common Depositary, Euroclear and Clearstream, Luxembourg will credit each subscriber with a nominal amount of Covered Bonds equal to the nominal amount thereof for which it has subscribed and paid.

The Common Depositary may also credit with a nominal amount of Covered Bonds the accounts of subscribers with (if indicated in the relevant Final Terms) other clearing systems through direct or indirect accounts with Euroclear and Clearstream, Luxembourg held by such other clearing systems. Conversely, a nominal amount of Covered Bonds that is initially deposited with any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream, Luxembourg, or other clearing systems.

Exchange

Each Temporary Global Certificate issued in respect of Materialised Covered Bonds will be exchangeable, free of charge to the holder, on or after its Exchange Date (as defined below):

- (i) if the relevant Final Terms indicates that such Temporary Global Certificate is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable (as to which, see section "**General Description of the Programme-Selling Restrictions**"), in whole, but not in part, for Definitive Materialised Covered Bonds; and
- (ii) otherwise, in whole but not in part, upon certification if required under U.S. Treasury Regulation section 1.163-5(c)(2)(i)(D)(3) as to non-U.S. beneficial ownership for Definitive Materialised Covered Bonds.

Delivery of Definitive Materialised Covered Bonds

On or after its Exchange Date, the holder of a Temporary Global Certificate may surrender such Temporary Global Certificate to, or to the order of, the Fiscal Agent. In exchange for any Temporary Global Certificate, the Issuer will deliver, or procure the delivery of, an equal aggregate nominal amount of duly executed and authenticated Definitive Materialised Covered Bonds. In this Base Prospectus, "**Definitive Materialised Covered Bonds**" means, in relation to any Temporary Global Certificate, the Definitive Materialised Covered Bonds for which such Temporary Global Certificate may be exchanged (if appropriate, having attached to them all Coupons and Receipts in respect of interest or Instalment Amounts that have not already been paid on the Temporary Global Certificate and a Talon). Definitive Materialised Covered Bonds will be security printed in accordance with any applicable legal and stock exchange requirement.

Exchange Date

"Exchange Date" means, in relation to a Temporary Global Certificate in respect of any Materialised Covered Bonds, the day falling after the expiry of forty (40) days after its issue date, provided that in the event any further Materialised Covered Bonds which are to be assimilated with such first mentioned Materialised Covered Bonds are issued prior to such day pursuant to Condition 15(a), the Exchange Date may, at the option of the Issuer, be postponed to the day falling after the expiry of forty (40) days after the issue date of such further Materialised Covered Bonds.

In the case of Materialised Covered Bonds with an initial maturity of more than 365 days (and that are not relying on the TEFRA C Rules), the Temporary Global Certificate shall bear the following legend:

ANY UNITED STATES PERSON (AS DEFINED IN THE U.S. INTERNAL REVENUE CODE OF 1986, AS AMENDED) WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES FEDERAL INCOME TAX LAWS INCLUDING THE LIMITATION PROVIDED IN SECTIONS 165(j) AND 1287 (a) OF THE U.S. INTERNAL REVENUE CODE OF 1986, AS AMENDED.

THE ISSUER

For the avoidance of doubt, it is specified that the expression "Covered Bonds" will include German law and French law Covered Bonds and the expression "Bondholders" includes any holder of such Covered Bonds, in the following section.

General information about the Issuer

The Issuer was incorporated on 3 November 2000, under the name "Eurobretagne VII", as a French limited liability company with a board of directors (*société anonyme à conseil d'administration*). Its term of existence is ninety-nine (99) years from the date of its incorporation. From the date of its incorporation and until 10 October 2008 when it adopted the name "Crédit Mutuel Arkéa Covered Bonds" and the Programme was set up, the Issuer was a dormant entity owned by Crédit Mutuel Arkéa and did not engage in any business activity.

Following the enactment of Law no. 2010-1249 dated 22 October 2010 on banking and financial regulation (the "**SFH Law**") and of Decree no. 2011-205 dated 23 February 2011, establishing the new status of "*société de financement de l'habitat*", and in accordance with the provisions of Article 74 of the SFH Law, the Issuer has opted for the regime of *société de financement de l'habitat*. On 28 March 2011, the Issuer was granted the authorisation to opt for the status of *société de financement de l'habitat* by the *Autorité de contrôle prudentiel*. The name of the Issuer was changed on 20 April 2011 for "Crédit Mutuel Arkéa Home Loan SFH", which is the legal and commercial name of the Issuer. As a consequence, the Issuer is now governed by the SFH legal Framework as described below. See "**– The SFH legal Framework**".

- (f) carry out temporary transfers of securities, pledge a securities account and pledge or transfer all or part of the receivables held by it in accordance with the applicable provisions of the French Monetary and Financial Code (*Code monétaire et financier*). - (g) in order to hedge its interest and currency risks on loans, exposures, *obligations de financement de l'habitat* and other sources of financing benefiting from the *Privilège*, or to manage or hedge the global risk on its assets, liabilities and off balance sheet exposures, use derivative instruments as defined in Article L. 211-1 of the French Monetary and Financial Code (*Code monétaire et financier*). Any amounts payable pursuant to these financial instruments, after applicable netting, benefit from the *Privilège*.

The Issuer may not hold equity participations or other forms of equity interest issued by other companies.

The *sociétés de financement de l'habitat* are not allowed to make any other investments, except investments in securities which are sufficiently secure and liquid to be held as so-called substitution assets, as defined in Article R.515-18 of the French Monetary and Financial Code (*Code monétaire et financier*).

The Issuer is structured as a special purpose entity and, as such, the Issuer's objects and powers will to the extent possible be restricted to those activities necessary to carry out its obligations under the Programme Documents. The Issuer does not have and will not have any employees, nor will it own or lease any premises. The management of its operations is, and will be, entrusted to another credit institution or credit institutions in accordance with the provisions of Article L. 515-22 of the French Monetary and Financial Code (*Code monétaire et financier*). On the Programme Date, the management of the administrative operations of the Issuer is carried out by Crédit Mutuel Arkéa in its capacity as Administrator in accordance with the Administrative Agreement and the risk management of the Issuer is carried out by the relevant departments of Crédit Mutuel Arkéa in accordance with the provisions of the *Convention d'externalisation et de prestations de services* entered into between the Issuer and Crédit Mutuel Arkéa.

The Issuer will undertake pursuant to the Administrative Agreement and its by-laws not to engage in unrelated business activities or incur any material liabilities other than those contemplated in the Programme Documents.

Limitations on indebtedness

Pursuant to the Conditions, the Issuer is restricted from incurring additional indebtedness (other than as contemplated by the Programme Documents) unless:

- (a) such indebtedness is fully subordinated to any amounts (whether privileged or not privileged) incurred in relation to the Covered Bonds; or
- (b) prior Rating Affirmation has been delivered in relation to such indebtedness.

Limited recourse

Each party to any Programme Document will agree:

- (a) not to seek recourse under any obligation, covenant or agreement of the Issuer contained in any Programme Document against any shareholder, member of the board of directors (*conseil d'administration*), chief executive officer (*directeur général*), vice chief executive officer (*directeur général délégué*) or agent of the Issuer, by the enforcement of any assessment or by any proceeding,

by virtue of any statute or otherwise; it being expressly agreed and understood that any obligation of the Issuer under any Programme Document is a corporate obligation of the Issuer, and that no personal liability shall attach to or be incurred by the shareholders, members of the board of directors (*conseil d'administration*), chief executive officers (*directeurs généraux*), vice chief executive officers (*directeurs généraux délégués*) or agents of the Issuer, as such, or any of them under or by reason of any of the obligations, covenants or agreements of the Issuer contained in any Programme Document or implied therefrom and, as a condition of and in consideration for the execution by the Issuer of any Programme Document, to waive any and all personal liability of every such shareholder, member of the board of directors (*conseil d'administration*), chief executive officer (*directeur général*), vice chief executive officer (*directeur général délégué*) or agent of the Issuer for breaches by the Issuer of any of its obligations, covenants or agreements under any Programme Document;

- (b) to limit its recourse against the Issuer under any Programme Document to amounts payable or expressed to be payable to it by the Issuer in respect of its obligations and liabilities under any Programme Document (and, for the avoidance of doubt, to the exclusion of any damage for breach of contract or other penalties not expressed as being payable by the Issuer under any Programme Document) and in accordance with the then applicable Priority Payment Order; and
- (c) that amounts payable or expressed to be payable by the Issuer on, under or in respect of its obligations and liabilities under any Programme Document shall be recoverable only from and to the extent of the amount of the Available Funds, as calculated on the relevant payment date (provided that, in the event that no Available Funds exist at the relevant date, the Issuer shall not be liable to make payment of the aforementioned amounts and provided further that, in the event that the Available Funds at the relevant date are insufficient to pay in full all amounts whatsoever due under any claim of any party under any Programme Document and all other claims ranking *pari passu* to any such claim, then the claim of such party against the Issuer shall be satisfied only up to a certain percentage of such Available Funds (as determined in accordance with the then applicable Priority Payment Order) and, after payment of such percentage, the obligations of the Issuer with respect to any amount owed on the relevant date to such party shall be discharged in full);
- (d) that, in accordance with paragraph 2 of Article L. 515-19 of the French Monetary and Financial Code (*Code monétaire et financier*), in the event of a conciliation (*conciliation*), safeguard (*sauvegarde*), judicial reorganisation (*redressement judiciaire*) or judicial liquidation (*liquidation judiciaire*) of the Issuer, the amounts due by the Issuer from time to time under the *obligations de financement de l'habitat* (including the Covered Bonds) and any other resources or liabilities benefiting from the *Privilège* shall be paid on their contractual due date, and in priority to all other Issuer's debts, whether or not preferred or secured, including interest resulting from agreements whatever their duration. Accordingly, until all creditors benefiting from the *Privilège* have been paid in full, no other creditor of the Issuer may exercise any right over the assets and rights of the Issuer;
- (e) that, in accordance with paragraph 3 of Article L. 515-19 of the French Monetary and Financial Code (*Code monétaire et financier*), the Covered Bonds and the other debt benefiting from the *Privilège* shall not become due and payable as a result of the judicial liquidation (*liquidation judiciaire*) of the Issuer; and

German Law Covered Bonds are subject to the particular limited recourse provisions specified in the terms and Conditions of the German law Covered Bonds included in the Agency Agreement.

Non-petition

Each party to any Programme Document will also agree that prior to the date which is eighteen (18) months and one (1) day after the earlier of (i) the Final Maturity Date of the last Series issued by the Issuer under the Programme, or (ii) the date of payment of any sums outstanding and owing under the latest outstanding Covered Bond:

- (a) it will not take any corporate action or other steps or legal proceedings for the winding-up, dissolution or organisation or for the appointment of a receiver, administrator, administrative receiver, trustee, liquidator, examiner, sequestrator or similar officer, of the Issuer or of any or all of the Issuer's revenues and assets; and
- (b) it will not have any right to take steps for the purpose of obtaining payment of any amounts payable to it under any Programme Document by the Issuer and shall not until such time take any step to recover any debts whatsoever owing to it by the Issuer otherwise than in accordance with, and subject to, the Conditions.

The above undertakings by each relevant party shall survive the termination of any Programme Document and the payment of all sums owing under any such Programme Document.

German Law Covered Bonds are not subject to non-petition provisions.

No risk of Issuer consolidation upon insolvency of Crédit Mutuel Arkéa Group

The Issuer is a ring-fenced, bankruptcy remote entity. Pursuant to the provisions of Article L. 515-27 of the French Monetary and Financial Code (*Code monétaire et financier*), the safeguard procedure, judicial reorganisation or liquidation (*procédure de sauvegarde, de redressement ou de liquidation judiciaires*) of Crédit Mutuel Arkéa will not be extended to the Issuer.

The Privilège (Statutory Priority in Right of Payment)

Obligations de financement de l'habitat are specialized covered bonds products that can only be issued by credit institutions licensed and regulated in France as *sociétés de financement de l'habitat*. *Obligations de financement de l'habitat* benefit from the legal *Privilège* under French law which provides a priority in right of payment over all the assets and revenues of the *société de financement de l'habitat* to the holders of covered bonds and other privileged debt.

The principal and interest of the Covered Bonds will benefit from the *privilège* (statutory priority in right of payment) created by Article L. 515-19 of the French Monetary and Financial Code (the "**Privilège**").

Accordingly, notwithstanding any legal provisions to the contrary (including Livre VI of the French Commercial Code (*Code de Commerce*) on insolvency proceedings), pursuant to Article L. 515-19 of the French Monetary and Financial Code (*Code monétaire et financier*):

Accordingly, until all creditors benefiting from the *Privilège* have been paid in full, no other creditor of the Issuer may exercise any right over the assets and rights of the Issuer; and
- (iii) the judicial liquidation (*liquidation judiciaire*) of the Issuer will not result in the *obligations de financement de l'habitat* (such as the Covered Bonds) and the other debts benefiting from the *Privilège* becoming due and payable.

With respect to the Issuer, the liabilities benefiting from the *Privilège* comprise the Hedging Costs, amounts due under the Covered Bonds, the Hedging Termination Costs, amounts due to the Cash Collateral Provider under the Cash Collateral Agreement and certain amounts of fees and expenses due to the Administrator under the Administrative Agreement.

Subscription by the société de financement de l'habitat of its own obligations de financement de l'habitat as eligible collateral with the Banque de France

Pursuant to Article L. 515-32-1 of the French Monetary and Financial Code (*Code monétaire et financier*), a *société de financement de l'habitat* may subscribe to its own *obligations de financement de l'habitat* for the sole purpose of granting them as eligible collateral with the *Banque de France* in accordance with the rules of the Eurosystem, provided that the liquidity needs of the *société de financement de l'habitat* cannot be funded otherwise. Such recognition as eligible collateral will depend upon satisfaction of the Eurosystem eligibility criteria as specified by the European Central Bank. The *obligations de financement de l'habitat* thus subscribed by the *société de financement de l'habitat* must meet the following conditions:

- their outstanding principal amount does not exceed 10 per cent. of the outstanding principal amount of any liabilities of the *société de financement de l'habitat* benefiting from the *Privilège* on the subscription date of the *obligations de financement de l'habitat* by the *société de financement de l'habitat*;

Issuer risk management

Pursuant to the terms of the Administrative Agreement (see below section "**The Administrative Agreement**") and of the *Convention d'Externalisation et de Mise à Disposition de Moyens*, the risk management of the Issuer is delegated to Crédit Mutuel Arkéa.

Compliance control (contrôle de conformité), ongoing internal control (contrôle interne permanent) and periodic internal control (contrôle interne périodique)

The Issuer has set up ongoing internal and periodic internal control systems, in accordance with the *Règlement 97-02* of the French *Comité de la Réglementation Bancaire et Financière* (the "**Règlement**") relating to the internal control of the credit institutions and investment companies. Ongoing internal and periodic internal control systems take into account the Issuer's legal form as a French limited liability company with a board of directors (*société anonyme à conseil d'administration*) and the fact that the Issuer has no own means.

(a) Compliance control (contrôle de conformité)

The financial steering division (*Direction du Pilotage Financier*) of Crédit Mutuel Arkéa is responsible, under the supervision of the Chairman of the board of directors of the Issuer, for the Issuer's compliance control in accordance with article 11 of the *Règlement*.

The person responsible for the Issuer's compliance control, part of the financial steering division, is functionally linked to the compliance control division.

The person responsible for the Issuer's compliance control reports his conclusions to the Chairman of the board of directors and to the board of directors of the Issuer.

(b) Ongoing internal control (contrôle interne permanent)

The financial steering division of Crédit Mutuel Arkéa is responsible, under the supervision of the Chairman of the board of directors of the Issuer, for the Issuer's ongoing internal control (*contrôle interne permanent*) in accordance with article 7-5 of the *Règlement*.

The person responsible for the Issuer's ongoing internal control, part of the financial steering division, is functionally linked to the ongoing internal control division.

The ongoing internal control implemented on behalf of the Issuer focuses on the distinction between the first and second level of ongoing internal control, in accordance with article 6 a) of the *Règlement*. The Issuer's ongoing internal control is organised along the following principles:

- a. organisation of ongoing internal control covers all risks for all of the Crédit Mutuel Arkéa Group's lines of business irrespective of the legal domain of the activities generating those risks;
- b. the executive body holds final responsibility for compliance with regulatory requirements relating to ongoing internal control. This responsibility is initially spread within the Crédit Mutuel Arkéa Group by legal entity, each entity being responsible for the quality of its own ongoing internal control. It is then assigned to the line of management which is operationally responsible for monitoring the activities entrusted to it.
- c. the Crédit Mutuel Arkéa Group organises the ongoing internal control framework which applies to its subsidiaries.

In practice, within this framework, each operational division adopts and implements procedures and tools designed to exercise the ongoing internal control of its activities. The line of management is then responsible for the ongoing internal control.

In accordance with article 7-1 of the *Règlement*, the units in charge of initiating the transactions are separate from the ones in charge of their validation, settlement and supervision of risks.

(c) Periodic internal control (*contrôle interne périodique*)

In accordance with article 7-5 of the *Règlement*, the chairman of the board of directors of the Issuer is responsible for periodic internal control (*contrôle interne périodique*) of the Issuer's activities. The periodic internal control implemented within the Crédit Mutuel Arkéa Group is supervised by the Group Internal Audit and Periodic Control director. In the event that the Group Internal Audit and Periodic Control director is replaced, the name of his successor will be communicated to the *Autorité de contrôle prudentiel*.

Within the Issuer as well as within the Crédit Mutuel Arkéa Group, the periodic internal control (*contrôle interne périodique*) is entirely and exclusively within the competence of the general inspection and periodic internal control division of the Crédit Mutuel Arkéa. In addition to the periodic internal control of Crédit Mutuel Arkéa, the periodic internal control of every entity of the Crédit Mutuel Arkéa Group has been delegated to this division. The division is hierarchically dependent on the general division of Crédit Mutuel Arkéa and therefore reports to the periodic internal control committee and to the audit committee.

The director of general inspection and periodic control of Crédit Mutuel Arkéa will be the person responsible for periodic internal control as designated to the *Autorité de contrôle prudentiel* for the Issuer.

The periodic internal control will involve a plan worked out every year in accordance with the current planning procedure implemented by the Crédit Mutuel Arkéa Group. The schedule of monitoring missions will be established at least once a year by integrating the monitoring goals of executive and deliberative bodies.

The internal control report referred to in article 42 of the *Règlement* is subject to the review and discussion of the board of directors of the Issuer.

According to the by-laws of the Issuer, the board of directors (*conseil d'administration*) will, at any time, include an independent member (the "**Issuer Independent Representative**"), i.e. a member having no relationship with the Issuer, its shareholders or its management, which may compromise the independence of judgement by such member, as further described and detailed in the by-laws of the Issuer. On the Programme Date, Mr. Jérémy Morvan is the Issuer Independent Representative.

Certain action, determination or appointment by the Issuer or the shareholders of the Issuer (such as specified under the Terms and Conditions and/or any other Programme Documents) may not be taken or made without written confirmation consent of the Issuer Independent Representative (the "**Issuer Independent Representative Consent**"). By way of example, the Programme Documents may not be amended without the prior Issuer Independent Representative Consent (except if any such amendment is expressly permitted or contemplated under the Programme Documents).

They are regulated by the *Haut Conseil du Commissariat aux Comptes* and duly authorised as *Commissaires aux comptes*.

External Supervision and oversight of the Issuer

The Autorité de contrôle prudentiel

As a credit institution (*établissement de crédit*) and a *société de financement de l'habitat*, the Issuer is supervised by the *Autorité de contrôle prudentiel*, an independent supervisory and control authority of banking and insurance activities in France, integrated within the framework of the *Banque de France*. The *Autorité de contrôle prudentiel* is notably composed of the Governor of the *Banque de France* and various experts chosen for their expertise in banking and financial matters and is responsible for monitoring observance of the laws and regulations applicable to credit institutions as well as the soundness of their financial position.

The Issuer is subject to off-site monitoring and on-site inspections by the *Autorité de contrôle prudentiel*. Off-site monitoring by the *Autorité de contrôle prudentiel* consists of the examination of the Issuer's prudential and accounting records as well as regular contacts with the Issuer's board of directors and statutory auditors. The Issuer is required to submit to the *Autorité de contrôle prudentiel* an annual report on internal control procedures and the assessment and supervision of risk procedures and bi-annual reports setting forth its Overcollateralisation Ratio (pursuant to its status as a *société de financement de l'habitat*). In addition, statutory auditors are required to advise the *Autorité de contrôle prudentiel* of any fact or decision that may constitute a breach of existing regulations and that is likely to have a significant effect on the financial situation, the profits or the asset composition of the Issuer or cause the statutory auditors to issue a qualified or adverse opinion.

Through on-site inspections, the *Autorité de contrôle prudentiel* ascertains that the information disclosed by the Issuer accurately reflects its financial condition. The *Autorité de contrôle prudentiel* may decide to make a recommendation, issue an injunction or institute disciplinary proceedings if it determines that the Issuer has contravened a law or regulation relating to its activity as a *société de financement de l'habitat*.

The Specific Controllers

The Issuer has appointed, in accordance with Article L. 515-30 of the French Monetary and Financial Code a Specific Controller (*Contrôleur spécifique*) and a Substitute Specific Controller (*Contrôleur Spécifique Suppléant*), who are selected from the official list of auditors and are appointed by the board of directors of the Issuer with the approval of the *Autorité de contrôle prudentiel*.

The Specific Controller ensures that the Issuer complies with the SFH legal Framework (in particular, verifying the quality and the eligibility of the assets and the Overcollateralisation Ratio). He also monitors the balance between the Issuer's assets and liabilities in terms of rates and maturity (cash flow adequacy) and notifies the board of directors (*conseil d'administration*), the managing director (*directeur général*) of the Issuer and the *Autorité de contrôle prudentiel* if he considers such balance to be unsatisfactory.

The Specific Controller carries out various audits in cooperation with the Issuer's statutory auditors and is completely independent of the Issuer. In particular, the Specific Controller must control the valuation procedures of the real estate properties securing the Home Loan Receivables that are granted as Collateral Security.

