

TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions that, subject to completion and amendment and as supplemented or varied in accordance with the provisions of the relevant Final Terms, shall be applicable to the Notes. In the case of Dematerialised Notes, the text of the terms and conditions will not be endorsed on physical documents of title but will be constituted by the following text as completed, amended, supplemented or varied by the relevant Final Terms. In the case of Materialised Notes, either (i) the full text of these terms and conditions together with the relevant provisions of the Final Terms (and subject to simplification by the deletion of non-applicable provisions) or (ii) these terms and conditions as so completed, amended, supplemented or varied, shall be endorsed on Definitive Materialised Notes. All capitalised terms that are not defined in these Conditions will have the meanings given to them in the relevant Final Terms. References in the Conditions to "Notes" are to the Notes of one Series only, not to all Notes that may be issued under the Programme.

The Notes are issued by Crédit Mutuel Arkéa (the "**Issuer**") in series (each a "**Series**") having one or more issue dates and on terms otherwise identical (or identical save as to the first payment of interest), the Notes of each Series being intended to be interchangeable with all other Notes of that Series. Each Series may be issued in tranches (each a "**Tranche**") on the same or different issue dates. The specific terms of each Tranche (including, without limitation, the aggregate nominal amount, issue price, redemption price thereof, and interest, if any, payable thereunder and supplemented, where necessary, with supplemental terms and conditions which, save in respect of the issue date, issue price, first payment of interest and nominal amount of the Tranche, will be identical to the terms of other Tranches of the same Series) will be determined by the Issuer and the relevant Dealer(s) at the time of the issue and will be set out in the final terms of such Tranche (the "**Final Terms**").

The Notes are issued with the benefit of an amended and restated agency agreement dated 29 May 2012 (the "**Agency Agreement**") between the Issuer and BNP Paribas Securities Services as fiscal agent, principal paying agent and paying agent in France and the other agents named therein. The fiscal agent, the paying agent and the calculation agent(s) for the time being (if any) are referred to below respectively as the "**Fiscal Agent**", the "**Paying Agent**" (which expression shall include the Fiscal Agent) and the "**Calculation Agent(s)**". The holders of the interest coupons (the "**Coupons**") relating to interest bearing Materialised Notes and, where applicable in the case of such Notes, talons (the "**Talons**") for further Coupons and the holders of the receipts for the payment of instalments of principal (the "**Receipts**") relating to Materialised Notes of which the principal is redeemable in instalments are respectively referred to below as the "**Couponholders**" and the "**Receiptholders**".

References below to "**Conditions**" are, unless the context requires otherwise, to the numbered paragraphs below.

1. Form, Denomination, Title and Redenomination

(a) Form

Notes may be issued either in dematerialised form ("**Dematerialised Notes**") or in materialised form ("**Materialised Notes**"), as specified in the relevant Final Terms.

- (i) Title to Dematerialised Notes will be evidenced in accordance with Articles L.211-3 and R.211-1 of the French *Code monétaire et financier* by book entries (*inscriptions en compte*). No physical document of title (including *certificats représentatifs* pursuant to Article R.211-7 of the French *Code monétaire et financier*) will be issued in respect of the Dematerialised Notes.

Dematerialised Notes are issued, at the option of the Issuer, in either bearer form (*au porteur*), which will be inscribed in the books of Euroclear France (acting as central depository) which shall credit the accounts of the Account Holders, or in registered form (*au nominatif*) and, in such latter case, at the option of the relevant holder in either administered registered form (*nominatif administré*) inscribed in the books of an Account Holder designated by the relevant holder of Notes or in fully registered form (*au nominatif pur*) inscribed in an account maintained by the Issuer or a registration agent (designated in the relevant Final Terms) acting on behalf of the Issuer (the "**Registration Agent**").

For the purpose of these Conditions, "**Account Holder**" means any authorised financial intermediary institution entitled to hold accounts, directly or indirectly, with Euroclear France, and includes Euroclear Bank S.A./N.V. ("**Euroclear**") and the depositary bank for Clearstream Banking, société anonyme ("**Clearstream, Luxembourg**").

- (ii) Materialised Notes are issued in bearer form only. Materialised Notes in definitive form ("**Definitive Materialised Notes**") are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Instalment Notes are issued with one or more Receipts attached.

In accordance with Articles L.211-3 and R.211-1 of the French Code monétaire et financier, securities (such as Notes constituting obligations under French law) in materialised form and governed by French law must be issued outside the French territory.

The Notes may be "**Fixed Rate Notes**", "**Floating Rate Notes**", "**Zero Coupon Notes**", "**Index Linked Notes**", "**Dual Currency Notes**" or a combination of any of the foregoing, depending on the Interest Basis and the redemption method specified in the relevant Final Terms.