For the performance of its duties, the Specific Controller has access to all information from management, internal control data, and internal audit data. The Specific Controller is entitled to undertake, at any time, any necessary control of the Issuer that it deems appropriate and to review the Issuer's books and records. In addition, the Specific Controller is entitled to request information from third parties who have entered into transactions on behalf of the Issuer. It may request copies of relevant agreements and documents from any credit institution entrusted with the management or the recovery of loans, bonds or other sources of financing of the Issuer pursuant to Article L. 515-22 of the French Monetary and Financial Code (*Code monétaire et financier*) and copies of the home loan agreements, mortgage registration certificates and any other documents relating to the Home Loan Receivables that are granted as Collateral Security it may consider relevant in order to carry out its duties.

The Specific Controller certifies, on a quarterly basis, compliance with legal and regulatory standards concerning the Overcollateralisation Ratio in connection with the issuance program of the Issuer and for any issue of resources of more than €500 million which benefit from the *Privilège*. Additionally, the Specific Controller certifies that documents the Issuer sends to the *Autorité de contrôle prudentiel* meet legal and regulatory requirements. The Specific Controller submits an annual report on its activity to the board of directors of the Issuer, and a copy is forwarded to the *Autorité de contrôle prudentiel*.

The *Autorité de contrôle prudentiel* can require information relating to the activity and the financial situation of the Issuer from the Specific Controller. The Specific Controller is required to disclose to the *Autorité de contrôle prudentiel* any decision taken by the *société de financement de l'habitat* or its parent company, which constitute a violation of legal provisions and affect its financial situation, the continuity of the company or the certification of accounts. The Specific Controller is also required to advise the *Autorité de contrôle prudentiel* of any fact or decision that could jeopardize the situation of the *société de financement de l'habitat* as a going concern.

The Specific Controller cannot conduct any activities that could undermine its independence and take, receive or retain any interest in the Issuer or Crédit Mutuel Arkéa. The Specific Controller is prevented from providing services exceeding the scope of its control to the Issuer or to Crédit Mutuel Arkéa.

The Specific Controller is liable for any error or negligence committed in the exercise of its functions.

Managers may be sanctioned if the Specific Controller is not appointed, not invited to attend shareholders' meetings, prevented from conducting its control or not provided with useful documents that he has requested.

The Specific Controller attends all meetings of the shareholders of the Issuer and, on his request, may be heard by the board of directors (*conseil d'administration*) of the Issuer.

The Specific Controller and the Substitute Controller of the Issuer are:

Administrator's duties regarding the refinancing of the Transferred Assets

After title to the Home Loan Receivables granted as Collateral Security and the related Home Loan Security has been transferred to the Issuer upon enforcement of the Collateral Security (the "**Transferred Assets**"), the Administrator will organise the sale or refinancing by the Issuer of such Home Loan Receivables and related Home Loan Security in order for the Issuer to receive sufficient Available Funds to make payments when due under the relevant Series of Covered Bonds (after taking into account all payments to be made in priority thereto according to the relevant Priority Payment Order and the relevant payment dates and Final Maturity Date under each relevant Series of Covered Bonds).

The Administrator shall ensure that Transferred Assets which are proposed for sale or refinancing by the Issuer (the "**Selected Assets**") at any relevant date (the "**SARA Relevant Date**") will be selected on a random basis, provided that (i) no more Selected Assets will be selected than are necessary for the estimated sale or refinancing proceeds to equal the Adjusted Required Redemption Amount, and (ii) the aggregate outstanding principal amount or value (and interest accrued thereon) of such Selected Assets shall not exceed the "Selected Assets Required Amount (SARA)", which is calculated as follows:

$$\text{SARA} = \text{Adjusted Required Redemption Amount} * A/B$$

where:

"Adjusted Required Redemption Amount" means an amount equal to the Euro equivalent of the outstanding principal amount of the first Series of Covered Bonds maturing after the SARA Relevant Date (together with accrued interest thereon), less amounts standing to the credit of the Issuer Accounts (excluding all amounts to be applied on the first Payment Date following the SARA Relevant Date to repay higher ranking amounts in the relevant Priority Payment Order and those amounts that are required to repay any Series of Covered Bonds which mature prior to or on the same date as the relevant Series of Covered Bonds);

"A" means the Euro equivalent of the aggregate of the outstanding principal amount or value (together with interest accrued thereon) of all the Transferred Assets; and

"B" means the Euro equivalent of the outstanding principal amount (together with Interest Amount accrued thereon) in respect of all Series of Covered Bonds then outstanding.

The Administrator will ensure that the Selected Assets offered for sale by the Issuer to potential buyers are sold for the best price reasonably available but in any event for an amount not less than the Adjusted Required Redemption Amount.

If the Selected Assets have not been sold or refinanced (in whole or in part) in an amount equal to the Adjusted Required Redemption Amount by the date which is six (6) months prior to the Final Maturity Date of the Series of Covered Bonds maturing after the SARA Relevant Date (after taking into account all payments, provisions and credits to be made in priority thereto), then the Administrator will (i) organise the offer for sale of the Selected Assets by the Issuer for the best price reasonably available, or (ii) seek a refinancing of the Selected Assets by the Issuer on the best terms reasonably available, even if the price obtained in this case for the Selected Assets is less than the Adjusted Required Redemption Amount.

For the purpose hereof, the Administrator may through a tender process select a portfolio manager of recognised standing which shall be appointed by the Issuer to advise it in relation to the sale or refinancing of the Transferred Assets. This portfolio manager can be appointed by the Issuer on terms intended to incite the portfolio manager to achieve the best price for the sale or refinancing of the Transferred Assets (if such terms are commercially available in the market).

In respect of any sale or refinancing of the Selected Assets, the Administrator shall use all reasonable endeavours to procure that the same are sold as quickly as reasonably practicable (in accordance, as the case may be, with the recommendations of the portfolio manager) taking into account the market conditions at that time.

Substitution and Agency

The Administrator may not assign its rights and obligations under the Administrative Agreement but will have the right to be assisted by, to appoint or to substitute for itself any third party in the performance of certain or all its tasks under the Administrative Agreement provided that:

- (a) the Administrator remains liable to the Issuer for the proper performance of those tasks and, with respect to the Issuer only, the relevant third party has expressly waived any right to any contractual claim against the Issuer; and
- (b) the relevant third party has undertaken to comply with all obligations binding upon the Administrator under the Administrative Agreement.

Remuneration

In consideration of the services provided by the Administrator to the Issuer under the Administrative Agreement, the Issuer will pay to the Administrator a remuneration determined subject to, and in accordance with, the provisions of the Administrative Agreement.

The Administrator will benefit from the *Privilège* for the payment of that portion of its fees or the other amounts that might be owed to it by the Issuer under the Administrative Agreement which corresponds to the management and servicing of the assets and liabilities of the Issuer in accordance with Article L. 515-22 of the French Monetary and Financial Code (*Code monétaire et financier*).

Representations, warranties and undertakings

The Administrator has made the customary representations and warranties and undertakings to the Issuer, the representations and warranties being given on the execution date of the Administrative Agreement and continuing until the Service Termination Date.

Indemnities

Pursuant to the Administrative Agreement, the Administrator undertakes to hold harmless and fully and effectively indemnify the Issuer against all actions, proceedings, demands, damages, costs, expenses (including legal fees), claims, losses, prejudice or other liability, which the Issuer may sustain or incur as a consequence of the occurrence of any default by the Administrator in its performance of any of its obligations under the Administrative Agreement.

Resignation of the Administrator

The Administrator will not resign from the duties and obligations imposed on it as Administrator pursuant to the Administrative Agreement, except:

- (a) upon a determination that the performance of its duties under the Administrative Agreement will no longer be permissible under applicable law; and

Administrator's Defaults

- (d) at any time it is or becomes unlawful for the Administrator to perform or comply with any or all of its material obligations under the Administrative Agreement or any or all of its material obligations under the Administrative Agreement are not, or cease to be, legal, valid and binding.

Administrator Rating Trigger Event

If an Administrator Rating Trigger Event occurs, the Administrator will notify the Issuer in writing of the occurrence of the Administrator Rating Trigger Event within five (5) Business Days from the date upon which it becomes aware of such event and this will constitute an Administrator Termination Event under the Administrative Agreement.

For such purposes, "**Administrator Rating Trigger Event**" means the event in which the long-term senior unsecured, unsubordinated and unguaranteed debt obligations of the Administrator become rated below BBB by S&P.

provided that failure to comply with the provisions of paragraph (a) or paragraph (b) above (each, a "**Remedy to an Issuer Accounts Bank Rating Trigger Event**") within the relevant sixty (60) Business Days-period shall constitute an Issuer Accounts Bank Termination Event within the meaning of the Issuer Accounts Agreement.

For the purpose of the above, "Issuer Accounts Bank Rating Trigger Event" means the event in which the short-term senior unsecured, unsubordinated and unguaranteed debt obligations of the then appointed Issuer Accounts Bank become rated below A-1 by S&P.

The same provisions will apply each time an Issuer Accounts Bank Rating Trigger Event occurs in relation to any substitute financial institution appointed in replacement of an Issuer Accounts Bank.

Without prejudice to the other terms of the Issuer Accounts Bank Agreement, the Issuer Accounts Bank Agreement shall terminate:

- (a) on its term as defined above;
- (b) if earlier than its term as defined above, if the Issuer and any Substitute Issuer Accounts Bank replacing (i) Crédit Mutuel Arkéa as Issuer Accounts Bank or (ii) a previous Issuer Accounts Bank having replaced Crédit Mutuel Arkéa as Issuer Accounts Bank agree in writing to cease to be bound by the Issuer Accounts Bank Agreement and execute another agreement for the performance of the services contemplated by the Issuer Accounts Agreement; or
- (c) if earlier than its term as defined above and upon failure to replace the Issuer Accounts Bank (i) the last day of the sixty (60) Business Days period starting on the date of resignation of the Issuer Accounts Bank, or (ii) the last day of the forty (40) Business Days period starting on the date a Notice of Termination is delivered to the Issuer Accounts Bank.

The termination of the Issuer Accounts Agreement in accordance with its terms shall trigger the termination of the appointment of Crédit Mutuel Arkéa as Issuer Accounts Bank thereunder on the relevant

The Borrower Facility Agreement

Background

The proceeds from the issuance of the Covered Bonds under the Programme will be used by Crédit Mutuel Arkéa Home Loans SFH, as lender (in such capacity, the "**Lender**") to fund advances to be made available to Crédit Mutuel Arkéa, as borrower (in such capacity, the "**Borrower**") under a multicurrency term facility agreement (the "**Borrower Facility**").

The Lender and the Borrower have agreed to enter into a credit facility agreement (the "**Borrower Facility Agreement**") in order to determine the terms and conditions according to which the Lender shall grant the Borrower with advances under the Borrower Facility (each, a "**Borrower Advance**").

The Borrower Facility

The Borrower Facility shall be made available to the Borrower in an aggregate maximum amount equal to €10,000,000,000 (the "**Borrower Facility Commitment**") for the purpose of financing the general financial needs of the Borrower, including with respect to advances to be made available to the Collateral Providers, as contemplated in the Collateral Security Agreement and in accordance with the usual practice of Crédit Mutuel Arkéa Group.

Pursuant to the Borrower Facility Agreement, the Borrower shall send to the Administrator (with a copy to the Issuer) a duly completed drawdown request (a "**Drawdown Request**") in respect of the Borrower Advance to be made available under the Borrower Facility. Upon receipt of a Drawdown Request by the Administrator (with copy to the Lender), the Lender, together with the Administrator, shall elaborate (i) corresponding Final Terms of the Covered Bonds to be issued to fund such Drawdown Request, and (ii) final terms of Borrower Advance ("**Final Terms of Borrower Advance**") reflecting the terms and conditions of such corresponding Final Terms of the Covered Bonds.

The Borrower may (i) accept the terms and conditions of the Final Terms of Borrower Advance proposed by the Administrator and the Lender, in which case such Final Terms of Borrower Advance shall be definitive between the Borrower and the Lender and a Borrower Advance shall be made available according to such Final Terms of Borrower Advance, or (ii) refuse the terms and conditions of such Final Terms of Borrower Advance, in which case such Final Terms of Borrower Advance and the relevant Drawdown Request shall be considered as null and void between the Borrower and the Lender.

Principal and interest amounts

The terms and conditions regarding the calculation and the payment of principal and interest under a Borrower Advance shall mirror the equivalent terms and conditions of the corresponding Final Terms of Covered Bonds, it being provided that, as a principle, the interest to be paid by the Borrower under a Borrower Advance shall be the financing costs of the Lender under the Covered Bonds funding such Borrower Advance increased by a margin fixed by the Issuer and agreed by the Borrower (the "**Issuer Margin**"). The Issuer Margin aims at covering, in particular, all the costs and expenses related to the structuring and the updating of the Programme, all the costs and expenses related to the issuance of Covered Bonds and taxes of the Issuer during the Programme.

By way of exception to the foregoing, the terms and conditions regarding the calculation and the payment of principal under a Borrower Advance financed by Series of Covered Bonds having a soft bullet maturity shall not mirror the potential Extension of the Maturity of such Covered Bonds.

The terms and conditions regarding the calculation and the payment of principal and interest under a Borrower Advance shall be further described hereunder and in the relevant Final Terms of Borrower Advance. Any amounts repaid or prepaid under any Borrower Advance may not be re-borrowed.

Representations, warranties and undertakings

The Borrower has made customary representations and warranties and undertakings to the Lender, the representations and warranties being given on the execution date of the Borrower Facility Agreement and continuing until all sums due by the Borrower under the Borrower Facility Agreement shall have been repaid in full.

Main other terms

The Borrower Facility Agreement also provides for:

- (a) (i) customary tax gross-up provisions relating to payments to be made by the Borrower to the relevant Finance Parties under the Borrower Facility Agreement and (ii) corresponding tax gross-up provision relating to payments to be made by the Issuer pursuant to Condition 9(b) of the Covered Bonds;
- (b) customary tax indemnity provisions relating to any payment to be made by the relevant Finance Parties on account of tax on or in relation to any sum received or receivable under the Borrower Facility Agreement by the Finance Parties from the Borrower or any liability in respect of any such payment being asserted, imposed, levied or assessed against the Finance Parties;
- (c) customary "increased costs" provisions;
- (d) general financial information covenants and other customary covenants of the Borrower.

- (b) a Breach of Pre-Maturity Test occurs;
- (c) a Breach of Asset Cover Test occurs;

- (f) the Borrower fails to comply with any of its material obligations under the Borrower Facility Agreement unless such breach is capable of remedy and is remedied within sixty (60) Business Days after the Administrator or the Issuer has given notice thereof to the Borrower or (if sooner) the Borrower has knowledge of the same, provided that the Issuer, at its discretion, certifies that it is prejudicial to the interests of the holders of the relevant Covered Bonds;

THE COLLATERAL SECURITY

For the avoidance of doubt, it is specified that the expression "Covered Bonds" will include German law and French law Covered Bonds and the expression "Bondholders" includes any holder of such Covered Bonds, in the following section.

The Collateral Security Agreement

Background

The Collateral Security Agreement refers to the agreement dated on the Signing Date and made between (i) the Issuer, in its capacity as Lender, (ii) collateral providers (the "**Collateral Providers**") and (iii) Crédit Mutuel Arkéa, in its respective capacity as Borrower, Collateral Provider, Collateral Security Agent, Administrator and Issuer Calculation Agent (the "**Collateral Security Agreement**").

Secured Liabilities

The Collateral Security Agreement sets forth the terms and conditions in accordance with which the Collateral Providers, represented by the Collateral Providers Agent, shall grant financial assets (the "**Eligible Assets**") as collateral security (*remise en garantie financière à titre de sûreté*) pursuant to Articles L. 211-36 to L. 211-40 of the French Monetary and Financial Code (*Code monétaire et financier*) (the "**Collateral Security**") in order to secure, as they become due and payable, the payments of all and any amounts owed by the Borrower under the Borrower Facility Agreement, whether present or future (the "**Secured Liabilities**") provided that for the purposes of Articles L. 211-36 and following of the French Monetary and Financial Code (*Code monétaire et financier*), each Collateral Provider agrees to be jointly and severally liable (*débiteur solidaire*) with the Borrower for the Secured Liabilities which constitute financial obligations (*obligations financières*) of the Borrower under the Borrower Facility Agreement within the meaning of Articles L.211-36 and following of the French Monetary and Financial Code (*Code monétaire et financier*).

The title to the Eligible Assets granted as Collateral Security shall not be transferred in favour of the Issuer until perfection of the Collateral Security. The Issuer shall be vested in the title to such Eligible Assets only upon enforcement of the Collateral Security, if any such enforcement occurs in accordance with the terms of the Collateral Security Agreement.

Collateral Providers on or about the Signing Date

On or about the Signing Date, the Collateral Providers, duly represented by the Collateral Security Agent, have entered into the Collateral Security Agreement. Under the Collateral Security Agreement, each of these Collateral Providers has represented and warranted for the benefit of the Issuer that it complies with the Collateral Provider Eligibility Criteria (as defined below).

Accession of Collateral Providers after the Signing Date

At any time after the Signing Date but prior to the occurrence of any Borrower Event of Default or any Issuer Event of Default, and subject to the procedure described in the Collateral Security Agreement, any entity may access to the Collateral Security Agreement as Collateral Provider provided that:

- (a) it complies, upon its accession to the Collateral Security Agreement, with the Collateral Provider Eligibility Criteria (as defined below); and
 - (b) it is not already a Collateral Provider at such time,
- (individually the "**Applicant**" and collectively the "**Applicants**").

The Collateral Providers Agent (acting in its own name and on its own behalf) shall notify in writing the Administrator, the Lender, the Issuer, the Issuer Calculation Agent (together with the Collateral Providers Agent, the "**Finance Parties**") of any request made by any Applicant (or by any of its representatives) to accede as Collateral Provider to the Collateral Security Agreement and shall indicate the date for such accession.

Upon its accession to the Collateral Security Agreement and in accordance with, but subject to, the relevant terms and conditions of the Collateral Security Agreement, each acceding Collateral Provider shall have the same rights and obligations as those of the other Collateral Providers.

Withdrawal of Collateral Providers

At any time after the Signing Date but prior to the occurrence of any Borrower Event of Default or any Issuer Event of Default, any Collateral Provider (except Crédit Mutuel Arkéa) may withdraw from the Collateral Security Agreement, provided that such withdrawal does not and is not likely to cause the occurrence of any Borrower Event of Default (including the occurrence of a Breach of Asset Cover Test). As further described in the Collateral Security Agreement, such withdrawal shall be subject to the following conditions precedent:

- (a) the issuance by the Collateral Security Agent (acting in the name and on behalf of the relevant Collateral Provider(s)) of a withdrawal letter (a "**Withdrawal Letter**");
- (b) the notification by each of the Issuer, the Administrator, the Issuer Calculation Agent and the Collateral Security Agent to the relevant withdrawing Collateral Provider(s) (or to any of its representatives) indicating its acceptance of the withdrawal of such Collateral Provider, by way of signature of the relevant Withdrawal Letter, it being provided that the Collateral Security Agent shall execute such Withdrawal Letter in its own name and on its own behalf but also in the name and on behalf of each of the relevant Collateral Provider(s);
- (c) the confirmation by the Issuer Calculation Agent that such withdrawal does not and is not likely to cause the occurrence of any Borrower Event of Default; and
- (d) on the basis of the information available on the preceding Selection Date, the Issuer Calculation Agent shall have controlled and certified in writing to the Issuer that the Home Loan Receivables granted as Collateral Security by the withdrawing Collateral Provider(s) have been properly identified and that the withdrawal of such Collateral Provider(s), the subsequent release of Home Loan Receivables granted as Collateral Security by it/them, shall not result in a Non-Compliance with Asset Cover Test. For such purpose, provided that the aggregate Home Loan Outstanding Principal Amount of the Home Loan Receivables granted as Collateral Security by the withdrawing Collateral Provider(s) exceeds 1% (one per cent.) of the aggregate Home Loan Outstanding Principal Amount of the Home Loan Receivables granted as Collateral Security by any and all Collateral Provider(s), the Issuer Calculation Agent shall recalculate the Weighted Average Frequency of Foreclosure ("**WAFF**"), the Weighted Average Loss Severity ("**WALS**") and the Asset Percentage that would be applicable following the release of the Home Loan Receivables granted by such withdrawing Collateral Provider(s) as Collateral Security.

For such purpose, "**Home Loan Outstanding Principal Amount**" means, with respect to each relevant Home Loan, the amount of principal outstanding at the relevant date under such relevant Home Loan.

Upon its withdrawal from the Collateral Security Agreement and pursuant to the relevant terms and conditions of the Collateral Security Agreement, each withdrawn Collateral Provider shall have no rights or obligations under the Collateral Security Agreement and the Home Loan Receivables granted as Collateral Security by such withdrawn Collateral Provider shall be automatically released without any further formality.

At all times after the Signing Date, the Collateral Security Agent shall keep an updated list of the Collateral Providers, containing sufficient details of such Collateral Providers and taking into account any accession or withdrawal made pursuant to the Collateral Security Agreement and any other material events affecting the legal and financial situation of the Collateral Providers (and in particular the compliance with the Collateral Provider Eligibility Criteria). Such list shall be communicated by the Collateral Security Agent to the Issuer, the Administrator and/or the Issuer Calculation Agent, promptly upon their request.

For the purposes of the Collateral Security Agreement, each Collateral Provider granting Collateral Security shall, at the end of the current calendar month, comply with all the following cumulative Collateral Provider Eligibility Criteria (the "**Collateral Provider Eligibility Criteria**"):

 - 3) conflict, in any material respect, with any agreement or document to which it is a party or by which it is bound nor will breach any obligation under any negative pledge or cause any limitation of such entity to be exceeded;
 - (h) the relevant entity is able to meet its payment obligations with its current assets and is not in a position of cessation of payment (*cessation des paiements*), nor is there any basis for any third party to request the opening of insolvency or similar proceedings against such entity.

Collateral Security Agent

In accordance with the Collateral Security Agreement, each Collateral Provider (other than Crédit Mutuel Arkéa) has appointed Crédit Mutuel Arkéa as its agent (*mandataire*) under and in connection with the Collateral Security Agreement and in particular in order to manage the Collateral Security in the name and on behalf of the Collateral Providers (the "**Collateral Security Agent**").

Resignation of the Collateral Security Agent

The Collateral Security Agent will not resign from the duties and obligations imposed on it as Collateral Security Agent pursuant to the Collateral Security Agreement, except upon a determination that the performance of its duties under the Collateral Security Agreement shall no longer be permissible under the applicable law, such determination to be evidenced by the delivery to the Issuer of an external counsel's opinion to such effect. Such resignation shall be effective upon replacement of the Collateral Security Agent.

Collateral Security Agent's Defaults

Collateral Security Agent's Defaults will occur upon *inter alia* the occurrence of any of the following events:

- (a) any material representation or warranty made by the Collateral Security Agent is incorrect or misleading in any material respect when made, and the same is not remedied (if capable of remedy) within sixty (60) Business Days after the Issuer has given notice thereof to the Collateral Security Agent or (if sooner) the Collateral Security Agent has knowledge of the same, provided that the Issuer, at its discretion, certifies that it is prejudicial to the interests of the holders of the relevant Covered Bonds;
- (b) the Collateral Security Agent fails to comply with any of its material obligations under the Collateral Security Agreement unless such breach is capable of remedy and is remedied within sixty (60) Business Days after the Issuer has given notice thereof to the Collateral Security Agent or (if sooner) the Collateral Security Agent has knowledge of the same, provided that the Issuer, at its discretion, certifies that it is prejudicial to the interests of the holders of the relevant Covered Bonds;
- (c) an Insolvency Event occurs in respect of the Collateral Security Agent; or
- (d) at any time it is or becomes unlawful for the Collateral Security Agent to perform or comply with any or all of its material obligations under the Collateral Security Agreement or any or all of its material obligations under the Collateral Security Agreement are not, or cease to be, legal, valid and binding.

Upon the occurrence of a Collateral Providers Agent's Event of Default, the Collateral Providers Agent shall notify the Issuer of such occurrence promptly after becoming aware of it.

Collateral Security Agent Rating Trigger Event

If a Collateral Security Agent Rating Trigger Event occurs, the Collateral Security Agent will notify the Issuer in writing of the occurrence of the Collateral Security Agent Rating Trigger Event within five (5) Business Days from the date upon which it becomes aware of such event and this will constitute a Collateral Security Agent Termination Event.

For such purposes, "**Collateral Security Agent Rating Trigger Event**" means the event in which the long-term senior unsecured, unsubordinated and unguaranteed debt obligations of the Collateral Security Agent become rated below BBB by S&P.

Termination

"**Collateral Providers Agent Termination Events**" under the Collateral Security Agreement will include the following events:

Upon receipt by the Collateral Security Agent of the Notice of Termination, the appointment of the Collateral Security Agent will terminate with effect:

- not earlier than twenty (20) Business Days as from the receipt by the Collateral Security Agent of the Notice of Termination or at any other date that the Issuer may have specified in the Notice of Termination, if such Notice of Termination is served due to any other reason.

and save for any continuing obligations of the Collateral Security Agent contained in the Collateral Security Agreement.

Upon the resignation of the Collateral Providers Agent or termination of its appointment as Collateral Providers Agent hereunder in accordance with the terms of the Collateral Security Agreement, the Collateral Providers shall replace Crédit Agricole Arkéa, as Collateral Providers Agent, by any legal entity (the "**Substitute Collateral Providers Agent**"), the choice of which being subject to prior Rating Affirmation.

Notwithstanding its resignation or the termination of its appointment in accordance with the terms of the Collateral Security Agreement and notwithstanding any other provision of the Collateral Security Agreement, the duties of the Collateral Providers Agent under the Collateral Security Agreement shall continue and the Collateral Providers Agent shall continue to be bound by all its obligations hereunder until the earlier of (i) its replacement as Collateral Providers Agent and (ii) the termination of its appointment in accordance with the terms of the Collateral Security Agreement (each, a "**Service Termination Date**").

If it is confirmed that a relevant Home Loan ceases to comply with any of the above Home Loan Eligibility Criteria (each, an "**Ineligible Home Loan**"), any Home Loan Receivables granted as Collateral Security under such Ineligible Home Loan shall account for zero for the purpose of calculation of the Asset Cover Test on the relevant Asset Cover Test Date (see "**Asset Monitoring – Asset Cover Test**"). In addition, the Collateral Security Agent, acting in the name and on behalf of the relevant Collateral Provider(s), may request that such Ineligible Home Loan be released from the scope of the Collateral Security.

The Home Loan Eligibility Criteria may be amended from time to time subject to prior Rating Affirmation.

Collateral Security Assets

Eligible Assets shall be validly granted as Collateral Security and shall qualify as "**Collateral Security Assets**" for the purposes of the Collateral Security Agreement only upon satisfaction of numerous conditions precedents, including in particular that the same shall have been duly identified in accordance with the following identification requirements (the "**Identification Requirements**").

With respect to Home Loan Receivables granted as Collateral Security by the Crédit Mutuel Arkéa Group's Entities, the Identification Requirements will consist in the creation, in the Crédit Mutuel Arkéa Group's data management system (the "**Infocentre**"), of a dedicated file identifying the Home Loan Receivables. Such file will be created and managed by the Collateral Security Agent, duly appointed by the relevant Collateral Providers for such purposes, and will ensure that each such Home Loan Receivables be identified in the Infocentre held and operated by the Collateral Security Agent and shall list all and any Collateral Security Assets. In addition, at the first Selection Date and each time the list of Collateral Security Assets granted by a Collateral Provider is modified and without any undue delay upon such modification, the Collateral Security Agent shall provide such Collateral Provider with an updated list identifying the Collateral Security Assets granted by such Collateral Provider and each Collateral Provider shall be committed to keep such list available for the Issuer and/or any of its appointed agent.

Under the Collateral Security Agreement, each Collateral Provider (except Crédit Mutuel Arkéa) has acknowledged that, in accordance with the provisions of the Collateral Security Agreement, it may have to grant up to one hundred per cent. (100%) of its Eligible Assets to be part of the Collateral Security, should the need arise.

Under the Collateral Security Agreement, each Collateral Provider has acknowledged that:

- (a) Crédit Mutuel Arkéa may, but shall not be committed, to grant Eligible Assets as Collateral Security;
- (b) Crédit Mutuel Arkéa shall determine alone the amount of Eligible Assets it may grant as Collateral Security, and notify the Collateral Security Agent with the same;
- (c) BPE may decide, at any time but subject to a sixty (60) Business Days prior notice to the Collateral Security Agent, not to grant additional Eligible Assets as Collateral Security under the Collateral Security Agreement.

Creation and Perfection

The Collateral Security shall be created in accordance with Articles L.211-36 II and L.211-38 to L.211-40 of the French Monetary and Financial Code (*Code monétaire et financier*). The Collateral Security shall not entail any transfer of title with respect to the relevant Eligible Assets until enforcement.

The Collateral Security shall be perfected pursuant to paragraphs I and II, 1°) and II, 2°) of Article L.211-38 of the French Monetary and Financial Code (*Code monétaire et financier*).

The perfection of each security shall not be conditional upon any formality other than the identification of the assets subject to the Collateral Security.

Asset Monitoring and Asset Cover Test

The Collateral Security Agent, acting in the name and on behalf of the Collateral Providers, shall monitor the Collateral Security Assets so as to at all times comply with the Asset Cover Test and the Minimum Legal Overcollateralisation Ratio (as further described in "**Asset Monitoring – The Asset Cover Test**").

In particular, the Collateral Security Agent, acting in the name and on behalf of the Collateral Providers, may at any time add, substitute or release Collateral Security Assets (including Home Loan Receivables arising from Ineligible Home Loans) from the scope of the Collateral Security. However, any such addition, substitution and/or release shall be effective only subject to confirmation by the Issuer Calculation Agent that a Non-Compliance with Asset Cover Test would not occur as a result of such addition, substitution and/or release. For such purpose, the Issuer Calculation Agent shall recalculate the Asset Percentage (as defined in "**Asset Monitoring – The Asset Cover Test**") that would be applicable following such addition, substitution and/or release each time any such addition, substitution or release is requested by the Collateral Security Agent.

Upon non-compliance with the Asset Cover Test on any applicable test date, the Collateral Security Agent, acting in the name and on behalf of the Collateral Providers, shall cure such non-compliance by:

- (a) causing the Collateral Providers to grant additional or substitute Eligible Assets as Collateral Security pursuant to the relevant terms of the Collateral Security Agreement; and/or
- (b) causing the Collateral Providers to release Collateral Security Assets from the Collateral Security pursuant to the relevant terms of the Collateral Security Agreement.

A failure to cure a non-compliance with the Asset Cover Test which has occurred on any Asset Cover Test Date prior to the next following Asset Cover Test Date shall constitute a "**Breach of Asset Cover Test**" under the Collateral Security Agreement. Any Breach of Asset Cover Test shall be deemed the occurrence of a Borrower Event of Default under the Borrower Facility Agreement.

Asset Servicing

The Collateral Providers shall perform the servicing of the Collateral Security Assets in accordance with applicable laws and the applicable Servicing Procedures, using the degree of skill, care and attention as for the servicing of their assets for their own account, without interfering with the Issuer's material rights under the Collateral Security Agreement.

The Collateral Providers Agent, acting in the name and on behalf of the Collateral Providers, shall provide each Finance Party (with a copy to the Rating Agency and the Asset Monitor) with:

- (a) on a date comprised between the 15th Business Day and the last Business Day (both included) of each calendar month (the "**Asset Report Date**"), an asset report (the "**Asset Report**") up-to-date on the last day of the calendar month immediately preceding the month within which the Asset Report Date occurs;
- (b) on each Selection Date, an Asset Report up-to-date on the last day of the calendar month immediately preceding such Selection Date, but including only the relevant data and information with respect to the Collateral Security Assets to be granted as Collateral Security on such Selection Date;
- (c) promptly upon the request of any Finance Party while a Borrower Event of Default has occurred, an Asset Report up-to-date on the date which shall have been specified in such request; and
- (d) at any time and in order to control compliance under the Collateral Security Agreement or for any auditing purposes, such additional information as any Finance Party may reasonably require with reasonable prior notice (except upon the occurrence of a Borrower Event of Default in which case such notice is not required) in connection with any Asset Report or the Collateral Security Assets.

The Collateral Providers shall furthermore, in accordance with the Servicing Procedures, establish, maintain or cause to be maintained and furthermore administer at all times accurate, complete and up-to-date records with respect to the Collateral Security Assets.

For the purpose of satisfying itself as to whether the Collateral Security Assets remain Eligible Assets or control Asset Reports, each Finance Party (or any agent acting on its behalf) is granted the access to the Collateral Providers' premises, or to premises where the Asset Records (as defined below) are located, in order to inspect or audit such Asset Records (such right of inspection or audit including taking copies of all or any document or data).

If a Servicing Rating Trigger Event occurs, the Administrator will notify the Issuer in writing of the occurrence of such event and then within 5 Business Days of such occurrence, the Issuer and the Collateral Providers Agent, acting in the name and on behalf of the Collateral Providers, will use reasonable endeavours to appoint a new servicer (whose long-term senior unsecured, unsubordinated and unguaranteed debt obligations (if rated) are rated at least A-2 by S&P), for the servicing of the Collateral Security Assets granted by the Collateral Providers which are affiliated to Crédit Mutuel Arkéa, it being specified that in accordance with, and subject to, the Borrower Facility Agreement, any breach by the Collateral Providers of their material obligations under the Programme Documents (including the Collateral Security Agreement) (if not remedied in accordance with the relevant provisions of the Borrower Facility Agreement) constitutes the occurrence of a Borrower Event of Default.

For such purposes, "**Servicing Rating Trigger Event**" means, with respect to the Borrower, as applicable, the event in which its short-term senior unsecured, unsubordinated and unguaranteed debt obligations become rated below A-2 by S&P.

For the purpose hereof:

"**Asset Records**" means:

- (a) the electronic and manual records, files, internal data, books and all other information (including information stored in information systems) related to the Collateral Security Assets, together with the underlying contracts and other documents evidencing title of the relevant entity to such assets (including, with respect to Home Loans, the related Home Loan Security); and
- (b) the records, files, internal data, computer systems and all other information related to the Collection Accounts and the operation of the same.

"**Collection Accounts**" means any and all bank accounts opened in the name of a Collateral Provider to collect interest and principal paid under the Home Loan Receivables granted as Collateral Security, as specified from time to time to the Issuer Calculation Agent pursuant to the relevant terms of the Collateral Security Agreement.

Collateral Security Fee

On a quarterly basis as from the Closing Date, the Borrower shall pay to the Collateral Security Agent, acting in the name and on behalf of the Collateral Providers (except Crédit Mutuel Arkéa):

- with respect to the Collateral Providers being CM Entities, a remuneration for the commitment of such Collateral Providers to grant assets as Collateral Security under the Collateral Security Agreement and for granting assets as Collateral Security under the Collateral Security Agreement; and
- with respect to BPE, a remuneration for granting assets as Collateral Security under the Collateral Security Agreement,

(the "**Collateral Security Fee**").

For each Collateral Provider (except Crédit Mutuel Arkéa), such Collateral Security Fee shall be calculated as follows:

- the Borrower will estimate the financial costs incurred under the Borrower Debt, should the Collateral Security not be granted by the Collateral Providers and determine the financial cost saved due to the granting of such Collateral Security (the "**Financial Saving**");
- on a quarterly basis as from the Closing Date, the Collateral Security Agent shall calculate:
 - the BPE/Collateral Providers ratio (the "**BPE/Collateral Providers Ratio**"), equal to (i) the total nominal amount of the Home Loans owned by BPE and granted as Collateral Security as of the last Collateral Security Fee Cut-Off Date, divided by (ii) the total nominal amount of the Home Loans owned by any and all Collateral Providers and granted as Collateral Security as of the last Collateral Security Fee Cut-Off Date;
 - the CM Entities/Collateral Providers ratio (the "**CM Entities/Collateral Providers Ratio**"), equal to (i) the total nominal amount of the Home Loans owned by the CM Entities and granted as Collateral Security as of the last Collateral Security Fee Cut-Off Date, divided by (ii) the total nominal amount of the Home Loans owned by any and all Collateral Providers and granted as Collateral Security as of the last Collateral Security Fee Cut-Off Date;

and shall inform the Borrower and the Collateral Providers of the same;

- on a quarterly basis as from the Closing Date, an amount equal to the Financial Saving for the relevant Collateral Security Fee Period multiplied by the applicable BPE/Collateral Providers Ratio shall be paid as Collateral Security Fee to BPE; and
- on a quarterly basis as from the Closing Date, an amount equal to the Financial Saving for the relevant Collateral Security Fee Period multiplied by the applicable CM Entities/Collateral Providers Ratio

shall be distributed as Collateral Security Fee to each Collateral Provider being a CM Entity on the basis of the total nominal amount of the Home Loans owned by such Collateral Provider and which meet the Home Loan Eligibility Criteria as at the last Collateral Security Fee Cut-Off Date.

For such purpose:

- **"Collateral Security Fee Cut-Off Date"** means, with respect to any calculation with respect to the Collateral Security Fee, the Closing Date or, if the Closing Date is older than three (3) months prior to the date on which such calculation is made, any Selection Date indicated by the Collateral Security Agent (acting in the name and on behalf the Collateral Providers) and which is not older than three (3) months prior to the date on which such calculation is made; and
- **"Collateral Security Fee Period"** means, with respect to any date on which the Collateral Security Fee shall be paid, the three (3) calendar months preceding the calendar month of such date.

Representations, warranties and undertakings

The Collateral Security Agent and the Collateral Providers have made customary representations, warranties and undertakings in favour of the Issuer, such representations and warranties being given on the execution date of the Collateral Security Agreement and continuing until satisfaction in full of the Secured Liabilities.

Enforcement

Upon the service by the Issuer (represented by the Issuer Independent Representative or by the Administrator) to the Borrower of a Borrower Enforcement Notice subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement following the occurrence of a Borrower Event of Default, the Issuer (represented by the Issuer Independent Representative or by the Administrator) shall be entitled to exercise any and all rights, actions and privileges with respect to the Collateral Security Assets as granted to a secured creditor in accordance with paragraph II, 3°) of Article L. 211-38 of the French Monetary and Financial Code (*Code monétaire et financier*). In particular, with immediate effect as from the service to the Borrower of a Borrower Enforcement Notice in respect of the Collateral Security Assets:

- (a) the Collateral Providers shall no longer be entitled to service the Collateral Security Assets and shall refrain from taking any action whatsoever in connection with the Collateral Security Asset or *vis à vis* the debtors, except upon the written prior instructions of each of the Issuer or the Administrator or any representative, agent or expert acting on the Issuer's or the Administrator's behalf;
- (b) the Issuer shall be vested in all the rights of title, all discretions, benefits and all other rights of the Collateral Providers with respect to the Collateral Security Assets, related Asset Records and related documents, including, without any formality whatsoever, all rights of title, all discretions, benefits and all other rights in relation to any right, privilege, guarantee or security interest (*droit accessoire, privilège, garantie ou sûreté*) ancillary or, as the case may be, attached to the Collateral Security Assets (and, in particular, any and all relevant Home Loan Security) whatever the value of Collateral Security Assets at the time of enforcement but subject to the repayment claim (*créance de restitution*) of the Collateral Providers against the Issuer; and
- (c) the Administrator acting on behalf of the Issuer or any representative, agent or expert acting on its behalf, shall:
 - take whatever action required in order to perfect, or any other action which it deems necessary for the purpose of perfecting, its rights of title, discretions, privileges, remedies and other rights with respect to the Collateral Security Assets and any related rights, privileges, guarantees and security interest ancillary or attached to the Collateral Security Assets; and/or
 - exercise all its rights, discretions, privileges and remedies under the Collateral Security Assets or any related documents; and/or

For the purpose hereof:

"Asset Contractual Documentation" means, in relation to any Collateral Security Assets all originals or executive or true copies (*copies exécutoires*) of any contract, instrument or other document (such as riders, waivers and amendments) providing for the terms and conditions of, and/or evidencing title and benefit to, such Collateral Security Asset and any right, privilege, guarantee or security interest (*droit accessoire, privilège, garantie ou sûreté*) ancillary or as the case may be attached thereto (and, in particular, any and all relevant Home Loan Security).

Conditions of enforcement

Enforcement of the Collateral Security following delivery of the Borrower Enforcement Notice shall not require the Issuer observing or undertaking, in the exercise of its rights as a secured party under the Collateral Security Agreement, any formality whatsoever (including the necessity to obtain a court order or conduct an auction), any notification requirements (to the Borrower, the Collateral Providers or any other person) nor any other procedures (provided that, in order to direct payments due under the Collateral Security Assets to the Issuer, a notice shall be served by the Administrator to any or all the debtors and all other relevant entities under the Collateral Security Assets, mentioning the new payment instructions to be observed by the same with respect to the payment of sums due under the Collateral Security Assets and/or the related Asset Contractual Documentation).

No right of the Issuer to enforce its rights under the Collateral Security Agreement shall be in any manner affected or limited by any Insolvency Event with respect to the Collateral Providers and/or the Borrower.

Collateral Security Agent's and Collateral Providers' obligations upon enforcement

With immediate effect as from the service to the Borrower of a Borrower Enforcement Notice and upon the instructions of each of the Issuer, the Administrator or any representative or agent acting on its behalf (each, an **"Enforcing Party"**), the Collateral Security Agent and the Collateral Providers shall:

- (a) execute any document, take whatever action and do all such things required in order to perfect, or any other action that the Enforcing Party deems necessary for the purpose of perfecting, the Issuer's rights of title, discretions, privileges, remedies and other rights in relation to any or all Collateral Security Assets and any related rights, privileges, guarantees and security interest ancillary or attached thereto;

Once the Issuer shall have been vested in all rights of title, discretions, benefits and other rights with respect to any Collateral Security Assets following enforcement of the Collateral Security, any principal

and interest payments, distributions, sale or liquidation proceeds and other sums (together, the "**Enforcement Proceeds**") received by the Issuer thereunder shall be held by the Issuer as cash collateral (*gage-espèces*) for the satisfaction in full of the Secured Liabilities.

Subject to the discharge in full of all the Secured Liabilities, the Collateral Security Agent, acting in the name and on behalf of the Collateral Providers, shall have the right to claim against the Issuer for repayment (*créance de restitution*) of the portion of the Enforcement Proceeds received by the Issuer and not applied to the satisfaction of the Secured Liabilities. Such repayment by the Issuer to the Collateral Security Agent, acting in the name and on behalf of the Collateral Providers, shall be made as soon as reasonably practicable following the day upon which all sums due under any and all the Tranches and Series of Covered Bonds shall have been repaid in full.

- (d) to comply with any mandatory requirements of applicable laws and regulations.

The Rating Agency shall be informed in advance of any amendment, modification, alteration of or supplement to the Collateral Security Agreement.

Governing Law – Jurisdiction

The Collateral Security Agreement shall be governed by, and construed in accordance with, French law. The Borrower, the Collateral Provider and the Collateral Providers Agent have agreed for the benefit of the Issuer, the Administrator and the Issuer Calculation Agent to submit any dispute that may arise in connection with the Collateral Security Agreement to the jurisdiction of the competent court of Paris.

The Cash Collateral Agreement

Background

The Cash Collateral Agreement refers to the agreement dated on the Signing Date and made between (i) the Issuer in its capacity as Lender, and (ii) Crédit Mutuel Arkéa in its capacity as Cash Collateral Provider (the "**Cash Collateral Provider**"), Administrator and Issuer Calculation Agent (the "**Cash Collateral Agreement**").