(b) Denomination

Notes shall be issued in the specified denomination(s) set out in the relevant Final Terms (the "**Specified Denomination(s)**"), save that all Notes which are to be admitted to trading on a regulated market (within the meaning of Directive 2004/39/EC of the European Parliament and of the Council, each such market being a "**Regulated Market**") within the European Economic Area ("**EEA**") or offered to the public in a Member State of the EEA in circumstances which require the publication of a prospectus under the Directive 2003/71/EC of the European Parliament and of the Council of 4 November 2003 as amended from time to time (the "**Prospectus Directive**") shall have a minimum denomination of €1,000 (or its equivalent in any other currency) or such higher amount as may be allowed or required from time to time by the relevant monetary authority or any laws or regulations applicable to the relevant Specified Currency.

Dematerialised Notes shall be issued in one Specified Denomination only.

(c) Title

- Title to Dematerialised Notes in bearer form (*au porteur*) and in administered registered form (*au nominatif administré*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts of the Account Holders. Title to Dematerialised Notes in fully registered form (*au nominatif pur*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts maintained by the Issuer or by the Registration Agent.
- Title to Definitive Materialised Notes, including, where appropriate, Receipt(s), Coupons and/or a Talon attached, shall pass by delivery.
- Except as ordered by a court of competent jurisdiction or as required by law, the holder of any Note (as defined below), Coupon, Receipt or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, or an interest in it, any writing on it or its theft or loss and no person shall be liable for so treating the holder.
- In these Conditions,

"**Noteholder**" or, as the case may be, "**holder of any Note**" means (a) in the case of Dematerialised Notes, the individual or entity whose name appears in the account of the relevant Account Holder, the Issuer or the Registration Agent (as the case may be) as being entitled to such Notes and (b) in the case of Definitive Materialised Notes, the bearer of any Definitive Materialised Note and the Coupons, Receipts or Talons relating to it.

Capitalised terms have the meanings given to them in the relevant Final Terms, the absence of any such meaning indicating that such term is not applicable to the Notes.

(d) Redenomination

- The Issuer may (if so specified in the relevant Final Terms), on any date, without the consent of the holder of any Note, Coupon, Receipt or Talon, by giving at least thirty (30) days' notice in accordance with Condition 15 and on or after the date on which the European Member State in whose national currency the Notes are denominated has become a participating Member State in the single currency of the European Economic and Monetary Union (as provided in the Treaty establishing the European Community (the "**EC**", as amended from time to time (the "**Treaty**")) or events have occurred which have substantially the same effects (in either case, "**EMU**"), redenominate all, but not some only, of the Notes of any Series into Euro and adjust the aggregate principal amount and the Specified Denomination(s) set out in the relevant Final Terms accordingly, as described below. The date on which such redenomination becomes effective shall be referred to in these Conditions as the "**Redenomination Date**".
- Unless otherwise specified in the relevant Final Terms, the redenomination of the Notes pursuant to Condition 1(d)(i) shall be made by converting the principal amount of each Note from the relevant national currency into Euro using the fixed relevant national currency Euro conversion rate established by the Council of the European Union pursuant to Article 123(4) of the Treaty and rounding the resulting figure to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). If the Issuer so elects, the figure resulting from conversion of the principal amount of each Note using the fixed relevant national currency Euro conversion rate shall be rounded down to the nearest Euro. The Euro denominations of the Notes so determined shall be notified to holders of Notes in accordance with Condition 15. Any balance remaining from the redenomination with a denomination higher than Euro 0.01 shall be paid by way of cash adjustment rounded to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). Such cash adjustment will be payable in Euros on the Redenomination Date in the manner notified to holders of Notes by the Issuer.
- Upon redenomination of the Notes, any reference hereon to the relevant national currency shall be construed as a reference to Euro.
- Unless otherwise specified in the relevant Final Terms, the Issuer may, with the prior approval of the Fiscal Agent, in connection with any redenomination pursuant to this Condition or any consolidation pursuant to Condition 14, without the consent of the holder of any Note, Receipt, Coupon or Talon, make any changes or additions to these Conditions or Condition 14 (including, without limitation, any change to any applicable business day definition, business day convention, principal financial centre of the country of the Specified Currency, interest accrual basis or benchmark), taking into account market practice in respect of redenominated Euromarket debt obligations and which it believes are not prejudicial to the interests of such holders. Any such changes or additions shall, in the absence of manifest error, be binding on the holders of Notes, Receipts, Coupons and Talons and shall be notified to holders of Notes in accordance with Condition 15 as soon as practicable thereafter.
- Neither the Issuer nor any Paying Agent shall be liable to the holder of any Note, Receipt, Coupon or Talon or other person for any commissions, costs, losses or expenses in relation to or resulting from the credit or transfer of Euros or any currency conversion or rounding effected in connection therewith.