The Cash Collateral Agreement sets forth the terms and conditions upon which the Cash Collateral Provider shall fund certain amounts as cash collateral (*gage espèces*) (each, a "**Cash Collateral**") into the Cash Collateral Account and the Collection Loss Reserve Account.

Creation and Perfection

Any Cash Collateral shall be created upon credit of the corresponding sums into the Cash Collateral Account and the Collection Loss Reserve Account.

The perfection of each Cash Collateral shall not be conditional upon any formality. Each Cash Collateral shall entail the transfer of title in favour of the Issuer with respect to the relevant cash funded into the Cash Collateral Account and the Collection Loss Reserve Account.

The positive balance from time to time outstanding on the Cash Collateral Account and the Collection Loss Reserve Account shall at all times be kept and vested with the Issuer, form part of the Issuer's assets and be applied to the repayment of the Secured Liabilities.

Any such balance at any time standing to the credit of the Cash Collateral Account and the Collection Loss Reserve Account may be invested only in Permitted Investments whose maturity is earlier than the Final Maturity Date of the relevant Series of Covered Bonds (which is not a Series of Soft Bullet Covered Bonds). For the purpose of each Cash Collateral to be created hereunder, the Issuer shall be hereby entitled not to segregate the funds credited to the Cash Collateral Account and the Collection Loss Reserve Account from its other assets.

Pre-Maturity Test and Legal Liquidity Test

The contractual liquidity test of the Issuer (the "**Pre-Maturity Test**") shall be deemed complied with for so long as, in relation to any and each Series of Covered Bonds, (i) no Pre-Maturity Rating Downgrade Event has occurred during any Pre-Maturity Test Period, or (ii) if, to the contrary, a Pre-Maturity Rating Downgrade Event has occurred during any Pre-Maturity Test Period, the Cash Collateral Provider has duly funded the Cash Collateral Account with the relevant Cash Collateral, up to the relevant amount within thirty (30) Business Days from the receipt of the relevant Cash Collateral Funding Notice.

The legal liquidity test of the Issuer (the "**Legal Liquidity Test**") shall be deemed complied with for so long as, in relation to all the Liabilities of the Issuer, (i) no Legal Liquidity Rating Downgrade Event has occurred, or (ii) if, to the contrary, a Legal Liquidity Rating Downgrade Event has occurred, the Cash Collateral Provider (x) has duly funded the Cash Collateral Account with the relevant Cash Collateral, up to the relevant amount following the receipt of the relevant Cash Collateral Funding Notice, and (y) on each day following the initial funding of the Cash Collateral as mentioned above (each, a "**CCRFA Funding Date**"), the Cash Collateral Provider has maintain in the Cash Collateral Account an amount sufficient to ensure that the balance of the Cash Collateral Account shall be at least equal to the CCRFA, as determined pursuant to the Cash Collateral Agreement, computed as of such CCRFA Funding Date.

The Cash Collateral Provider shall be requested to fund the Cash Collateral Account with the relevant Cash Collateral, up to the relevant amount, upon the occurrence of (i) the downgrading, during any Pre-Maturity Test Period (as defined below), of the then applicable rating of the Borrower below the Pre-Maturity Rating Required Level (as defined below) (the "**Pre-Maturity Rating Downgrade Event**"), and (ii) the downgrading at any time of the then applicable rating of the Borrower below the Liquidity Rating Required Level (as defined below) (the "**Legal Liquidity Rating Downgrade Event**"). The occurrence of a Pre-Maturity Rating Downgrade Event and/or a Legal Liquidity Rating Downgrade Event does not constitute the occurrence of a Borrower Event of Default or an Issuer Event of Default.

The pre-maturity credit rating required level with respect to the Borrower for the purposes of the Cash Collateral Agreement is defined as: A-1 (short-term) (S&P) (the "**Pre-Maturity Rating Required Level**").

The liquidity credit rating required level with respect to the Borrower for the purposes of the Cash Collateral Agreement is defined as: A-1 (short-term) (S&P) (the "**Liquidity Rating Required Level**").

Upon the occurrence of a Pre-Maturity Rating Downgrade Event and/or a Legal Liquidity Rating Downgrade Event, the Issuer Calculation Agent shall inform the Cash Collateral Provider of the same within three (3) Business Days from such occurrence by written notice (the "**Cash Collateral Funding Notice**") delivered to the Cash Collateral Provider (with a copy to the Issuer, the Administrator and the Rating Agency).

If a Cash Collateral Funding Notice is received by the Cash Collateral Provider, the Cash Collateral Provider shall fund the Cash Collateral Account up to an amount (the "**Cash Collateral Required Funding Amount (CCRFA)**") calculated by the Issuer Calculation Agent as being equal to:

- (a) in the event of a Pre-Maturity Rating Downgrade Event occurring while no Legal Liquidity Rating Downgrade Event has occurred and is continuing: CCRFA = Pre-Maturity Covered Bond Principal Amount in relation to the relevant Series of Covered Bonds + Pre-Maturity Costs in relation to the relevant Series of Covered Bonds;
- (b) in the event of a Legal Liquidity Rating Downgrade Event occurring while no Pre-Maturity Rating Downgrade Event has occurred and is continuing: CCRFA = Liabilities - Revenues; and
- (c) in the event of both a Pre-Maturity Rating Downgrade Event and a Legal Liquidity Rating Downgrade Event occurring at the same time, the greater of:
 - (i) CCRFA = Pre-Maturity Covered Bond Principal Amount in relation to the relevant Series of Covered Bonds + Pre-Maturity Costs in relation to the relevant Series of Covered Bonds; and
 - (ii) CCRFA = Liabilities - Revenues;

whereby:

"**Pre-Maturity Costs**" means the aggregate amount of fees, costs, expenses, taxes and other ancillary sums (excluding interest and principal amounts) scheduled to be paid by the Issuer on any Series of Covered Bonds within the relevant Pre-Maturity Test Period;

"**Pre-Maturity Covered Bond Principal Amount**" means the aggregate amount of principal of Covered Bonds (in Euro or Euro equivalent with respect to Covered Bonds denominated in a Specified Currency), excluding the aggregate amount of principal of any Series of Soft Bullet Covered Bonds, the Final Maturity Date of which falls during the relevant Pre-Maturity Test Period;

"**Pre-Maturity Test Period**" means with respect to any Series of Covered Bonds (which is not a Series of Soft Bullet Covered Bonds), the period starting from, and excluding, the two hundred and seventieth (270th) calendar day preceding the Final Maturity Date of that Series and ending on, and including, such Final Maturity Date;

"**Liabilities**" means, on any given date, the liabilities that are due by the Issuer to all its creditors within the Legal Liquidity Cover Period starting on, and excluding, such date (including principal and interest due by the Issuer under the then outstanding Covered Bonds);

"**Revenues**" means, on any given date, all the sums that are due to the Issuer by all its debtors within the Legal Liquidity Cover Period starting on, and including, such date (excluding the sums due to the Issuer under the Borrower Facility Agreement, but including the sums due by the relevant debtors under the Collateral Security Assets and the net amount due to the Issuer under the Hedging Agreements);

"Legal Liquidity Cover Period" means a period of one hundred and eighty (180) calendar days as from each CCRFA Funding Date, the first applicable Legal Liquidity Cover Period beginning upon the occurrence of a Legal Liquidity Rating Downgrade Event.

The failure by the Cash Collateral Provider to fund into the Cash Collateral Account the relevant amount within thirty (30) Business Days from the receipt of a Cash Collateral Funding Notice shall constitute a **"Breach of Pre-Maturity Test"**. A Breach of Pre-Maturity Test constitutes the occurrence of a Borrower Event of Default.

The failure by the Cash Collateral Provider to fund any required Cash Collateral following the receipt of a Cash Collateral Funding Notice or maintain the relevant amount in the Cash Collateral Account at any time during any Legal Liquidity Cover Period in accordance with the relevant terms of the Cash Collateral Agreement constitutes a **"Breach of Liquidity Test"**. A Breach of Liquidity Test does not constitute the occurrence of a Borrower Event of Default or an Issuer Event of Default. However, it may trigger the withdrawal of the license of the Issuer as a *société de financement de l'habitat*.

Collection Loss Trigger Events

Upon downgrading of the credit rating of the Borrower below A-1 (short-term) (S&P) (or any other credit rating trigger which may be agreed with the Rating Agency after the Signing Date) (a **"Level 1 Collection Loss Trigger Event"**), within ten (10) Business Days from the occurrence of such Level 1 Collection Loss Trigger Event and as long as no Level 2 Collection Loss Trigger Event (as defined below) has occurred, the Cash Collateral Provider shall be required (i) to pay, to the credit of a bank account to be opened by the Administrator in accordance with the Administrative Agreement within such period in the Issuer's name and in the books of the Issuer Accounts Bank (the **"Collection Loss Reserve Account"**), an amount equal to the collections received by BPE, acting as Collateral Provider under the Home Loan Receivables granted as Collateral Security by BPE during the three (3) calendar months preceding the date of the occurrence of the Level 1 Collection Loss Trigger Event, as such occurrence shall be reported to the Issuer, the Administrator and the Issuer Calculation Agent (with a copy to the Rating Agency) within the above-mentioned ten (10) Business Day-period, and (ii) further, to adjust, on each Selection Date, the amount standing to the credit of this Collection Loss Reserve Account so that it is an amount equal to the sum of collections received by BPE, acting as Collateral Provider under the Home Loans granted as Collateral Security by BPE during the preceding three (3) calendar months preceding the last Business Day of the calendar month immediately preceding such Selection Date, and any such adjustment shall be reported to the Issuer, the Administrative Agent and the Calculation Agent (with a copy to the Rating Agency).

Upon downgrading of the credit rating of Crédit Mutuel Arkéa below A-2 (short-term) (S&P) (or any other credit rating trigger which may be agreed with the Rating Agency after the Signing Date) (a **"Level 2 Collection Loss Trigger Event"**) and within ten (10) Business Days from the occurrence of such Level 2 Collection Loss Trigger Event, the Cash Collateral Provider shall be required (i) to pay, to the credit of the Collection Loss Reserve Account, an amount equal to the collections received by the Collateral Providers under the Home Loan Receivables granted as Collateral Security during the two and half (2.5) calendar months preceding the date of the occurrence of the Level 2 Collection Loss Trigger Event, as such occurrence shall be reported to the Issuer, the Administrator and the Issuer Calculation Agent (with a copy to the Rating Agency) within the above-mentioned ten (10) Business Day-period, and (ii) further, to adjust, on each Selection Date, the amount standing to the credit of this Collection Loss Reserve Account so that it is an amount equal to the sum of collections received by the Collateral Providers under the Home Loans granted as Collateral Security during the preceding two and half (2.5) calendar months preceding the last Business Day of the calendar month immediately preceding such Selection Date, and any such adjustment shall be reported to the Issuer, the Administrative Agent and the Calculation Agent (with a copy to the Rating Agency).

All cash credited to the Collection Loss Reserve Account as described above shall be granted as Collateral Security subject to, and in accordance with, the relevant terms of the Collateral Security Agreement and shall secure the Secured Liabilities as they become due and payable.

Failure by the Cash Collateral Provider to fund the Collection Loss Reserve Account up to the required amount within the required period following the occurrence date of the Collection Loss Trigger Event shall constitute a **"Breach of Collection Loss Reserve Funding Requirement"**. A Breach of Collection Loss Reserve Funding Requirement constitutes the occurrence of a Borrower Event of Default.

Representations, warranties and undertakings

The Cash Collateral Provider has made customary representations and warranties and undertakings to the Issuer, the representations and warranties being given on the execution date of the Cash Collateral Agreement and continuing until satisfaction in full of the Secured Liabilities.

Enforcement

Upon the service by the Issuer (represented by the Issuer Independent Representative or by the Administrator) to the Borrower of a Borrower Enforcement Notice subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement following the occurrence of a Borrower Event of Default, the Issuer (represented by the Issuer Independent Representative or by the Administrator) shall be entitled to apply to the repayment of the Secured Liabilities all sums standing to the credit of the Cash Collateral Account.

Any sum remaining to the credit of the Cash Collateral Account and the Collection Loss Reserve Account after satisfaction in full of the Secured Liabilities shall be promptly repaid to the Cash Collateral Provider.

The Cash Collateral Provider will benefit from the *Privilège* for the repayment of any amounts constituting any Cash Collateral. The Cash Collateral Provider will thus be qualified as a Privileged Creditor.

With immediate effect as from the service of a Borrower Enforcement Notice and upon the instructions of each of the Issuer, the Administrator or any of its representative, agent or expert acting on its behalf (each, an "**Enforcing Party**"), the Cash Collateral Provider shall:

- (a) execute any document, take whatever action and do all such things required in order to perfect, or any other action that the Enforcing Party deems necessary for the purpose of perfecting, the Issuer's rights hereunder; and
- (b) take all steps and do all things and cooperate in good faith to enable any entity which shall have been appointed as Substitute Administrator in replacement of the Administrator to take over its duties in such capacity.

Conditions of enforcement

Enforcement requires no other formality whatsoever (including the necessity to obtain a court order or conduct an auction), any notification requirements (to the Borrower, the Cash Collateral Provider or any other person) nor any other procedures.

No right of the Issuer to enforce its rights under the Cash Collateral Agreement shall be in any manner affected or limited by any Insolvency Proceedings with respect to the Cash Collateral Provider or the Borrower.

Release without discharge

In respect of each Cash Collateral funded pursuant to the terms of the Cash Collateral Agreement, the Cash Collateral Provider shall have the right to request from the Issuer the release of such Cash Collateral under the following circumstances (each, a "**Release Without Discharge Event**"):

- (a) while such Cash Collateral has been funded upon a Pre-Maturity Rating Downgrade Event, the Borrower regains the Pre-Maturity Rating Required Level;
- (b) while such Cash Collateral has been funded upon a Legal Liquidity Rating Downgrade Event, the Borrower regains the Legal Liquidity Rating Required Level; or
- (c) if, on a given date, (i) the amount of Cash Collateral standing to the credit of the Cash Collateral Account exceeds the applicable CCRFA or (ii) the amount of Cash Collateral standing to the credit of each of the Collection Loss Reserve Account exceeds the amount that must be funded in each such accounts pursuant to the relevant terms hereof (each, a "**Cash Collateral Excess**").

Upon any release request by the Cash Collateral Provider following the occurrence of a Release Without Discharge Event, the Issuer shall release the relevant Cash Collateral and repay to the Cash Collateral

Provider (i) the full amount thereof if the release is given following a Release Without Discharge Event mentioned in paragraphs (a) or (b) above, or (ii) an amount equal to the Cash Collateral Excess if the release is given following a Release Without Discharge Event mentioned in paragraph (c) above.

Any release and repayment made as mentioned above shall not be deemed a discharge of the Cash Collateral Provider with respect to its obligations to fund further Cash Collateral pursuant to the terms of the Cash Collateral Agreement.

Final release and discharge

The Issuer shall, at the request and cost of the Cash Collateral Provider, give final release with respect to all Cash Collateral, cancel the security created under the Cash Collateral Agreement and discharge the Cash Collateral Provider from all its obligations to fund any further Cash Collateral pursuant to the terms of the Cash Collateral Agreement when all sums due under any and all the Tranches and Series of Covered Bonds shall have been repaid in full and the Secured Liabilities have been entirely and definitively discharged in full (independently of any intermediate or partial discharges).

In connection with the final release and cancellation described above, the Issuer shall do all such acts and things, at the cost of the Cash Collateral Provider, as are reasonably requested by the Cash Collateral Provider in order to release and cancel the security created under the Cash Collateral Agreement and discharge the Cash Collateral Provider from all its obligations to fund any further Cash Collateral pursuant to the terms of the Cash Collateral Agreement.

Limited Recourse – Non Petition

The Cash Collateral Agreement includes Limited Recourse and Non petition provisions, as described in "**Issuer's Activities – Limited Recourse**" and "**Issuer's Activities – Non – Petition**".

Amendments

No amendment, modification, alteration or supplement shall be made to the Cash Collateral Agreement without prior Rating Affirmation if the same materially and adversely affects the interests of the Issuer or the Bondholders.

For the avoidance of doubt, the Cash Collateral Agreement may be amended, modified, altered or supplemented without prior Rating Affirmation:

- (a) to cure any ambiguity, omission, defect or inconsistency;
- (b) to evidence or effect the transition of any party to the Cash Collateral Agreement to any successor;
- (c) to add to the undertakings and other obligations of the Cash Collateral Provider under the Cash Collateral Agreement; or
- (d) to comply with any mandatory requirements of applicable laws and regulations.

Governing Law – Jurisdiction

The Cash Collateral Agreement shall be governed by, and construed in accordance with, French law. The Cash Collateral Provider has agreed for the benefit of the Issuer, the Administrator and the Issuer Calculation Agent to submit any dispute that may arise in connection with the Cash Collateral Agreement to the jurisdiction of the competent court of Paris.

ASSET MONITORING

For the avoidance of doubt, it is specified that the expression "Covered Bonds" will include German law and French law Covered Bonds and the expression "Bondholders" includes any holder of such Covered Bonds, in the following section.

Under the Collateral Security Agreement and for so long as no Borrower Event of Default has occurred and been enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Collateral Providers Agent and the Collateral Providers shall monitor the Collateral Security Assets so as to ensure compliance with an asset cover test (the "**Asset Cover Test**").

Under the SFH legal Framework, the Specific Controller shall monitor the Collateral Security Assets so as to ensure compliance with a minimum legal Overcollateralisation Ratio (the "**Minimum Legal Overcollateralisation Ratio**") and a maximum percentage of Legal Substitution Assets (the "**Maximum Legal Substitution Assets Percentage**").

Under the Cash Collateral Agreement and for so long as no Borrower Event of Default has occurred and been enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Borrower, as Cash Collateral Provider, shall fund the Cash Collateral Account up to an amount determined in accordance with the relevant provisions of the Cash Collateral Agreement.

Under Condition 5(f) and following the enforcement of a Borrower Event of Default subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Issuer shall ensure compliance with an amortisation test (the "**Amortisation Test**").

The Asset Cover Test

The following terms shall have the following definitions:

"**Asset Cover Test Date**" means each Selection Date and each issuance date of a Series or a Tranche of Covered Bonds.

"**Asset Cover Test Calculation Period**" means, in relation to any Asset Cover Test Date, each period starting on, and including, the immediately preceding Asset Cover Test Date, and ending on, and excluding such Asset Cover Test Date.

"**Selection Date**" means, at the latest and with respect to any Home Loan as at the end of any calendar month, the fifteenth (15th) calendar day of the following calendar month.

Compliance with the Asset Cover Test requires compliance with the asset cover ratio R specified below (the "**Asset Cover Ratio**"). Such compliance is tested by the Issuer Calculation Agent from time to time subject to, and in accordance with, the relevant terms of the Collateral Security Agreement and the Calculation Services Agreement.

The Asset Cover Ratio (R)

"**R**" means the following ratio which shall be at least equal to one (1) at each Asset Cover Test Date:

$$R = \left[\frac{\text{Adjusted Aggregate Asset Amount (AAAA)}}{\text{Aggregate Covered Bond Outstanding Principal Amount}} \right]$$

whereby:

"**Aggregate Covered Bond Outstanding Principal Amount**" means, at any Asset Cover Test Date, the aggregate amount of principal (in euro or euro equivalent with respect to Covered Bonds denominated in a Specified Currency) outstanding at such date under all Covered Bonds.

"Adjusted Aggregate Asset Amount (AAAA)" means, at any Asset Cover Test Date:

$$(AAAA) = A + B + C + D - (Y + Z)$$

whereby:

"A" means the lower of "A1" and "A2".

"A1" is equal to the sum of all Adjusted Home Loan Outstanding Principal Amounts of all Relevant Home Loans (see **"The Collateral Security"** for a description of the Home Loans Eligibility Criteria) during the most recently completed Asset Cover Test Calculation Period, as such Adjusted Home Loan Outstanding Principal Amounts will be calculated on the relevant Asset Cover Test Date, whereby:

"Adjusted Home Loan Outstanding Principal Amount" means, with respect to each Relevant Home Loan granted as Collateral Security, the lower of:

- (i) the Home Loan Outstanding Principal Amount of such Relevant Home Loan minus the Applicable Deemed Reductions; and
- (ii) the LTV Cut-Off Percentage of the Indexed Valuation relating to such Relevant Home Loan minus the Applicable Deemed Reductions;

"Applicable Deemed Reductions" means, with respect to any Relevant Home Loan, the aggregate sum of the financial losses incurred by the Collateral Providers with respect to such Relevant Home Loan to the extent that such financial losses have been incurred as a direct result of a material breach of the Servicing Procedures by the relevant Collateral Providers during the applicable Asset Cover Test Calculation Period (see **"The Collateral Security Agreement – Asset Servicing"** for a description of the Servicing Procedures).

"Home Loan Outstanding Principal Amount" means, with respect to each Relevant Home Loan and within the limit of the sums secured by a Home Loan Security, the amount of principal outstanding at the relevant Asset Cover Test Date under such Relevant Home Loan.

"LTV Cut-Off Percentage" means:

- (i) eighty per cent. (80%) for each Relevant Home Loan secured by a Mortgage;
- (ii) eighty per cent. (80%) for each Relevant Home Loan secured by a Home Loan Guarantee issued by *Crédit Logement* or by *L'Équité*;
- (iii) a percentage which will be determined in accordance with the methodologies published by the Rating Agency from time to time for each Relevant Home Loan that has the benefit of an insurance policy with an acceptable insurer or guarantee with an acceptable financial institution, insuring the credit risk under such Relevant Home Loan; and
- (iv) subject to prior Rating Affirmation, a percentage for each Relevant Home Loan not mentioned under (i) to (iii) above.

"Index" means the index of increases of house prices issued by PERVAL in relation to residential properties in France.

"Indexed Valuation" means at any date in relation to any Relevant Home Loan secured over any Property:

- (i) where the Original Market Value of that Property is equal to or greater than the Price Indexed Valuation as at that date, the Price Indexed Valuation; or
- (ii) where the Original Market Value of that Property is less than the Price Indexed Valuation as at that date, the Original Market Value plus eighty per cent. (80%) of the difference between the Price Indexed Valuation and the Original Market Value.

"Original Foreclosure Value" in relation to any Property means the purchase price of such Property or (as applicable) the most recent valuation of such Property, as disclosed to the relevant Collateral Provider by the relevant debtor under the related Relevant Home Loan.

"Original Market Value" in relation to any Property means the Original Foreclosure Value divided by one (1).

"Price Indexed Valuation" in relation to any Property at any date means the Original Market Value of that Property increased or decreased as appropriate by the increase or decrease in the Index since the date of the Original Market Value.

"Relevant Home Loan" means, with respect to a given Asset Cover Test Date, any Home Loan from which Home Loan Receivables have been granted as Collateral Security, excluding Home Loans which do not comply any more with the applicable Home Loan Eligibility Criteria.

"A2" is equal to the sum of all unadjusted Home Loan Outstanding Principal Amounts of all Relevant Home Loans minus the Applicable Deemed Reductions (as defined above) of all such Relevant Home Loans multiplied by the applicable Asset Percentage, whereby:

"Asset Percentage" means (i) 92.5 per cent. (92.5%) or (ii) such percentage figure as is determined on quarterly basis by the Issuer Calculation Agent pursuant to the relevant terms of the Collateral Security Agreement.

For the purpose of the calculation of the Asset Percentage referred to in (ii) above, the Issuer Calculation Agent will calculate, on a quarterly basis (subject to below), the Weighted Average Recovery Rate ("**WARR**"), the WAFF, and the WALS (and/or such figures calculated by the Issuer Calculation Agent in accordance with any relevant alternative methodologies published by S&P) for all Relevant Home Loans or for a random sample of the same. The WARR, WAFF and WALS (or other relevant figures) so calculated will be incorporated by the Issuer Calculation Agent into one (1) or more cash flow models designed by the Issuer Calculation Agent in accordance with the methodologies published by S&P. Such models, which test the credit enhancement required in various cash flow scenarios, will indicate, on the basis of the latest WARR, WAFF and WALS figures (or other relevant figures), the Asset Percentage needed in order to provide credit enhancement to cover all such cash flow scenarios. Save where otherwise determined in accordance with the methodologies published by S&P, the Asset Percentage will be adjusted in accordance with the various methodologies published by S&P provided that the Asset Percentage may not, at any time, exceed ninety two point five per cent. (92.5%).

"B" is equal to the aggregate amount of cash standing to the credit of the Cash Collateral Account, as reported by the Collateral Security Agent in the relevant Asset Report.

"C" is equal to the aggregate value outstanding under all Eligible Substitution Assets held by the Issuer (the "**Aggregate Eligible Substitution Asset Amount (AESAA)**") provided that, the amount of the Aggregate Eligible Substitution Asset Amount (AESAA) (whatever such amount is at any Asset Cover Test Date) shall in any event account only for up to twenty per cent. (20%) of the Adjusted Aggregate Asset Amount (AAAA) for the purposes hereof. The Aggregate Eligible Substitution Asset Amount (AESAA) shall be reported by the Collateral Providers Agent in the relevant Asset Report. Eligible Substitution Assets will be valued on the last Business Day of the calendar month immediately preceding each Asset Cover Test Date and be taken into account for their mark-to-market value at a discount based on a methodology published by the Rating Agency.

For the purposes of the above calculation, an "**Eligible Substitution Asset**" is:

- (a) any Legal Substitution Asset (other than a Permitted Investment) which is a Euro or another Specified Currency demand or time deposit, certificate of deposit, long-term debt obligation or short-term debt obligation (including commercial paper) provided that in all cases such investment has a remaining period to maturity of one (1) year or less and the short-term unsecured, unguaranteed and unsubordinated debt obligations or, as applicable, the long-term unsecured, unguaranteed and unsubordinated debt obligations of the issuing or guaranteeing entity or the entity with which the demand or time deposit is made (being duly licensed for such purposes) are rated at least A1+/AA-; or
- (b) any Legal Substitution Asset (other than a Permitted Investment) which is a Euro or another Specified Currency denominated government and public securities, provided that such investment has a remaining maturity of one (1) year or less and is rated at least AAA by S&P =; or
- (c) any Euro or other Specified Currency denominated residential mortgage backed securities provided that such investment (i) has a remaining period to maturity of one (1) year or less, (ii) is actively traded in a continuous, liquid market on a recognised stock exchange, (iii) is held

widely across the financial system and available in an adequate supply, (iv) is rated at least A1+/AA- by S&P, (v) is eligible for an investment by a *société de financement à l'habitat*.

"D" is equal to the aggregate value outstanding under all Permitted Investments, as determined by the Issuer Accounts Bank (or the Administrator on its behalf) and reported to the Issuer Calculation Agent pursuant to the Issuer Accounts Bank Agreement. Permitted Investments will be valued on the last Business Day of the calendar month immediately preceding each Asset Cover Test Date and be taken into account for their mark-to-market value at a discount based on a methodology agreed with the Rating Agency.

"Y" is equal to (i) zero before any Issuer Hedging Agreement shall be entered into by the Issuer subject to, and in accordance with, the Hedging Strategy and (ii) otherwise, an amount equal to the payments due under the Issuer Hedging Agreements (plus interest thereon) within the period of α plus two (2) months preceding the relevant Asset Cover Test Date where α means the period between two (2) interest payment dates (first day of such period included and last day of such period excluded) under the relevant Issuer Hedging Agreements.

"Z" is equal to: $WAM \times \text{Covered Bond Outstanding Principal Amount} \times \text{Carrying Cost}$, whereby:

"Carrying Cost" means 1.00 per cent. (1.00%) or any other percentage agreed between the Issuer and the Collateral Security Agent (acting in the name and on behalf the Collateral Providers), subject to prior Rating Affirmation;

"WAM" means the greater of (i) the weighted average maturity of Series of Covered Bonds outstanding as at the relevant Asset Cover Test Date, and (ii) one (1) year;

"Covered Bond Outstanding Principal Amount" means, at any Asset Cover Test Date, the aggregate amount of principal (in euro or euro equivalent with respect to Covered Bonds denominated in a Specified Currency) outstanding at such date under all Series of Covered Bonds.

Calculation of the Asset Cover Ratio (R)

On each Asset Cover Test Date, the Asset Cover Ratio (R) shall be calculated by the Issuer Calculation Agent according to the terms, definitions and calculation formula set forth above.

No later than three (3) Business Days following any Asset Cover Test Date, the Issuer Calculation Agent shall inform the Issuer, the Borrower and the Collateral Security Agent (with a copy to the Rating Agency, to the Asset Monitor and the Specific Controller) of its calculation of the Asset Cover Ratio (R).

Non-Compliance with Asset Cover Test

Non-compliance with the Asset Cover Test (the "**Non-Compliance with Asset Cover Test**") would result from the Asset Cover Test Ratio (R) being strictly less than one (1).

Remedies

Upon Non-Compliance with Asset Cover Test on any Asset Cover Test Date, the Collateral Security Agent shall:

- (i) cause the Collateral Providers to grant additional Eligible Assets as Collateral Security pursuant to the relevant terms of the Collateral Security Agreement, on the next following Asset Cover Test Date; and/or
- (ii) cause the Collateral Providers to release Collateral Security Assets from the Collateral Security pursuant to the relevant terms of the Collateral Security Agreement, on the next following Asset Cover Test Date,

in each case, as necessary to cure such Non-Compliance with Asset Cover Test.

A Non-Compliance with Asset Cover Test does not constitute the occurrence of an Issuer Event of Default or a Borrower Event of Default. However, it will prevent the Issuer from issuing any further Series as long as it remains unremedied.

Breach of Asset Cover Test

The failure by the Collateral Providers Agent, acting in the name and on behalf of the Collateral Providers, to cure a Non Compliance with Asset Cover Test occurred on any Asset Cover Test Date prior to the next following Asset Cover Test Date shall constitute a "**Breach of Asset Cover Test**" within the meaning of the Collateral Security Agreement. The Issuer Calculation Agent will inform promptly the Issuer, the

Borrower and the Collateral Providers Agent (with a copy to the Rating Agency, the Asset Monitor and the Specific Controller) of its calculation of the Asset Cover Ratio and, if applicable, the occurrence of a Breach of Asset Cover Test.

A Breach of Asset Cover Test constitutes the occurrence of a Borrower Event of Default.

A Breach of Asset Cover Test will not constitute the occurrence of an Issuer Event of Default but will prevent the Issuer from issuing any further Series, except for the purposes of subscription by the Issuer of Auto-held Covered Bonds in accordance with Condition 19.

The Minimum Legal Overcollateralisation Ratio

The Issuer, as a *société de financement de l'habitat*, must at all times maintain a cover ratio between its eligible assets (including so-called substitution assets (*valeurs de remplacement*)) and its liabilities benefiting from the *Privilège* (the "**Overcollateralisation Ratio**"). In accordance with the French SFH legal Framework on the date hereof, and in particular pursuant to Articles L. 515-20 and R. 515-7-2 of the French Monetary and Financial Code (*Code monétaire et financier*), the *sociétés de financement de l'habitat* such as the Issuer must at all times maintain an Overcollateralisation Ratio equal to at least one hundred and two per cent. (102%) (the "**Minimum Legal Overcollateralisation Ratio**").

Regulation no. 99-10 dated 9 July 1999, as amended, issued by the *Comité de la Réglementation Bancaire et Financière* (Banking and Financial Regulation Committee) defines the way the Overcollateralisation Ratio is calculated.

In the case of the Issuer, the ratio's denominator (Article 8 of regulation no. 99-10 above mentioned) is comprised of the Covered Bonds and the other resources benefiting from the *Privilège*, including any amount due under the agreement referred to in Article L. 515-22 of the French Monetary and Financial Code (*Code monétaire et financier*) or derivative instruments benefiting from the *Privilège*. The ratio's numerator (Article 9) is made up of the Issuer's assets (weighted to reflect their category) and, in accordance with Article R. 515-7-2 of the French Monetary and Financial Code (*Code monétaire et financier*), shall take into account the Home Loan Receivables granted as Collateral Security.

The Specific Controller ensures that the Minimum Legal Overcollateralisation Ratio is complied with.

To carry out its duties, the Specific Controller will be given access by the Issuer to any information that allows confirmation of compliance with the Minimum Legal Overcollateralisation Ratio (as described in the section "**The Issuer**").

The Issuer must publish the calculation of its actual Overcollateralisation Ratio twice a year, on each 30 June and 31 December.

Non-compliance by the Issuer with the Minimum Legal Overcollateralisation Ratio shall constitute a "**Breach of Minimum Legal Overcollateralisation Ratio**". The Specific Controller is legally responsible for notifying promptly the Issuer and the *Autorité de contrôle prudentiel* of the occurrence of a Breach of Minimum Legal Overcollateralisation Ratio. Upon such notification, the Issuer shall then notify the Borrower and the Collateral Providers Agent, the Rating Agency, the Asset Monitor and the Issuer Calculation Agent of the same.

A Breach of Minimum Legal Overcollateralisation Ratio does not constitute the occurrence of a Borrower Event of Default or an Issuer Event of Default. However, it may trigger the withdrawal of the license of the Issuer as a *société de financement de l'habitat*.

The Maximum Legal Substitution Assets Percentage

Pursuant to Articles L. 515-17 and R. 515-7 of the French Monetary and Financial Code, the Legal Substitution Assets of the Issuer shall not exceed at any time a percentage equal to fifteen per cent. (15%) of the total amount of its liabilities which benefit from the *Privilège* (the "**Maximum Legal Substitution Assets Percentage**").

With respect to the Issuer and for the purpose of the calculation of the Maximum Legal Substitution Assets Percentage, the "**Legal Substitution Assets**" are comprised of such debt, securities, deposits and other investment products that are deemed eligible as the so-called substitution assets (*valeurs de remplacement*).

within the meaning of Articles L. 515-17, R. 515-7 and R. 515-16 of the French Monetary and Financial Code (*Code monétaire et financier*) (including any Permitted Investment and any Cash Collateral made available to the Issuer by the Cash Collateral Provider in accordance with the Cash Collateral Agreement) and which are held by the Issuer from time to time.

The Specific Controller ensures that the Maximum Legal Substitution Assets Percentage is not exceeded by the Issuer.

Upon the Legal Substitution Assets of the Issuer exceeding the Maximum Legal Substitution Assets Percentage, this shall constitute a "**Breach of Maximum Legal Substitution Assets Limit**" by the Issuer. The Specific Controller ensures that the Issuer and the *Autorité de contrôle prudentiel* are promptly notified of the occurrence of a Breach of Maximum Legal Substitution Assets Limit. Upon receipt of such notice, the Issuer will then notify the Borrower and the Collateral Providers Agent, the Rating Agency, the Asset Monitor and the Issuer Calculation Agent of the same.

A Breach of Maximum Legal Substitution Assets Limit does not constitute the occurrence of a Borrower Event of Default or an Issuer Event of Default. However, it may trigger the withdrawal of the license of the Issuer as a *société de financement de l'habitat*.

The Pre-Maturity Test and the Legal Liquidity Test

Downgrading below the Pre-Maturity Rating Required Level and/or the Liquidity Rating Required Level

The Cash Collateral Provider shall be requested to fund the Cash Collateral Account with the relevant Cash Collateral, up to the relevant amount, upon the occurrence of (i) the downgrading, during any Pre-Maturity Test Period (as defined below), of the then applicable rating of the Borrower below the Pre-Maturity Rating Required Levels (as defined below) (the "**Pre-Maturity Rating Downgrade Event**"), and (ii) the downgrading at any time of the then applicable rating of the Borrower below the Liquidity Rating Required Level (as defined below) (the "**Legal Liquidity Rating Downgrade Event**"). The occurrence of a Pre-Maturity Rating Downgrade Event and/or a Legal Liquidity Rating Downgrade Event does not constitute the occurrence of a Borrower Event of Default or an Issuer Event of Default.

The pre-maturity credit rating required level with respect to the Borrower for the purposes of the Cash Collateral Agreement is defined as: A-1 (short-term) (S&P) (the "**Pre-Maturity Rating Required Level**").

The liquidity credit rating required level with respect to the Borrower for the purposes of the Cash Collateral Agreement is defined as: A-1 (short-term) (S&P) (the "**Liquidity Rating Required Level**").

Upon the occurrence of a Pre-Maturity Rating Downgrade Event and/or a Legal Liquidity Rating Downgrade Event, the Issuer Calculation Agent shall inform the Cash Collateral Provider of the same within three (3) Business Days from such occurrence by written notice (the "**Cash Collateral Funding Notice**") delivered to the Cash Collateral Provider (with a copy to the Issuer, the Administrator and the Rating Agency).

Remedies

If a Cash Collateral Funding Notice is received by the Cash Collateral Provider, the Cash Collateral Provider shall fund the Cash Collateral Account up to an amount (the "**Cash Collateral Required Funding Amount (CCRFA)**") calculated by the Issuer Calculation Agent as being equal to:

- (a) in the event of a Pre-Maturity Rating Downgrade Event occurring while no Legal Liquidity Rating Downgrade Event has occurred and is continuing: CCRFA = Pre-Maturity Covered Bond Principal Amount in relation to the relevant Series of Covered Bonds + Pre-Maturity Costs in relation to the relevant Series of Covered Bonds;
- (b) in the event of a Legal Liquidity Rating Downgrade Event occurring while no Pre-Maturity Rating Downgrade Event has occurred and is continuing: CCRFA = Liabilities - Revenues; and
- (c) in the event of both a Pre-Maturity Rating Downgrade Event and a Legal Liquidity Rating Downgrade

Event occurring at the same time, the greater of:

- (i) CCRFA = Pre-Maturity Covered Bond Principal Amount in relation to the relevant Series of Covered Bonds + Pre-Maturity Costs in relation to relevant Series of Covered Bonds; and
- (ii) CCRFA = Liabilities - Revenues;

whereby:

"Pre-Maturity Costs" means the aggregate amount of fees, costs, expenses, taxes and other ancillary sums (excluding interest and principal amounts) scheduled to be paid by the Issuer on any Series of Covered Bonds within the relevant Pre-Maturity Test Period.

"Pre-Maturity Covered Bond Principal Amount" means the aggregate amount of principal of Covered Bonds (in Euro or Euro equivalent with respect to Covered Bonds denominated in a Specified Currency), excluding the aggregate amount of principal of any Series of Soft Bullet Covered Bonds, the Final Maturity Date of which falls during the relevant Pre-Maturity Test Period.

"Pre-Maturity Test Period" means with respect to any Series of Covered Bonds (which is not a Series of Soft Bullet Covered Bonds), the period starting from, and including, the two hundred and seventieth (270th) calendar day preceding the Final Maturity Date of that Series and ending on, and including, such Final Maturity Date.

"Liabilities" means, on any given date, the liabilities that are due by the Issuer to all its creditors within the Legal Liquidity Cover Period starting on, and including, such date (including principal and interest due by the Issuer under the then outstanding Covered Bonds).

"Revenues" means, on any given date, all the sums that are due to the Issuer by all its debtors within the Legal Liquidity Cover Period starting on, and including, such date (excluding the sums due to the Issuer under the Borrower Facility Agreement, but including the sums due by the relevant debtors under the Collateral Security Assets and the net amount due to the Issuer under the Hedging Agreements).

"Legal Liquidity Cover Period" means a period of one hundred and eighty (180) calendar as from each CCRFA Funding Date, the first applicable Legal Liquidity Cover Period beginning upon the occurrence of a Legal Liquidity Rating Downgrade Event.

Breach of Pre-Maturity Test and Breach of Legal Liquidity Test

The failure by the Cash Collateral Provider to fund into the Cash Collateral Account the relevant amount within thirty (30) Business Days from the receipt of a Cash Collateral Funding Notice shall constitute a **"Breach of Pre-Maturity Test"**. A Breach of Pre-Maturity Test constitutes the occurrence of a Borrower Event of Default.

The failure by the Cash Collateral Provider to fund any required Cash Collateral following the receipt of a Cash Collateral Funding Notice or maintain the relevant amount in the Cash Collateral Account at any time during any Legal Liquidity Cover Period in accordance with the Cash Collateral Agreement constitutes a **"Breach of Liquidity Test"**.

A Breach of Liquidity Test does not constitute the occurrence of a Borrower Event of Default or an Issuer Event of Default. However, it may trigger the withdrawal of the license of the Issuer as a *société de financement de l'habitat*.

The Amortisation Test

Following the enforcement of a Borrower Event of Default subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Issuer undertakes to comply with the Amortisation Test in accordance with Condition 5 (f) of the Terms and Conditions of the Covered Bonds.

For the purpose of the determination of the Amortisation Ratio, the following terms shall have the following definitions:

"Amortisation Test Date" means, at the latest, the last calendar day of each calendar month following the enforcement of a Borrower Event of Default, it being provided that the Administrator and the Issuer Calculation Agent shall use their best effort so that such date occurs on, or as soon as possible as from the fifteenth (15th) calendar day of each calendar month following the enforcement of a Borrower Event of Default.

"Amortisation Test Calculation Period" means, in relation to any Amortisation Test Date, each period starting on, and including, the immediately preceding Amortisation Test Date, and ending on, and excluding such Amortisation Test Date.

Compliance with the Amortisation Test requires compliance with the amortisation ratio RA specified below (the **"Amortisation Ratio (RA)"**). Such compliance is tested by the Issuer Calculation Agent from time to time throughout the period following the enforcement of a Borrower Event of Default subject to, and in accordance with the Condition 5 (f) and the Calculation Services Agreement.

The Amortisation Ratio

"RA" means the following ratio which shall be at least equal to one (1) at each Amortisation Test Date:

$$RA = \left[\frac{TAAA'}{ACBOPA} \right]$$

whereby:

"Aggregate Covered Bond Outstanding Principal Amount (ACBOPA)" means, at any Amortisation Test Date, the aggregate amount of principal (in euro or euro equivalent with respect to Covered Bonds denominated in a Specified Currency) outstanding at such date under all Covered Bonds.

"Transferred Aggregate Asset Amount (TAAA')" means, at any Amortisation Test Date:

$$(TAAA') = A' + B + C + D + E - Z$$

whereby:

"A" is equal to the sum of all "Transferred Home Loan Outstanding Principal Amounts" of all Home Loans, title to which has been transferred to the Issuer upon enforcement of the Collateral Security following the enforcement of a Borrower Event of Default (each, a **"Relevant Transferred Home Loan"**), as such "Transferred Home Loan Outstanding Principal Amounts" will be calculated on the relevant Amortisation Test Date, whereby:

"Home Loan Outstanding Principal Amount" means, with respect to each Relevant Transferred Home Loan, the amount of principal outstanding at the relevant Amortisation Test Date under such Relevant Transferred Home Loan;

"Relevant Transferred Home Loan" means, with respect to a given Amortisation Test Date, any Home Loan from which Home Loan Receivables have been granted as Collateral Security provided that title to such Home Loan Receivables has been transferred to the Issuer upon enforcement of the Collateral Security following the enforcement of a Borrower Event of Default; and

"Transferred Home Loan Outstanding Principal Amount" means, with respect to each Relevant Transferred Home Loan, the Home Loan Outstanding Principal Amount of such Relevant Transferred Home Loan multiplied by M, where for all the Relevant Home Loans that are less than three (3) months in arrears, M = 1 and for all the Relevant Transferred Home Loans that are three (3) months or more in arrears, M = 0.7;

"B", "C", "D" and "Z" have the meaning ascribed to such terms, and shall be determined, on each relevant Amortisation Test Date, subject to, and in accordance with, the terms and formula described in **"The Asset Cover Test"** above.

"E" is equal to the aggregate amount of principal and interest payments, distributions, indemnities, insurance and other proceeds, payments under any Home Loan Security and other sums received during the applicable Amortisation Test Calculation Period by the Issuer from the debtors or other relevant entities under the Collateral Security Assets whose title has been transferred to the Issuer following enforcement of the Collateral Security, as the same shall be reported by the Issuer Calculation Agent on each Amortisation Test Date subject to, and in accordance with, the relevant terms of the Calculation Services Agreement.