2. Conversions and Exchanges of Notes

(a) Dematerialised Notes

- (i) Dematerialised Notes issued in bearer form (*au porteur*) may not be converted for Dematerialised Notes in registered form, whether in fully registered form (*au nominatif pur*) or in administered registered form, (*au nominatif administré*).
- (ii) Dematerialised Notes issued in registered form (*au nominatif*) may not be converted for Dematerialised Notes in bearer form (*au porteur*).
- (iii) Dematerialised Notes issued in fully registered form (*au nominatif pur*) may, at the option of the holder of such Notes, be converted into Notes in administered registered form (*au nominatif administré*), and *vice versa*. The exercise of any such option by such holder shall be made in accordance with Article R.211-4 of the French *Code monétaire et financier*. Any such conversion shall be effected at the cost of such holder.

(b) Materialised Notes

Materialised Notes of one Specified Denomination may not be exchanged for Materialised Notes of another Specified Denomination.

3. Status

The obligations of the Issuer under the Notes may be either unsubordinated ("**Unsubordinated Notes**") or subordinated ("**Subordinated Notes**"), as specified in the relevant Final Terms.

(a) Status of Unsubordinated Notes

The Unsubordinated Notes, and, where applicable, any related Coupons and Receipts are direct, unconditional, unsubordinated and unsecured obligations of the Issuer and rank and will rank *pari passu* without any preference among themselves and (subject to such exceptions as are from time to time mandatory under French law) *pari passu* with all other present or future unsecured and unsubordinated obligations of the Issuer.

(b) Status of Subordinated Notes

(i) General

Subordinated Notes ("**Subordinated Notes**") comprise Ordinary Subordinated Notes, Deeply Subordinated Notes, Dated Subordinated Notes and Undated Subordinated Notes (all as defined below).

(ii) Ordinary Subordinated Notes

The principal and (if the applicable Final Terms so specify) interest on the ordinary subordinated notes ("**Ordinary Subordinated Notes**") constitute direct, unconditional, unsecured and subordinated obligations of the Issuer and rank and will rank *pari passu* among themselves and *pari passu* with all other present and future Ordinary Subordinated Notes, but in priority to the *prêts participatifs* granted to, *titres participatifs* issued by, the Issuer and Deeply Subordinated Notes.

(iii) Deeply Subordinated Notes

The principal and (if the applicable Final Terms so specify) interest on deeply subordinated notes ("**Deeply Subordinated Notes**") constitute direct, unconditional, unsecured and subordinated obligations of the Issuer and rank and will rank *pari passu* among themselves and *pari passu* with all other present and future Deeply Subordinated Notes, but behind the *prêts participatifs* granted to, *titres participatifs* issued by, the Issuer and Ordinary Subordinated Notes.

(iv) Dated Subordinated Notes

Subordinated Notes (which terms, for the avoidance of doubt, include both Ordinary Subordinated Notes and Deeply Subordinated Notes) may have a specified maturity date ("**Dated Subordinated Notes**"). Unless otherwise specified in the relevant Final Terms, payments of interest relating to Dated Subordinated Notes constitute obligations which rank equally with the obligations of the Issuer in respect of Unsubordinated Notes issued by the Issuer in accordance with Condition 3(a).

(v) Undated Subordinated Notes

Subordinated Notes (which terms, for the avoidance of doubt, include both Ordinary Subordinated Notes and Deeply Subordinated Notes) may not have a specified maturity date ("**Undated Subordinated Notes**"). Unless otherwise specified in the relevant Final Terms, payments of interest relating to Undated Subordinated Notes, to the extent such payments may be deferred, will be deferred in accordance with the provisions of Condition 5(h).

(vi) Payment of Subordinated Notes in the event of the liquidation of the Issuer

If any judgement is rendered by any competent court declaring the judicial liquidation (*liquidation judiciaire*) of the Issuer or if the Issuer is liquidated for any other reason, the payments of the creditors of the Issuer shall be made in the following order of priority (in each case subject to the payment in full of priority creditors):

- (a) unsubordinated creditors of the Issuer,
- (b) holders of Ordinary Subordinated Notes,
- (c) lenders in relation to *prêts participatifs* granted to the Issuer,
- (d) holders of *titres participatifs* issued by the Issuer, and
- (e) holders of Deeply Subordinated Notes.