Calculation of the Amortisation Ratio

On each Amortisation Test Date, the Amortisation Ratio (RA) shall be calculated by the Issuer Calculation Agent according to the terms, definitions and calculation formula set forth above.

No later than three (3) Business Days following any Amortisation Test Date, the Issuer Calculation Agent shall inform the Issuer (with a copy to the Rating Agency and to the Asset Monitor) of its calculation of the Amortisation Ratio (RA).

Non-Compliance with Amortisation Test

A "**Non Compliance with Amortisation Test**" will result from the Amortisation Ratio (RA) being strictly less than one (1).

A Non Compliance with Amortisation Test will prevent the Issuer from issuing any further Series, except for the purposes of subscription by the Issuer of Auto-held Covered Bonds in accordance with Condition 19.

Breach of Amortisation Test

The failure by the Issuer to cure a Non Compliance with Amortisation Test occurred on any Amortisation Test Date prior to the next following Amortisation Test Date shall constitute a "**Breach of Amortisation Test**". The Issuer Calculation Agent will inform promptly the Issuer and each relevant Representative (with a copy to the Rating Agency and to the Asset Monitor) of the occurrence of a Breach of Amortisation Test.

A Breach of Amortisation Test constitutes the occurrence of an Issuer Event of Default.

This section sets out the main material terms of the Calculation Services Agreement.

- (b) the Issuer Calculation Agent fails to comply with any of its material obligations under the Calculation Services Agreement unless such breach is capable of remedy and is remedied within sixty (60) Business Days after the Issuer has given notice thereof to the Issuer Calculation Agent or (if sooner) the Issuer Calculation Agent has knowledge of the same, provided that the Issuer, at its discretion, certifies that it is prejudicial to the interests of the holders of the relevant Covered Bonds;
- (c) an Insolvency Event occurs in respect of the Issuer Calculation Agent; or

If an Issuer Calculation Agent's Default has occurred, the Issuer Calculation Agent shall notify the Issuer of such occurrence promptly after becoming aware of it.

Issuer Calculation Agent Rating Trigger Event

If an Issuer Calculation Agent Rating Trigger Event occurs, the Issuer Calculation Agent will notify the Issuer in writing of the occurrence of the Issuer Calculation Agent Rating Trigger Event within five (5) Business Days from the date upon which it becomes aware of such event and this will constitute a termination event under the Calculation Services Agreement.

For such purposes, "**Issuer Calculation Agent Rating Trigger Event**" means the event in which the long-term senior unsecured, unsubordinated and unguaranteed debt obligations of the Issuer Calculation Agent become rated below BBB by S&P.

Termination

"**Issuer Calculation Agent Termination Events**" under the Calculation Services Agreement will include the following events:

- (a) the occurrence of any Issuer Calculation Agent's Default;
- (b) the occurrence of the Issuer Calculation Agent Rating Trigger Event; or
- (c) the occurrence of a Borrower Event of Default.

If an Issuer Calculation Agent Termination Event occurs, the Issuer shall terminate the appointment of the Issuer Calculation Agent under the Issuer Calculation Services Agreement by delivery of a written termination notice to the Issuer Calculation Agent (the "**Notice of Termination**"). Upon receipt by the Issuer Calculation Agent of the Notice of Termination, the appointment of the Issuer Calculation Agent under the Issuer Calculation Services Agreement will terminate with effect:

- (a) not earlier than twenty (20) Business Days as from the receipt by the Issuer Calculation Agent of the Notice of Termination, if such Notice of Termination is served due to the occurrence of an Issuer Calculation Agent Rating Trigger Event;
- (b) not earlier than twenty (20) Business Days as from the receipt by the Issuer Calculation Agent of the Notice of Termination or at any other date that the Issuer may have specified in the Notice of Termination, if such Notice of Termination is served due to any other reason,

and save for any continuing obligations of the Issuer Calculation Agent contained in the Calculation Services Agreement.

Upon the resignation of the Issuer Calculation Agent or termination of its appointment as Issuer Calculation Agent hereunder in accordance with the terms of the Issuer Calculation Services Agreement, the Issuer shall replace Crédit Mutuel Arkéa, as Issuer Calculation Agent, by any legal entity (the "**Substitute Issuer Calculation Agent**"), the choice of which being subject to prior Rating Affirmation. Upon its appointment and unless otherwise agreed with the Issuer (but subject to prior Rating Affirmation), the Substitute Issuer Calculation Agent shall:

- (a) provide the Issuer with all necessary assistance and know-how, whether technical or other, as described under this Calculation Services Agreement;
- (b) together with the Issuer Calculation Agent, take all steps necessary to replace the Issuer Calculation Agent in all rights and obligations arisen from the Programme Documents to which the Issuer Calculation Agent is a party and, for such purposes, become a party, as Issuer Calculation Agent, to any relevant Programme Documents to which the Issuer Calculation Agent is a party;

Notwithstanding its resignation or the termination of its appointment in accordance with the terms of the Issuer Calculation Services Agreement and notwithstanding any other provision of the Issuer Calculation Services Agreement, the duties of the Issuer Calculation Agent under the Issuer Calculation Services Agreement shall continue and the Issuer Calculation Agent shall continue to be bound by all its obligations hereunder until the earlier of (i) its replacement as Issuer Calculation Agent and (ii) the termination of the Issuer Calculation Services Agreement in accordance with its terms (the "**Service Termination Date**").

Term and Termination of the Issuer Calculation Services Agreement

The Issuer Calculation Services Agreement shall remain in effect for an initial period of ten (10) years and shall be automatically renewed for additional ten-year periods unless a party thereto notifies to the others its intention to terminate the Issuer Calculation Services Agreement three (3) months prior to the end of the initial period or the additional periods, as the case may be in which case this Calculation Services Agreement shall terminate at the end of such three-month period.

Without prejudice to the other terms of the Issuer Calculation Services Agreement, the Issuer Calculation Services Agreement shall terminate:

- (a) on its term as defined above;
- (b) if earlier than its term as defined above, the Issuer and any Substitute Issuer Calculation Agent replacing (i) Crédit Mutuel Arkéa as Issuer Calculation Agent or (ii) a previous Issuer Calculation Agent having replaced Crédit Mutuel Arkéa as Issuer Calculation Agent agree in writing to cease to be bound by the Issuer Calculation Services Agreement and execute another agreement for the performance of the services contemplated by the Issuer Calculation Services Agreement; or
- (c) if earlier than its term defined above and upon failure to replace the Issuer Calculation Agent (i) the last day of the sixty (60) Business Days period starting on the date of resignation of the Issuer Calculation Agent, or (ii) the last day of the forty (40) Business Days period starting on the date a Notice of Termination is delivered to the Issuer Calculation Agent.

The termination of the Issuer Calculation Services Agreement in accordance with its terms shall trigger the termination of the appointment of Crédit Mutuel Arkéa as Issuer Calculation Agent thereunder on the relevant termination date of the Issuer Calculation Services Agreement.

Limited Recourse – Non Petition

The Calculation Services Agreement includes Limited Recourse and Non petition provisions, as described in "**Issuer's Activities – Limited Recourse**" and "**Issuer's Activities – Non-Petition**".

Amendments

No amendment, modification, alteration or supplement shall be made to the Calculation Services Agreement without prior Rating Affirmation if the same materially and adversely affects the interests of the Issuer or the Bondholders.

For the avoidance of doubt, the Calculation Services Agreement may be amended, modified, altered or supplemented without prior Rating Affirmation:

The Asset Monitor Agreement and the Engagement Letter

Background

The "**Asset Monitor Agreement**" refers to the agreement dated on the Signing Date and made between (i) the Issuer and (ii) Crédit Mutuel Arkéa as the Issuer Calculation Agent or, as applicable, the Administrator. The "**Engagement Letter**" refers to the letter dated on the Signing Date, issued by Deloitte & Associés as Asset Monitor (the "**Asset Monitor**") and duly accepted by the Issuer, pursuant to which PricewaterhouseCoopers Audit is appointed as Asset Monitor.

Under the Asset Monitor Agreement and the Engagement Letter, Deloitte & Associés has been appointed as Asset Monitor by the Issuer to carry out, subject to due receipt of the information to be provided by the Issuer Calculation Agent to the Asset Monitor, various testing and notification duties in relation to the calculations performed by the Calculation Agent in relation to the Asset Cover Test and the Amortisation Test subject to and in accordance with the terms of the Asset Monitor Agreement.

Services of the Asset Monitor

If the Asset Cover Test Date immediately preceding an anniversary of the Signing Date falls prior to the occurrence of a Borrower Event of Default, and subject to receipt of the information to be provided to it by the Issuer Calculation Agent in relation to the calculations performed by the Issuer Calculation Agent regarding the relevant Asset Cover Test, the Asset Monitor will test the arithmetic accuracy of the calculations performed by the Issuer Calculation Agent in relation to the Asset Cover Test on the Asset Cover Test Date immediately preceding an anniversary of the Signing Date, as applicable, with a view to reporting on the arithmetic accuracy or otherwise of such calculations.

On each Amortisation Test Date (it being provided that the first Amortisation Test Date shall be the relevant date immediately following the enforcement of a Borrower Event of Default) and subject to receipt of the information to be provided to it by the Issuer Calculation Agent in relation to the calculations performed by the Issuer Calculation Agent regarding the relevant Amortisation Test, the Asset Monitor will test the arithmetic accuracy of the calculations performed by the Issuer Calculation Agent in relation to the Amortisation Test on the relevant Amortisation Test Date, with a view to reporting on the arithmetic accuracy or otherwise of such calculations.

Upon the occurrence of a Calculation Monitoring Rating Trigger Event and for so long as such Calculation Monitoring Rating Trigger Event is continuing, or, if the Asset Monitor has been notified of the occurrence of a Non-Compliance with Asset Cover Test or of a Non-Compliance with Amortisation Test (see section "**Asset Monitoring**"), and subject to receipt of the information to be provided to the Asset Monitor, the Asset Monitor shall conduct the tests of the Issuer Calculation Agent's calculations referred to above, as applicable, in respect of every Asset Cover Test Date or Amortisation Test Date, as applicable.

For the purposes of this section "**The Asset Monitor Agreement and the Engagement Letter**", "**Calculation Monitoring Rating Trigger Event**" means the event in which the long-term senior unsecured, unsubordinated and unguaranteed debt obligations of Crédit Mutuel Arkéa become rated below BBB by S&P.

If the tests conducted by the Asset Monitor in accordance with the provisions above reveal arithmetic errors in the relevant calculations performed by the Issuer Calculation Agent such that:

- the Asset Cover Test had been failed on the relevant Asset Cover Test Date (where the Issuer Calculation Agent had recorded it as being satisfied); or
- the Amortisation Test had been failed on the relevant Amortisation Test Date (where the Issuer Calculation Agent had recorded it as being satisfied);

and subject to receipt of the information to be provided to the Asset Monitor for a period of six (6) months thereafter, the Asset Monitor shall conduct the tests of the Issuer Calculation Agent's calculations referred to above, in respect of every Asset Cover Test Date or each Amortisation Test Date, as applicable, occurring during such six (6)-month period.

The Asset Monitor shall notify the Issuer, in writing, of the relevant calculations performed by the Issuer Calculation Agent and of the results of its tests of the accuracy of the Issuer Calculation Agent's calculations. If the calculations performed by the Administrator have not been performed correctly, the Asset Monitor will report the correct calculation of the Asset Cover Test or Amortisation Test, as applicable. The Issuer shall transfer any notifications and reports received from the Asset Monitor to the

parties to the Asset Monitor Agreement (with copy to the Rating Agency), promptly upon receipt of such notifications and reports.

The Asset Monitor is entitled, in the absence of manifest error, to assume that all information provided to it is true and correct and is complete and not misleading and is not required to conduct an audit or other similar examination in respect of or otherwise take steps to verify the accuracy or completeness of such information.

Termination

The Issuer may, at any time, terminate the appointment of the Asset Monitor hereunder upon providing the Asset Monitor with sixty (60) days' prior written notice, provided that such termination may not be effected unless and until a replacement has been found by the Issuer which agrees to perform the duties (or substantially similar duties) of the Asset Monitor set out in the Asset Monitor Agreement.

The Asset Monitor may, at any time, resign from its appointment under the Asset Monitor Agreement upon providing the Issuer (copied to the Rating Agency) with sixty (60) days' prior written notice, provided that such resignation shall not be effected unless and until a replacement, which agrees to perform the duties (or substantially similar duties) of the Asset Monitor set out in the Asset Monitor Agreement has been found by the Issuer.

Fees

Under the terms of the Asset Monitor Agreement, the Issuer will pay to the Asset Monitor a fee for the tests to be performed by the Asset Monitor.

The Asset Monitor will not benefit from the *Privilège* for the payment of its fees or any other amounts that might be due to it by the Issuer under the Asset Monitor Agreement.

Limited Recourse – Non Petition

The Asset Monitor Agreement includes Limited Recourse and Non petition provisions, as described in "**Issuer's Activities – Limited Recourse**" and "**Issuer's Activities – Non-Petition**". The Engagement Letter also refers to such Limited Recourse and Non petition provisions.

Amendment

Except as further described under the Asset Monitor Agreement, any material amendment to the Asset Monitor Agreement and/or to the Engagement Letter is subject to the Rating Affirmation.

Governing Law – Jurisdiction

The Asset Monitor Agreement shall be governed by, and construed in accordance with, French law. Each party to the Asset Monitor Agreement and the Asset Monitor irrevocably submit to the exclusive jurisdiction of the French courts in any action or proceeding arising out of or relating to the Asset Monitor Agreement and/or to the Engagement Letter, and hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined by such courts.

Controlled Post-Enforcement Priority Payment Order

In the event of service by the Issuer (represented by the Issuer Independent Representative or by the Administrator) to the Borrower of a Borrower Enforcement Notice and thereafter unless and until an Issuer Enforcement Notice is served to the Issuer, on any Payment Date and (as applicable) Final Maturity Date of each relevant Series of Covered Bonds, the Administrator (on behalf of the Issuer) will give the appropriate instructions to the Issuer Accounts Bank to debit the relevant Issuer Cash Accounts and (as the case may be) the relevant Issuer Securities Accounts (other than the Issuer General Account) from the cash that shall constitute the Available Funds of the Issuer on such date and shall credit the same into the Issuer General Account. The Administrator (on behalf of the Issuer) shall then give the appropriate instructions on such date to the Issuer Accounts Bank and the Paying Agent to apply the Available Funds of the Issuer to the following payments owed by the Issuer on such date, in the following Controlled Post-Enforcement Priority Payment Order:

- (i) **first**, in or towards payment or discharge *pari passu* and *pro rata* of any and all Hedging Costs then due and payable by the Issuer, if any, under the Issuer Hedging Agreements (other than Hedging Termination Costs); or
- (ii) **secondly**, in or towards payment or discharge *pari passu* and *pro rata* of any and all Interest Amounts then due and payable by the Issuer under the relevant series of Covered Bonds;
- (iii) **thirdly**, in or towards payment or discharge *pari passu* and *pro rata* of any and all principal amounts then due and payable by the Issuer under the relevant series of Covered Bonds;
- (iv) **fourthly**, only after and subject to the full repayment of any outstanding Covered Bonds, in or towards payment or discharge *pari passu* and *pro rata* of any and all Hedging Termination Costs then due and payable by the Issuer, if any;
- (v) **fifthly**, only after and subject to the full repayment of any outstanding Covered Bonds, in or towards payment or discharge *pari passu* and *pro rata* of any amounts then due and payable by the Issuer to (a) the Administrator under Clauses 8, 9 and 10 of the Administrative Agreement, if any, and (b) the servicer under the servicing agreement pursuant to which the servicing of the Collateral Security Assets would be carried out by this new servicer in accordance with Article L. 515-22 of the French Monetary and Financial Code (*Code monétaire et financier*), as the case may be;
- (vi) **sixthly**, only after and subject to the full repayment of any outstanding Covered Bonds, in or towards payment or discharge *pari passu* and *pro rata* of any and all amounts then due and payable by the Issuer to the Cash Collateral Provider under the Cash Collateral Agreement;
- (vii) **seventhly**, only after and subject to the full repayment of any outstanding Covered Bonds, in or towards payment or discharge *pari passu* and *pro rata* of any and all Senior Administrative and Tax Costs then due and payable by the Issuer;
- (viii) **eighthly**, (a) only after and subject to the full repayment of any outstanding Covered Bonds, in or towards payment *pari passu* and *pro rata* of any and all amounts then due and payable by the Issuer with respect to any and all enforcement proceeds surplus amounts remaining after enforcement of the Collateral Security subject to, and in accordance with, the relevant terms of the Collateral Security Agreement; and (b) only after and subject to the full repayment of any outstanding Covered Bonds and sums referred to in (a) above, in or towards payment *pari passu* and *pro rata* of any and all amounts then due and payable by the Issuer to any third parties (with respect to any dividend already voted and to be then distributed to the Issuer's shareholders, and interest, principal and other payments then due and payable under the Subordinated Loans).

Accelerated Post-Enforcement Priority Payment Order

In the event of service of an Issuer Enforcement Notice and thereafter (whether a Borrower Enforcement Notice shall have been served to the Borrower or not), the Administrator (on behalf of the Issuer) will promptly and no later than three (3) Business Days after receipt by the Issuer of such Issuer Enforcement Notice give the appropriate instructions to the Issuer Accounts Bank to debit all the Issuer Accounts (other than the Issuer General Account) from the cash that shall constitute the Available Funds of the Issuer on such date and shall credit the same into the Issuer General Account. The Administrator (on behalf of the Issuer) shall then give the appropriate instructions on such date and on each and every day chosen by the Administrator thereafter to the Issuer Accounts Bank and the Paying Agent to apply the Available Funds of the Issuer to the following payments owed by the Issuer on and as from such date, in the following Accelerated Post-Enforcement Priority Payment Order provided that, for the avoidance of doubt, no payment item below shall be paid as long as an item ranking senior to it shall not have been duly paid, repaid, reimbursed or redeemed in full by the Issuer:

- (i) **first**, in or towards payment or discharge *pari passu*, *pro rata* and in full of any and all sums then due and payable by the Issuer, if any, under the Issuer Hedging Agreements (other than Hedging Termination Costs) and remaining unpaid at such date;
- (ii) **secondly**, after and subject to the full repayment of any and all sums referred to in (i) above, in or towards payment or discharge *pari passu*, *pro rata* and in full of any and all Interest Amounts then

due and payable by the Issuer under the relevant series of Covered Bonds and remaining unpaid at such date;

- (iii) **thirdly**, after and subject to the full repayment of any and all sums referred to in (i) and (ii) above, in or towards payment or discharge *pari passu, pro rata* and in full of any and all principal amounts then due and payable by the Issuer under the relevant series of Covered Bonds and remaining unpaid at such date;
- (iv) **fourthly**, after and subject to the full repayment of any and all sums referred to in (i) to (iii) above, in or towards payment or discharge *pari passu, pro rata* and in full of any and all Hedging Termination Costs then due and payable by the Issuer and remaining unpaid at such date;
- (v) **fifthly**, after and subject to the full repayment of any and all sums referred to in (i) to (iv) above, in or towards payment or discharge *pari passu* and *pro rata* of any amounts then due and payable by the Issuer (and remaining unpaid at such date) to (a) the Administrator under Clauses 8, 9 and 10 of the Administrative Agreement, if any, and (b) the servicer under the servicing agreement pursuant to which the servicing of the Collateral Security Assets would be carried out by this new servicer in accordance with Article L. 515-22 of the French Monetary and Financial Code (*Code monétaire et financier*), as the case may be;
- (vi) **sixthly**, after and subject to the full repayment of any and all sums referred to in (i) to (v) above, in or towards payment or discharge *pari passu* and *pro rata* of any and all amounts then due and payable by the Issuer to the Cash Collateral Provider under the Cash Collateral Agreement;
- (vii) **seventhly**, after and subject to the full repayment of any and all sums referred to in (i) to (vi) above, in or towards payment or discharge *pari passu* and *pro rata* of the Senior Administrative and Tax Costs; and
- (viii) **eighthly**, (a) after and subject to the full repayment of any and all sums referred to in (i) to (vii) above, in or towards payment *pari passu* and *pro rata* of any and all amounts due by the Issuer with respect to any and all enforcement proceeds surplus amounts remaining after enforcement of the Collateral Security subject to, and in accordance with, the relevant terms of the Collateral Security Agreement; and (b) after and subject to the full repayment of any and all sums referred to in (i) to (vii) above and any sums referred to in (a) above, in or towards payment *pari passu* and *pro rata* of any and all amounts due by the Issuer to any third parties (with respect to any dividend already voted and to be then distributed to the Issuer's shareholders, and interest, principal and other payments then due and payable under the Subordinated Loans).

ORIGINATION OF THE HOME LOANS

For the avoidance of doubt, it is specified that the expression "Covered Bonds" will include German law and French law Covered Bonds and the expression "Bondholders" includes any holder of such Covered Bonds, in the following section.

The *Caisses Locales* (Caisses) and the *Banque Privée Européenne* (BPE) apply their lending criteria and conditions to all the home loans pursuant to the usual customary lending procedures of the Group Crédit Mutuel Arkéa, whatever the origination source is (branch level or brokers).

Pre-Acceptance Control

Prior to the acceptance for granting a home loan, information on the client is systematically collected from:

- (i) the national database on household credit repayment incidents (*Fichier des Incidents de Remboursements des Crédits aux Particuliers*) regulated by the Banque de France, where payment incidents are recorded on all types of non-professional loans to individuals, including unauthorised overdrafts; and
- (ii) the central cheque register (*Fichier Central des Chèques*) held by the Banque de France, which is the central record of (i) payment incidents involving bad cheques, (ii) bans on issuing cheques as imposed by banks on those account holders having caused these incidents, and (iii) bans on issuing cheques as ordered by court.

Should the client be found registered as a defaulting borrower, as a result of searches of the above, the application is rejected.

The relevant applicant relationship manager shall collect the necessary information from the general information system within the Group Crédit Mutuel Arkéa and is responsible for the completion of the loan file and collection of all relevant documents (including, inter alia, salary slips, tax statements, bank statements, and audited financial statements for self-employed applicants). Debts and income are verified against documents, such as the last document sent by the French tax administration, tax statements, the most recent pay slips, and bank statements.

When a home loan guarantee is requested from *L'Équité* (Generali Group), the pre-acceptance process also includes the underwriting and acceptance process to be undertaken by *L'Équité* when some criteria are not satisfied (including, inter alia, a minimum relevant available income per family member (quotient familial), a debt-to-income ratio required limit and that the applicant be not self-employed). Otherwise the decision process is delegated to the Group Crédit Mutuel Arkéa.

When a home loan guarantee is requested from Crédit Logement, the pre-acceptance process also includes the underwriting and acceptance process to be undertaken by Crédit Logement.

Decision Process

Underwriting relies on an authorization system whereby each relationship manager is assigned a hierarchical level depending on the relationship manager's seniority. The hierarchical levels at which loans are analysed depend on the contemplated amount of the loan, the available income per family member, the Basel II rating and the debt-to-income ratio. As a matter of rule for the Fédération du Crédit Mutuel de Bretagne, when the relevant debt-to-income ratio required limit is exceeded or the Basel II rating, with respect to the applicant, is lower than a certain level, the decision shall be taken by the highest hierarchical level in the branch. Furthermore, in the event that the available income per family member is lower than a certain level, the decision shall be taken by the board of directors of the relevant Caisse.

Any decision is taken in light of numerous factors such as, inter alia, type and length of employment, type of occupancy, family status, family's economic situation, capital, debt-to-income ratio, available income, and securities granted by the applicant.

Pre-Funding Controls

Once accepted, the persons in charge at each Caisse and each BPE's branch verify that (i) all the documents necessary for the funding of the home loan have been provided, (ii) the home loan complies with applicable laws, and (iii) information provided in respect of the client or property is consistent. In the event that any documents are missing or are not legally compliant, the home loan funding process is put on

hold.

During this stage, all persons in charge at each Caisse and each BPE's branch are responsible for liaising with all relevant third parties (including, inter alia, the relevant notary public). The home loan offer and home loan documentation may only be issued to the client once all the documents required from the borrower have been obtained, (and the decision for the underwriting of the home loan has been approved). Upon reception by the bank of an offer accepted by a client, the relevant Caisse or BPE's branch verifies the validity of the accepted offer and then proceeds with the funding of the home loan.

Servicing

The Caisses and BPE's branches are responsible for dealing with irregular situations as soon as such situations are detected. All Caisses and BPE's branches use an arrears management system to monitor and work out the delinquent payments incurred on home loans.

First out-of-court recovery stage

With respect to the Caisses, upon the first occurrence of an overdue payment, phone calls are made by the relationship manager to chase up payments. As soon as a home loan has a payment due and unpaid for more than fifteen (15) days or thirty five (35) days at the latest, depending on the Fédération du Crédit Mutuel, the servicing of such a home loan is transferred to a dedicated subsidiary of the Group Crédit Mutuel. Such recovery entity is responsible for recovering the first unpaid instalments by using methods such as warning letters or very selective phone calls in order to chase up payments.

With respect to BPE, the branches are responsible for servicing and collecting the unpaid payments during this stage. Once one instalment has been missed by the client, a first warning letter is sent by the relevant branch. If the missed payment is not rectified, the branch meets the client, sends a warning letter and then, if necessary, sends a formal notice.

Second out-of-court recovery stage

With respect to the Fédérations du Crédit Mutuel, once four instalments have been missed by the relevant client, the servicing of such a home loan is transferred back to the Caisse. The Fédérations' internal dispute and litigation departments provide their assistance to the Caisses for servicing and collection of the defaulted payments during this stage.

With respect to BPE, once four instalments have been missed by the relevant client, the servicing of such a home loan is transferred to the BPE's central out-of-court recovery department. At this point, the recovery manager initiates an out-of-court recovery procedure whereby it negotiates recovery solutions on amicable terms, in order to put the loan back into a performing loan.

Judicial dispute and litigation stage

The responsibility for the servicing of such a home loan is transferred to the Group Crédit Mutuel Arkéa's internal dispute and litigation departments when the out-of-court recovery procedures have failed, a commercial litigation is started or a judicial dispute is commenced by a third party.

Servicing of the guaranteed home loans

When the home loan is guaranteed by *L'Equité*, the guarantee is drawn in favour of the Crédit Mutuel Arkéa Group as soon as there are more than three (3) missed monthly payments or a quarterly payment is due and unpaid for more than two (2) months. The Crédit Mutuel Arkéa Group accelerates the payment of all guaranteed amounts. *L'Equité* shall pay the entirety of the guaranteed amounts (the delinquent instalments as well as the outstanding principal) within fifteen (15) days of receipt of the relevant drawing notice and documents required from the Crédit Mutuel Arkéa Group. The servicing of the home loan is transferred to *L'Equité* upon payment by the latter.

When the home loan is guaranteed by Crédit Logement, the guarantee is drawn in favour of Group Crédit Mutuel Arkéa as soon as any payment becomes more than 90 days overdue. Crédit Logement must start paying the relevant guaranteed amounts within one (1) month of receipt of the relevant drawing notice. Upon payment by Crédit Logement, the latter becomes responsible for the servicing of the home loan for a maximum duration of twenty-four (24) months. Crédit Logement is required to use its best efforts to reach an amicable solution with the client. During such a twenty-four (24) month period, Crédit Logement can opt either to reimburse the Group Crédit Mutuel Arkéa only the guaranteed amounts that are due, or immediately accelerate the payment of all guaranteed amounts. Crédit Logement must accelerate the payment of the entirety of the guaranteed amounts at the end of the above mentioned twenty-four (24) month period. At this point, Crédit Logement shall become solely responsible for the servicing of the home loan.

THE HEDGING STRATEGY

For the avoidance of doubt, it is specified that the expression "Covered Bonds" will include German law and French law Covered Bonds and the expression "Bondholders" includes any holder of such Covered Bonds, in the following section.

The present section describes the hedging strategy (the "**Hedging Strategy**") to be implemented by the Issuer upon the occurrence of a Hedging Rating Trigger Event (as defined below) and/or any Borrower Event of Default (as defined in section "**The Borrower and the Borrower Facility Agreement – The Borrower Facility Agreement**"), as applicable.

Pursuant to Articles L.515-18 and L.515-19 of the French Monetary and Financial Code (*Code monétaire et financier*), any amounts payable by the Issuer under the derivative transactions described below will benefit, after any applicable netting, from the *Privilège*. Any Hedging Provider(s) will thus be qualified as Privileged Creditor(s).

Hedging strategy before the occurrence of a Hedging Rating Trigger Event and/or any Borrower Event of Default

The Covered Bonds may be denominated in currencies which differ from the currencies of the Collateral Security Assets and may bear interest at rates which differ from the interest rates applicable to the Collateral Security Assets (see "**The Collateral Security**").

Prior to a Borrower Event of Default (and transfer of the title to the Collateral Security Assets to the Issuer), the Issuer will not be exposed to any interest rate or currency mismatch risks because the terms and conditions of each Series of Covered Bonds (including as to amount, interest rate, interest periods, calculation of principal and interest, payment dates and currency) will be identical to the terms and conditions of the Borrower Advance which such Series of Covered Bonds funds (see "**The Borrower Facility Agreement**"). As a consequence, in the absence of any Hedging Rating Trigger Event, the Issuer will have no obligation to hedge any interest rate or currency risk.

If a Borrower Event of Default occurs, and as a result the Collateral Security is enforced and title to the Collateral Security Assets is transferred to the Issuer, the Issuer will then be exposed to interest rate and currency mismatches between the Collateral Security Assets and the Covered Bonds. As a result, the Issuer will need to have in place appropriate derivative transactions to hedge such interest rate and currency risks.

The Hedging Strategy of the Issuer described in the present section requires that, upon the occurrence of any Hedging Rating Trigger Event, Hedging Agreements (as defined below) and Hedging Transactions (as defined below) are entered into by the Issuer as described in paragraph "Hedging Strategy upon the occurrence of a Hedging Rating Trigger Event" below.

Before the enforcement of the Collateral Security and in the absence of any Hedging Rating Trigger Event, any interest rate or currency risk arising from the mismatch between the Collateral Security Assets and the Borrower Debt will be hedged by Crédit Mutuel Arkéa according to its usual and current strategies and practices.

Hedging Strategy upon the occurrence of a Hedging Rating Trigger Event

In order to hedge any interest rate or currency risk arising from the mismatches between the terms and conditions of the Covered Bonds and the Collateral Security Assets, and therefore implement the Hedging Strategy of the Issuer described in the present section, the Issuer and the Borrower have agreed to execute a hedging approved form letter (the "**Hedging Approved Form Letter**"). The Hedging Strategy provides for the conclusion of three (3) sets of hedging agreements (the "**Hedging Agreements**") and related hedging transactions (the "**Hedging Transactions**").

The first set of Hedging Agreements refers to the "Issuer Hedging Agreement(s) – Covered Bonds" (as defined below) to be entered into by the Issuer with Eligible Hedging Provider(s) (as defined below) upon the occurrence of a Hedging Rating Trigger Event, in order to hedge any currency and/or interest rate risk borne by the Issuer in connection with any Series of Covered Bonds.

The second set of Hedging Agreements refers to the "Issuer Hedging Agreement(s) – Collateral Security" (as defined below) to be entered into by the Issuer with Eligible Hedging Provider(s) upon the occurrence of a Hedging Rating Trigger Event, in order to hedge any currency and/or interest rate risk borne by the Issuer in respect of the Collateral Security Assets.

The first and second sets of Hedging Agreements are defined as the "**Issuer Hedging Agreements**".

The third set of Hedging Agreements refers to the "Borrower Hedging Agreement(s)" (as defined below) to be entered into by the Issuer with the Borrower upon the occurrence of a Hedging Rating Trigger Event, and constitutes a back-to-back agreement with the two sets of Issuer Hedging Agreement(s). It aims at transferring to the Borrower the effect of such Issuer Hedging Agreements and related Hedging Transactions (the "**Issuer Hedging Transactions**") until a Borrower Event of Default is enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement.

Therefore, the Hedging Agreements shall hedge the amount of interest and principal payable by the Issuer under any relevant Series of Covered Bonds in the relevant Specified Currency against the interest rate and/or currency risk of the payments corresponding to the interest and principal in each relevant currency to be received by the Issuer under the Collateral Security Assets following the delivery of a Borrower Enforcement Notice.

The floating interest rate applicable to the Hedging Transactions will refer to Euribor (one (1) month) or, subject to prior Rating Affirmation, to any other index agreed by the Issuer (the "**Permitted Index**").

Upon the issuance of each Series of Covered Bonds and in accordance with the Calculation Services Agreement, the Issuer Calculation Agent shall communicate to the Issuer (with copy to the Borrower, the Administrator and the Rating Agency) the margin (relative to Euribor (one (1) month) or the agreed Permitted Index) to be paid by the Issuer when hedging the interest and principal payable by it under such Series in the relevant Specified Currency, into variable rate flows denominated in Euros and indexed to Euribor (one (1) month) or the agreed Permitted Index (the "**Covered Bonds Hedging Margin**").

In accordance with the Calculation Services Agreement, at the end of each three (3) calendar months' period as from the Signing Date and before the occurrence of a Hedging Rating Trigger Event, the Issuer Calculation Agent shall communicate to the Issuer (with copy to the Borrower, the Administrator and the Rating Agency) the average margin (relative to Euribor (one (1) month) or the agreed Permitted Index) to be received by the Issuer when hedging the interest and principal payable under the Collateral Security Assets in each relevant currency, into variable rate flows denominated in Euros and indexed to Euribor (one (1) month) or the agreed Permitted Index (the "**Assets Hedging Margin**").

Upon the occurrence of a Hedging Rating Trigger Event, the Issuer (or the Administrator on its behalf) will enter into with Eligible Hedging Provider(s):

- (a) one or more agreements (the "**Issuer Hedging Agreement(s) – Collateral Security**") and related Issuer Hedging Transaction(s), the effective date of which being the occurrence of such Hedging Rating Trigger Event, in order to hedge any currency and/or interest rate risk it will bear in respect of the Collateral Security Assets, substantially in the relevant Approved Form (or, when legally required, its equivalent under the FBF (*Fédération Bancaire Française*) standard form) and in substance acceptable to the Rating Agency. The Hedging Transaction(s) entered into under the Issuer Hedging Agreement(s) – Collateral Security will swap the payments to be received under the Collateral Security Assets to Euro / EURIBOR (one (1) month) or any other Permitted Index; and
- (b) one or more agreements (the "**Issuer Hedging Agreement(s) – Covered Bonds**") and related Issuer Hedging Transaction(s), the effective date of which being the occurrence of such Hedging Rating Trigger Event, in order to hedge any currency and/or interest rate risk it will bear in connection with any Series of Covered Bonds, substantially in the relevant Approved Form (or, when legally required, its equivalent under the FBF (*Fédération Bancaire Française*) standard form) and in substance acceptable to the Rating Agency. The Hedging Transaction(s) entered into under the Issuer Hedging Agreement(s) – Covered Bonds will swap the Issuer's obligations under each Series of Covered Bonds to Euro / EURIBOR (one (1) month) or the Permitted Index agreed in respect of the Hedging Transaction(s) entered into under the Issuer Hedging Agreement(s) – Collateral Security.

In addition, the Issuer and the Borrower have undertaken to enter into, upon the occurrence of a Hedging Rating Trigger Event, one or more agreements (the "**Borrower Hedging Agreement(s)**") and related Hedging Transaction(s) (the "**Borrower Hedging Transaction(s)**"), the effective date of which being the occurrence of such Hedging Rating Trigger Event, substantially in the relevant Approved Form (or, when

legally required, its equivalent under the FBF (*Fédération Bancaire Française*) standard form) and in substance acceptable to the Rating Agency, in order to transfer to the Borrower the effect of the two sets of Issuer Hedging Agreement(s) and related Issuer Hedging Transaction(s), until a Borrower Event of Default is enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement. Under the Borrower Hedging Transaction(s), the Issuer will receive amounts equal to its payment obligations under the Issuer Hedging Transactions and will pay amounts equal to the amounts it receives under the Issuer Hedging Transactions.

The financial conditions of the Hedging Agreements shall be determined so that (a) the margin payable by the Issuer under the Issuer Hedging Agreement(s) related to a Series of Covered Bonds is no more than the Covered Bonds Hedging Margin calculated for such Series and (b) the margin received by the Issuer under the Issuer Hedging Agreement(s) related to the Collateral Security Assets is at least as much as the last communicated Assets Hedging Margin.

Depending on the market conditions prevailing at the time the Hedging Agreements are transacted, each Hedging Transaction may be "in the money" or "out of the money" from the Issuer's standpoint. As a result, the Issuer (i) will be required to pay to, or will receive from, the relevant Eligible Hedging Provider(s) under each Issuer Hedging Transaction a premium (*soulte*) (such premium will in particular take into account any sums to be paid (if any) given the prevailing market conditions to allow the Issuer Hedging Transactions to be transacted at the relevant Covered Bonds Hedging Margin and the Assets Hedging Margin) and (ii) will receive from, or pay to, the Borrower a corresponding amount under the relevant Borrower Hedging Transaction(s). In accordance with the Calculation Services Agreement, the Issuer Calculation Agent shall calculate and communicate to the Issuer (with copy to the Borrower, the Administrator and the Rating Agency) the amount of each such premium (*soulte*).

In any case, all sums to be received by the Issuer under the Issuer Hedging Transactions as from the occurrence of a Borrower Event of Default which is enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement (and thus the termination of the Borrower Hedging Agreement(s) as described in paragraph "Hedging Strategy upon the occurrence of a Borrower Event of Default" below) until the Final Maturity Date of the last Series of Covered Bonds shall exceed at any payment date under the Issuer Hedging Transactions all sums to be paid by the Issuer under such Issuer Hedging Transactions, together with any costs and expenses relating thereto, if any.

If notwithstanding the payment of the premiums (*soulttes*) referred above, the Issuer still has to bear costs and expenses when it negotiates and/or enters into any Hedging Agreements and/or related Hedging Transactions to comply with any of the conditions referred to above, the Borrower has undertaken to pay any such costs and expenses.

In addition, the Issuer and the Borrower have undertaken that any costs and/or expenses to be paid in relation to any Hedging Agreements and/or related Hedging Transactions shall be paid, unless otherwise agreed, at a payment date under the applicable Hedging Transaction.

Upon the occurrence of a Hedging Rating Trigger Event, (i) any failure by the Issuer (or the Administrator on its behalf) to enter into (a) appropriate Issuer Hedging Agreements and related Issuer Hedging Transactions with Eligible Hedging Provider(s) or (b) Borrower Hedging Agreement(s) and related Borrower Hedging Transaction(s) with the Borrower, within thirty (30) Business Days from the date of occurrence of the relevant Hedging Rating Trigger Event constitutes the occurrence of an Issuer Event of Default (see "**Terms and Conditions of the Covered Bonds**") and a Borrower Event of Default (see "**The Borrower and the Borrower Facility Agreement – The Borrower Facility Agreement**") and (ii) any failure by the Borrower (a) to enter into appropriate Borrower Hedging Agreement(s) and related Borrower Hedging Transaction(s) with the Issuer, within thirty (30) Business Days from the date of occurrence of the relevant Hedging Rating Trigger Event or (b) to pay any costs and expenses referred to above constitutes the occurrence of a Borrower Event of Default.

Each Hedging Agreement will provide that all amounts to be paid by the Issuer under such Hedging Agreement will be paid according to the relevant Priority Payment Order, as described in Condition 15 of the Terms and Conditions.

In particular, upon the termination of a Hedging Agreement, the Issuer or the Borrower or any relevant Eligible Hedging Provider, as applicable, may be liable to pay any hedging termination costs to the other party in accordance with the provisions of the relevant Hedging Agreement. Such hedging termination costs, when to be paid by the Issuer and provided that the amount of such costs has not been reduced to zero (0) in accordance with the provisions of the relevant Hedging Agreement, shall be subordinated to payments under the Covered Bonds if resulting from an event of default in respect of which the relevant

hedge counterparty of the Issuer is the defaulting party or from any termination event in respect of which the hedge counterparty of the Issuer is the affected party, as described in section "**Cash Flow – The Issuer Priority Payment Orders**".

Pursuant to the terms of the Hedging Agreements, in the event that the relevant ratings of the Eligible Hedging Provider(s) (or its respective guarantor, as applicable) (the "**Hedging Provider**") is or are downgraded by a Rating Agency below the required ratings specified in the relevant Hedging Agreement and, where applicable, the relevant Hedging Provider will, in accordance with and pursuant to the terms of the relevant Hedging Agreement, be required to take certain remedial measures which may include one (1) or more of the following: (i) providing collateral for its obligations under the relevant Hedging Agreement; (ii) arranging for its obligations under the relevant Hedging Agreement to be transferred to a replacement hedging provider with the ratings determined in accordance with the methodologies published by the Rating Agency (as specified in the relevant Hedging Agreement); (iii) procuring another entity with the ratings required by the relevant Rating Agency (as specified in the relevant Hedging Agreement) to become co-obligor in respect of its obligations under the relevant Hedging Agreement; and/or (iv) taking such other actions as the relevant Hedging Provider may agree with the Rating Agency.

Each Issuer Hedging Agreement may be terminated in accordance with certain termination events and events of default. An Issuer Event of Default will not constitute a termination event under any Issuer Hedging Agreement.

Each Borrower Hedging Agreement may be terminated in accordance with certain termination events and events of default. In particular, a Borrower Event of Default which is enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement constitutes the occurrence of a termination event under a Borrower Hedging Agreement but does not constitute the occurrence of a termination event under an Issuer Hedging Agreement.

Hedging Strategy upon the occurrence of a Borrower Event of Default

Upon the occurrence of a Borrower Event of Default, and the subsequent transfer in favour of the Issuer of title to the Home Loans (and related Home Loans Security) following an enforcement of the Collateral Security:

- (a) the Issuer will maintain its rights and obligations under the existing Issuer Hedging Agreements; and
- (b) the Borrower Hedging Agreement(s) will be immediately terminated.

"**Hedging Approved Form Letter**" means the letter agreement dated on or prior the Signing Date entered into between Crédit Mutuel Arkéa Home Loans SFH and Crédit Mutuel Arkéa in order to implement the Hedging Strategy of the Issuer and pursuant to which the Issuer and the Borrower agree the Approved Form of the Hedging Agreements.

Par décision en date du [●], le conseil d'administration de Crédit Mutuel Arkéa Home Loans SFH a fixé le plafond maximum du programme d'émissions de ressources bénéficiant du privilège institué par l'Article L. 515-19 du Code monétaire et financier, à EUR [●], pour la période allant du [●] au [●].

L'Article L. 515-20 du Code monétaire et financier dispose que le montant total des éléments d'actif des sociétés de financement de l'habitat doit être supérieur au montant des éléments de passif bénéficiant du privilège mentionné à l'Article L. 515-19 de ce même Code. Il nous appartient d'attester du respect de cette règle dans le cadre du présent programme d'émissions.

Le respect de cette règle, compte tenu du programme d'émissions visé ci-dessus, a été vérifié sur la base d'informations financières estimées, au titre de la période courue, et prévisionnelles, au titre de la période à venir, établies sous la responsabilité de votre conseil d'administration. Les informations financières prévisionnelles ont été établies à partir des hypothèses traduisant la situation future que vous avez estimée la plus probable à la date de leur établissement. Ces informations sont présentées en annexe à la présente attestation.

Nous avons effectué nos travaux sur la base des diligences que nous avons estimées nécessaires au regard de la doctrine professionnelle de la Compagnie Nationale des Commissaires aux Comptes relative à cette mission. Ces diligences sont destinées à vérifier, sur la base des informations financières établies et du programme d'émissions sus-visé, le respect de la règle prévue par l'Article L. 515-20 du Code monétaire et financier et les modalités de calcul du ratio de couverture prévues par les dispositions du règlement n°99-10 du Comité de la Réglementation Bancaire et Financière.