In the event of incomplete payment of unsubordinated creditors the obligations of the Issuer in connection with Ordinary Subordinated Notes shall be terminated (then subsequently the lenders in relation to *prêts participatifs*, holders of *titres participatifs* and holders of Deeply Subordinated Notes). The holders of Subordinated Notes shall take all steps necessary for the orderly accomplishment of any collective proceedings or voluntary liquidation.

(vii) Capital Adequacy

The relevant Final Terms may provide for additions or variations to the Conditions applicable to the Subordinated Notes for the purposes of, *inter alia*, enabling the proceeds of the issue of such Subordinated Notes to count as (i) *fonds propres de base* (in which case such Subordinated Notes will need to be undated Deeply Subordinated Notes) within the meaning of Article 2 of *Règlement* no. 90-02 dated 23 February 1990, as amended, of the *Comité de la réglementation bancaire et financière* (the "**CRBF Regulation**") or recognised as such by the *Autorité de contrôle prudentiel* ("**ACP**") ("**Tier 1 Capital**") or (ii) *fonds propres complémentaires* within the meaning of Article 4 (c) of the CRBF Regulation ("**Upper Tier 2 Capital**"); or (iii) *fonds propres complémentaires* within the meaning of Article 4 (d) of the CRBF Regulation ("**Lower Tier 2 Capital**", and, together with Upper Tier 2 Capital, "**Tier 2 Capital**") or (iv) *fonds propres surcomplémentaires* within the meaning of Article 5 *ter* III of the CRBF Regulation ("**Tier 3 Capital**"), if such Regulation is applicable.

The CRBF Regulation should be read in conjunction with the press release of the Bank for International Settlements dated October 27, 1998 concerning instruments eligible for inclusion in Tier 1 Capital (the "**BIS Press Release**"). The French language version of the BIS Press Release is attached as an exhibit to the report published annually by the ACP entitled "*Modalités de calcul du ratio international de solvabilité*".

4. Negative Pledge

So long as any of the Unsubordinated Notes or, if applicable, any Receipts or Coupons relating to them, is outstanding (as defined below), the Issuer will not create or permit to subsist any mortgage, charge, pledge or other form of security interest (*sûreté réelle*) upon any of its assets or revenues, present or future, to secure any Relevant Indebtedness (as defined below) or any guarantee or indemnity in respect of any Relevant Indebtedness unless, at the same time or prior thereto, the Issuer's obligations under the Notes, and, if applicable, Receipts or Coupons relating to them, are equally and rateably secured therewith.

For the purposes of these Conditions:

"**outstanding**" means, in relation to Unsubordinated Notes of any Series, all the Notes issued other than (a) those that have been redeemed in accordance with these Conditions, (b) those in respect of which the date for redemption has occurred and the redemption moneys (including all interest accrued on such Notes to the date for such redemption, Arrears of Interest, as the case may be, and any interest payable after such date) have been duly paid as provided in Condition 7, (c) those which have become void or in respect of which claims have become prescribed, (d) those which have been purchased and cancelled as provided in the

Conditions, (e) in the case of Definitive Materialised Notes (i) those mutilated or defaced Definitive Materialised Notes that have been surrendered in exchange for replacement Definitive Materialised Notes, (ii) (for the purpose only of determining how many such Definitive Materialised Notes are outstanding and without prejudice to their status for any other purpose) those Definitive Materialised Notes alleged to have been lost, stolen or destroyed and in respect of which replacement Definitive Materialised Notes have been issued and (iii) any Temporary Global Certificate to the extent that it shall have been exchanged for one or more Definitive Materialised Notes, pursuant to its provisions.

"**Relevant Indebtedness**" means any present or future indebtedness for borrowed money in the form of, or represented by, bonds (*obligations*) or other securities which are for the time being, or capable of being, quoted, admitted to trading, or ordinarily dealt in on any regulated stock exchange, over-the counter market or other securities market (and includes *titres de créance négociables* governed by Articles L.213-1 to L.213-4 of the French *Code monétaire et financier*).

if the last day of the Calculation Period is the last day of the month of February, the number of days elapsed during such month shall be the actual number of days.

Where:

D1 (dd1, mm1, yy1) is the date of the beginning of the period

(i) *Interest Payment Dates:* Each Floating Rate Note and Index Linked Interest Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrears on each Interest Payment Date. Such Interest Payment Date(s) is/are either shown in the relevant Final Terms as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown in the relevant Final Terms, Interest Payment Date shall mean each date which falls the number of months or other period shown in the relevant Final Terms as the Specified Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(ii) *Business Day Convention:* If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day. Notwithstanding the foregoing, where the applicable Final Terms specify that the relevant Business Day Convention is to be applied on an "unadjusted" basis, the Interest Amount payable on any date shall not be affected by the application of that Business Day Convention.