Nos diligences ont notamment consisté à examiner le processus d'élaboration des informations financières produites, afin d'en vérifier la cohérence dans la perspective de contrôler le respect de la règle prévue à l'Article L. 515-20 du Code monétaire et financier. En ce qui concerne les informations prévisionnelles, nous avons pris connaissance des hypothèses retenues et vérifié leur traduction chiffrée, étant rappelé que, s'agissant de prévisions présentant par nature un caractère incertain, les réalisations différeront parfois de manière significative des informations prévisionnelles établies.

Sur la base de nos travaux, nous n'avons pas d'observation à formuler sur le respect, par Crédit Mutuel Arkéa Home Loans SFH, de l'Article L. 515-20 du Code monétaire et financier stipulant que le montant des éléments d'actif doit être supérieur au montant des éléments de passif privilégiés, après prise en compte du présent programme d'émissions.

To the Directors of Crédit Mutuel Arkéa Home Loans SFH,

In our capacity as the Specific Controller of your company and pursuant to the provisions set forth in Articles L. 515-30 and R. 515-13 of the French Monetary and Financial Code (*Code monétaire et financier*), we hereby set out our certification regarding compliance with the rule provided for in Article L. 515-20 of the French Monetary and Financial Code (*Code monétaire et financier*) within the framework of a quarterly programme for issuing resources benefiting from the statutory priority in right of payment (*privilège*) mentioned in Article L. 515-19 of said code.

In a decision dated [●], the Board of Directors of Crédit Mutuel Arkéa Home Loans SFH set the maximum ceiling for the programme for issuing resources benefiting from the *privilège* mentioned in Article L. 515-19 of the French Monetary and Financial Code (*Code monétaire et financier*) at EUR [●], for the period from [●] to [●].

Article L. 515-20 of the French Monetary and Financial Code (*Code monétaire et financier*) states that the total amount of assets held by *sociétés de financement de l'habitat* (special purpose real estate credit institutions) must be greater than the amount of liabilities which benefit from the *privilège* mentioned in Article L. 515-19 of said code. It is our responsibility to certify the compliance with this rule within the scope of this issue programme.

Compliance with this rule, in view of the aforementioned issue programme, was verified on the basis of estimated financial data, in respect of the period elapsed, and forecasted financial data, in respect of the future period to come, drawn up under the responsibility of your Board of Directors. The forecasted financial data were drawn up on the basis of assumptions which reflect the future position that you deemed to be most probable as of the date that they were drawn up. This information is presented in an appendix to this report.

We performed our review in accordance with the procedures issued from the professional rules and practises of the *Compagnie Nationale des Commissaires aux Comptes* (National Association of Statutory Auditors) that are applicable to this type of assignment. These procedures, based on such financial information and on the above mentioned issue programme, were carried out in order to verify compliance with the rule laid down by Article L. 515-20 of the French Monetary and Financial Code (*Code monétaire et financier*) and with the methods of calculating the coverage ratio provided for in Regulation no. 99-10 of the French Banking and Financial Regulation Committee (*Comité de la Réglementation Bancaire et Financière*).

Our work has also required that we plan and prepare our review leading to an assessment of the fair presentation of the estimated and the forecasted financial data, with regard to its consistency, plausibility and relevance, with a view to checking compliance with the rule provided for in Article L. 515-20 of the French Monetary and Financial Code (*Code monétaire et financier*). Regarding the forecasted financial data, we have assessed the assumptions used and their statement in figures, considering that, as the forecasts are, by their nature, uncertain, the actual results could differ significantly from the forecasted data presented.

Based on our work, we have no comments to make as regards compliance by Crédit Mutuel Arkéa Home Loans SFH with Article L. 515-20 of the French Monetary and Financial Code (*Code monétaire et financier*), which states that the amount of assets must be greater than the amount of liabilities benefiting from the *privilège*, after taking into account the aforementioned issue programme.

TAXATION

For the avoidance of doubt, it is specified that the expression "Covered Bonds" will only include French law Covered Bonds, in the following section.

The following is a summary limited to certain tax considerations in France and in the Grand Duchy of Luxembourg relating to the payments made in respect of the Covered Bonds that may be issued under the Programme and specifically contains information on taxes on the income from the securities withheld at source. This summary is based on the laws in force in France and in the Grand Duchy of Luxembourg as of the date of this Base Prospectus and as applied by the tax authorities, all of which are subject to changes or to different interpretation. It does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to purchase, own or dispose of the Covered Bonds. Each prospective holder or beneficial owner of Covered Bonds should consult its tax advisor as to the tax consequences of any investment in or ownership and disposal of the Covered Bonds in light of its particular circumstances.

EU Savings Directive

On 3 June 2003, the European Union adopted the Directive 2003/48/EC regarding the taxation of savings income in the form of interest payments (the "**Directive**"). The Directive requires Member States as from 1 July 2005 to provide to the tax authorities of other Member States details of payments of interest and other similar income within the meaning of the Directive made by a paying agent located within its jurisdiction to (or, under certain circumstances, to the benefit of) a beneficial owner (within the meaning of the Directive) resident another Member State, except that Luxembourg and Austria will instead impose a withholding system for a transitional period unless the beneficiary of the interest payment elects for the exchange of information.

For these purposes, the term "**paying agent**" is defined widely and includes in particular any economic operator who is responsible for making interest payments, within the meaning of the Directive, for the immediate benefit of individuals.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of tax were to be withheld from that payment, neither the Issuer nor any paying agent nor any other person would be obliged to pay additional amounts with respect to any Covered Bond as a result of the imposition of such withholding tax. If a withholding tax is imposed on payment made by a paying agent, the Issuer will be required to maintain a paying agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Directive.

On 15 September 2008 the European Commission issued a report to the Council of the European Union on the operation of the Directive, which included the Commission's advice on the need for changes to the Directive. On 13 November 2008, the European Commission published a detailed proposal for amendments to the Directive, which included a number of suggested changes. The European Parliament approved an amended version of this proposal on 24 April 2009. If any of those proposed changes are made in relation to the Directive they may amend or broaden the scope of the requirements described above.

2. French Withholding Tax

- a) Following the introduction of the French "*loi de finances rectificative pour 2009 n° 3*" (no. 2009-1674 dated 30 December 2009) (the "**Law**"), payments of interest and other revenues made by the Issuer with respect to Covered Bonds (other than Covered Bonds (described below) which are assimilated (*assimilables* for the purpose of French law) and form a single Series with Covered Bonds issued before 1 March 2010 having the benefit of Article 131 *quater* of the French General Tax Code) will not be subject to the withholding tax set out under Article 125 A III of the French General Tax Code unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of Article 238-0 A of the French General Tax Code (a "**Non-Cooperative State**"). If such payments under the Covered Bonds are made in a Non-Cooperative State, a 50% withholding tax will be applicable (subject to certain exceptions and to the more favourable provisions of any applicable double tax treaty) by virtue of Article 125 A III of the

French General Tax Code.

Furthermore, interest and other revenues on such Covered Bonds are not deductible from the Issuer's taxable income, if they are paid or accrued to persons established in a Non-Cooperative State or paid in such a Non-Cooperative State. Under certain conditions, any such non-deductible interest and other revenues may be recharacterised as constructive dividends pursuant to Article 109 of the French General Tax Code, in which case such non-deductible interest and other revenues may be subject to the withholding tax set out under Article 119 *bis* of the French General Tax Code, at a rate of 25% or 50%.

Notwithstanding the foregoing, the Law provides that neither the 50% withholding tax nor the non-deductibility will apply in respect of a particular issue of Covered Bonds if the Issuer can prove that the principal purpose and effect of such issue of Covered Bonds was not that of allowing the payments of interest or other revenues to be made in a Non-Cooperative State (the "**Exception**"). Pursuant to the ruling (*rescrit*) no. 2010/11 (FP and FE) of the *Direction générale des impôts* dated 22 February 2010, an issue of Covered Bonds will benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of such issue of Covered Bonds if such Covered Bonds are:

- (i) offered by means of a public offer within the meaning of Article L.411-1 of the French Monetary and Financial Code or pursuant to an equivalent offer in a State or territory other than a Non-Cooperative State. For this purpose, an "equivalent offer" means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or
 - (ii) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or
 - (iii) admitted, at the time of their issue, to the operations of a central depository or of a securities clearing and delivery and payments systems operator within the meaning of Article L.561-2 of the French Monetary and Financial Code, or of one or more similar foreign depositories or operators provided that such depository or operator is not located in a Non-Cooperative State.
- b) Payments of interest and other revenues with respect to Covered Bonds which are assimilated (*assimilables* for the purpose of French law) and form a single Series with Covered Bonds issued (or deemed issued) outside France as provided under Article 131 *quater* of the French General Tax Code, before 1 March 2010, will continue to be exempt from the withholding tax set out under Article 125 A III of the French General Tax Code.

Covered Bonds issued before 1 March 2010, whether denominated in Euro or in any other currency, and constituting *obligations* under French law, or *titres de créances négociables* within the meaning of rulings (*rescrits*) no. 2007/59 (FP) and 2009/23 (FP) of the *Direction générale des impôts* dated 8 January 2008 and 7 April 2009, respectively, or other debt securities issued under French or foreign law and considered by the French tax authorities as falling into similar categories, are deemed to be issued outside the Republic of France for the purpose of Article 131 *quater* of the French General Tax Code, in accordance with Circular 5 I-11-98 of the *Direction générale des impôts* dated 30 September 1998 and the aforementioned rulings (*rescrits*) no. 2007/59 (FP) and 2009/23 (FP).

In addition, interest and other revenues paid by the Issuer on Covered Bonds and which are to be assimilated (*assimilables* for the purpose of French law) and form a single Series with Covered Bonds issued before 1 March 2010 will not be subject to the withholding tax set out in Article 119 *bis* of the French General Tax Code solely on account of their being paid in a Non-Cooperative State or accrued or paid to persons established or domiciled in a Non-Cooperative State.

2.2. Directive

The Directive has been implemented in French law by Article 242 *ter* of the French General Tax Code (*Code général des impôts*) and Articles 49 I *ter* to 49 I *sexies* of the Schedule III to the French General Tax Code (*Code général des impôts*). Article 242 *ter* of the French General Tax Code (*Code général des*

impôts), imposes on paying agents based in France an obligation to report to the French tax authorities certain information with respect to interest payments made to beneficial owners domiciled in another Member State, including, among other things, the identity and address of the beneficial owner and a detailed list of the different categories of interest paid to that beneficial owner.

3. Luxembourg Withholding Tax

The Directive has been implemented in Luxembourg law by Act of 21 June 2005.

3.1 Individuals

Luxembourg residents

A ten per cent. (10%) withholding tax has been introduced, as from 1 January 2006, on interest payments made by Luxembourg paying agents (defined in the same way as in the Directive) to Luxembourg individual residents. Only interest accrued after 1 July 2005 falls within the scope of this withholding tax. Income (other than interest) from investment funds and from current accounts provided that the interest rate is not higher than 0.75% are exempt from the withholding tax. Furthermore, interest which is accrued once a year on savings accounts (short and long term) and which does not exceed €250 per person and per paying agent is exempted from the withholding tax.

This withholding tax represents the final tax liability for the Luxembourg individual resident taxpayers.

Luxembourg non-residents

Subject to the application of the Directive and the applicable laws, there is no withholding tax on payments of interest (including accrued but unpaid interest) made to Luxembourg non-resident Bondholders.

Under the Directive and the applicable laws, a Luxembourg based paying agent (within the meaning of the Directive) is required since 1 July 2005 to withhold tax on interest and other similar income paid by it to (or under certain circumstances, to the benefit of) a beneficial owner (within the meaning of the Directive) resident in another Member State unless the beneficiary of the interest payments elects for the exchange of information. The same regime applies to payments to beneficial owners (within the meaning of the Directive) resident in certain dependent territories.

The withholding tax rate is currently twenty per cent. (20%) and will be raised to thirty-five per cent. (35%) as from 1 July 2011. The withholding tax system will only apply during a transitional period, the ending of which depends on the conclusion of certain agreements relating to information exchange with certain other countries.

3.2 Corporations

There is no withholding tax for Luxembourg resident and non-resident corporations holders of the Covered Bonds on payments of interest (including accrued but unpaid interest).

SUBSCRIPTION AND SALE

For the avoidance of doubt, it is specified that the expression "Covered Bonds" will only include French law Covered Bonds and the expression "Bondholders" includes any holder of such French law Covered Bonds, in the following section.

Subject to the terms and on the conditions contained in an amended and restated dealer agreement dated 9 May 2011 between the Issuer, the Arranger and the Permanent Dealers (the "**Dealer Agreement**"), the Covered Bonds will be offered by the Issuer to the Permanent Dealers. However, the Issuer has reserved the right to sell Covered Bonds directly on its own behalf to Dealers that are not Permanent Dealers. The Covered Bonds may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer(s). The Covered Bonds may also be sold by the Issuer through the Dealers, acting as agents of the Issuer. The Dealer Agreement also provides for Covered Bonds to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

The Issuer will pay each relevant Dealer a commission as agreed between them in respect of Covered Bonds subscribed by it. The Issuer has agreed to reimburse the Arranger for its expenses incurred in connection with the Programme and the Dealers for their expenses incurred in connection with certain of their activities in connection with the Programme.

The Issuer has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Covered Bonds. The Dealers have agreed to indemnify the Issuer against certain liabilities in connection with the offer and sale of the Covered Bonds. The Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe Covered Bonds in certain circumstances prior to payment for such Covered Bonds being made to the Issuer.

Selling Restrictions

General

These selling restrictions may be modified by the agreement of the Issuer and the Dealers in particular following a change in a relevant law, regulation or directive. Any such modification will be set out in the Final Terms issued in respect of the issue of Covered Bonds to which it relates or in a supplement to this Base Prospectus.

Each Dealer has agreed that it will comply, to the best of its knowledge, with all relevant laws, regulations and directives in each jurisdiction in which it purchases, offers, sells or delivers Covered Bonds or has in its possession or distributes the Base Prospectus, any other offering material or any Final Terms and neither the Issuer nor any other Dealer shall have responsibility therefore.

United States of America

The Covered Bonds have not been and will not be registered under the Securities Act, and subject to certain exceptions, may not be offered or sold within the United States or to, or for the account or benefit of U.S. persons as defined under Regulation S. Each Dealer has agreed, and each further Dealer appointed under the Programme will be required to agree, that it will not offer or sell the Covered Bonds of any identifiable Tranche within the United States, except as permitted by the Dealer Agreement.

Materialised Covered Bonds having a maturity of more than one (1) year are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986, as amended and regulations thereunder.

In addition, until forty (40) days after the commencement of the offering of any identifiable Tranche, an offer or sale of Covered Bonds within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

This Base Prospectus has been prepared by the Issuer for use in connection with the offer and sale of the Covered Bonds outside the United States. The Issuer and the Dealers reserve the right to reject any offer to purchase the Covered Bonds, in whole or in part, for any reason.

This Base Prospectus does not constitute an offer to any person in the United States. Distribution of this Base Prospectus by any non-U.S. person outside the United States to any U.S. person or to any other person within the United States is unauthorised and any disclosure without the prior written consent of the Issuer of any of its contents to any such U.S. person or other person within the United States is prohibited.

European Economic Area

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "**Relevant Member State**"), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the "**Relevant Implementation Date**") it has not made and will not make an offer of French Law Covered Bonds which are the subject of the offering contemplated by this Base Prospectus as completed by the final terms in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such French Law Covered Bonds to the public in that Relevant Member State:

- (a) at any time to any legal entity which is a qualified investor as defined under the Prospectus Directive;
- (b) at any time to fewer than 100 or, if the Relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (c) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of French Law Covered Bonds referred to in (a) to (c) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an "**offer of French Law Covered Bonds to the public**" in relation to any French Law Covered Bonds in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the French Law Covered Bonds to be offered so as to enable an investor to decide to purchase or subscribe the French Law Covered Bonds, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression "**Prospectus Directive**" means Directive 2003/71/EC of 4 November 2009 (and the amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State) and includes any relevant implementing measure in each Relevant Member State and the expression "**2010 PD Amending Directive**" means Directive 2010/73/EU of 24 November 2010.

The qualification of German Law Covered Bonds, in particular their qualification as securities within the meaning of the implementing measures to the Prospectus Directive, may vary among the different Member States of the European Economic Area. Therefore, each Dealer represents and agrees and each further Dealer appointed under the Programme will be required to represent and agree, that it has not made and will not make an offer of German Law Covered Bonds to the public in that Relevant Member State unless in compliance with the laws applicable in that Relevant Member State to German Law Covered Bonds.

United Kingdom

Each Dealer has represented and agreed and each further Dealer appointed under the Programme will be required to represent and agree that:

or sell any Covered Bonds other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of the Covered Bonds would otherwise constitute a contravention of section 19 of the Financial Services and Markets Act 2000 (the "FSMA") by the Issuer;

- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Covered Bonds in circumstances in which section 21(1) of the FSMA does not apply to the Issuer; and
- (c) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Covered Bonds in, from or otherwise involving the United Kingdom.

Japan

The Covered Bonds have not been and will not be registered under the Financial Instruments and Exchange Act of Japan (Law No. 25 of 1948, as amended, the "FIEA") and each of the Dealers has represented and agreed that it will not, directly or indirectly, offer or sell any Covered Bonds in Japan or to, or for the benefit of, any resident in Japan (as defined under Item 5, Paragraph 1, Article 6 of the Foreign Exchange and Foreign Trade Act No. 228 of 1949, as amended), or to others for re-offering or resale, directly or indirectly in Japan or to a resident in Japan except pursuant to an exemption from the registration requirements of, and otherwise in compliance with the FIEA and any other applicable laws, regulations and ministerial guidelines of Japan.

GENERAL INFORMATION

For the avoidance of doubt, it is specified that the expression "Covered Bonds" will only include French law Covered Bonds and the expression "Bondholders" includes any holder of such French law Covered Bonds, in the following section, except as otherwise specified.

- (1) This Base Prospectus has been approved by the CSSF, as competent authority in Luxembourg for the purposes of the Prospectus Directive.
- (2) The Issuer has obtained all necessary corporate and other consents, approvals and authorisations in France in connection with the update of the Programme. Any issuance of Covered Bonds under the Programme, to the extent that such Covered Bonds constitute *obligations* under French law, requires the prior authorisation of the board of directors (*conseil d'administration*) of the Issuer, which may delegate its power to any other member of the board of directors (*conseil d'administration*), to the chief executive officer (*directeur général*), or with the latter's agreement to any of the vice chief executive officer (*directeur général délégué*), or to any other person.

For this purpose, on 20 April 2011 the board of directors (*conseil d'administration*) of the Issuer has delegated, for a period of one year from 20 April 2011 to 20 April 2012, to Mr. Andro, chief executive officer (*directeur général*) of the Issuer, and to Mr. Crosnier, vice chief executive officer (*directeur général délégué*) of the Issuer, acting jointly or separately, the power to decide the issue of bonds (*obligations*) under the Programme, up to a maximum aggregate amount of €3.000.000.000 (or the equivalent in any other currency) and, to determine the final terms and conditions of such bonds (*obligations*).

- (4) The Issuer is not and has not been involved in any governmental, legal or arbitration proceedings (including any such proceeding which are pending or threatened of which the Issuer is aware), since its incorporation on 3 November 2000, which may have, or have had in the recent past, significant effects on the financial position or profitability of the Issuer.
- (5) Save as disclosed in this Base Prospectus, there are no material contracts that are not entered into the ordinary course of the Issuer's business which could result in any member of Crédit Mutuel Arkéa Group being under an obligation or entitlement that is material to the Issuer's ability to meet its obligation to Bondholders in respect of the Covered Bonds being issued.
- (6) Application may be made for Covered Bonds to be accepted for clearance through Euroclear (boulevard du Roi Albert II, 1210 Bruxelles, Belgique) and Clearstream, Luxembourg (42 avenue JF Kennedy, 1855 Luxembourg, Luxembourg) which are entities in charge of keeping the records. The Common Code and the International Securities Identification Number (ISIN) or the identification number for any other relevant clearing system for each Series of Covered Bonds will be set out in the relevant Final Terms.

Dematerialised Covered Bonds will be inscribed in the books of Euroclear France (acting as central depository). Dematerialised Covered Bonds which are in registered form (*au nominatif*) are also inscribed either with the Issuer or with the Registration Agent. The address of Euroclear France is 115 rue Réaumur, 75081 Paris Cedex 02, France.

- (7) The Issuer does not intend to provide post-issuance transaction information regarding the Covered Bonds to be admitted to trading and the performance of the underlying collateral, except if required by any applicable laws and regulations.
- (8) The Issuer does not produce consolidated financial statements.
- (9) This Base Prospectus will be published on the website of the Luxembourg Stock Exchange (www.bourse.lu) during a period of at least twelve (12) months from the date of this Base Prospectus. The Final Terms related to Covered Bonds admitted to trading on any Regulated Market of the EEA in accordance with the Prospectus Directive will be published on the website of the Luxembourg Stock Exchange (www.bourse.lu) during a period of at least twelve (12) months from the date of this Base Prospectus.

In addition, should the Covered Bonds be admitted to trading on a Regulated Market of the EEA other than the Regulated Market of the Luxembourg Stock Exchange in accordance with the Prospectus Directive, the Final Terms related to those Covered Bonds will provide whether this Base Prospectus and the relevant Final Terms will be published on the website of (x) the Regulated Market of the Member State of the EEA where the Covered Bonds have been admitted to trading or (y) the competent authority of the Member State of the EEA where the Covered Bonds have been admitted to trading.

- (10) So long as Covered Bonds (including German law Covered Bonds) are capable of being issued under the Programme, copies of the following documents will, when published, be available during normal business hours on any weekday (Saturdays, Sundays and public holidays excepted), at the registered office of the Issuer and at the specified office of the Paying Agent(s):