(iii) *Rate of Interest for Floating Rate Notes:* The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified in (i) the relevant Final Terms and/or (ii) the provisions below relating to either FBF Determination or Screen Rate Determination, depending upon which is specified in the relevant Final Terms.

(A) FBF Determination for Floating Rate Notes

Where FBF Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Agent as a rate equal to the relevant FBF Rate plus or minus (as indicated in the relevant Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), "**FBF Rate**" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Agent under a notional interest rate swap transaction (*Echange*) in the relevant Specified Currency governed by the 2007 FBF Master Agreement (*convention cadre FBF*) relating to transactions on forward financial instruments, as supplemented by the then applicable Interest and Currency Technical Annex (*Echange de conditions d'Intérêt ou de Devises - Additif Technique*) published by the *Association Française des Banques* or the *Fédération Bancaire Française* (the "**FBF Definitions**") and under which:

- (a) the Floating Rate is as specified in the relevant Final Terms, and
- (b) the Floating Rate Determination Date is as specified in the relevant Final Terms.

For the purposes of this sub-paragraph (A), "**Floating Rate**", "**Agent**" and "**Floating Rate Determination Date**" are translations of the French terms "*Taux Variable*", "*Agent*" and "*Date de Détermination du Taux Variable*", respectively, which have the meanings given to those terms in the FBF Definitions.

(B) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent at or about the Relevant Time on the Interest Determination Date in respect of such Interest Accrual Period in accordance with the following:

- (a) if the Primary Source for Floating Rate is a Page, subject as provided below, the Rate of Interest shall be:
 - (i) the Relevant Rate (where such Relevant Rate on such Page is a composite quotation or is customarily supplied by one entity) or
 - (ii) the arithmetic mean of the Relevant Rates of the persons whose Relevant Rates appear on that Page,

in each case appearing on such Page at the Relevant Time on the Interest Determination Date as disclosed in the relevant Final Terms, plus or minus (as indicated in the relevant Final Terms) the Margin (if any).
- (b) if the Primary Source for the Floating Rate is Reference Banks or if sub-paragraph (a)(i) applies and no Relevant Rate appears on the Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (a)(ii) applies and fewer than two Relevant Rates appear on the Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Rate of Interest shall be the arithmetic mean of the Relevant Rates that each of the Reference Banks is quoting to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as determined by the Calculation Agent, plus or minus (as indicated in the relevant Final Terms) the Margin (if any), and
- (c) if paragraph (b) above applies and the Calculation Agent determines that fewer than two Reference Banks are so quoting Relevant Rates, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) that the Calculation Agent determines to be the rates (being the nearest equivalent to the Benchmark) in respect of a Representative Amount of the Specified Currency that at least two out of five leading banks selected by the Calculation Agent in the principal financial centre of the country of the Specified Currency or, if the Specified Currency is Euro, in the Euro-zone as selected by the Calculation Agent (the "**Principal Financial Centre**") are quoting at or about the Relevant Time on the date on which such banks would customarily quote such rates for a period commencing on the Effective Date for a period equivalent to the Specified Duration (I) to leading banks carrying on business in Europe, or (if the Calculation Agent determines that fewer than two of such banks are so quoting to leading banks in Europe) (II) to leading banks carrying on business in the Principal Financial Centre; except that, if fewer than two of such banks are so quoting to leading banks in the Principal Financial Centre, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, Rate Multiplier or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).
- (iv) *Rate of Interest for Index Linked Notes*: The Rate of Interest in respect of Index Linked Notes for each Interest Accrual Period shall be determined in the manner specified in the relevant Final Terms and interest will accrue by reference to an Index or Formula as specified in the relevant Final Terms.

(d) Zero Coupon Notes

Where a Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date pursuant to an Issuer's Option or, if so specified in the relevant Final Terms, pursuant to Condition 6(e) or otherwise and is not paid when due, the amount due and payable prior to the Maturity Date shall, unless otherwise provided in the relevant Final Terms, be the Early Redemption Amount. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(e)(i)).

(e) Dual Currency Notes

In the case of Dual Currency Notes, if the rate or amount of interest falls to be determined by reference to a Rate of Exchange or a method of calculating a Rate of Exchange, the rate or amount of interest payable shall be determined in the manner specified in the relevant Final Terms.

(f) Partly Paid Notes

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the relevant Final Terms.

(g) Accrual of Interest

Interest shall cease to accrue on each Note on the due date for redemption unless (i) in the case of Dematerialised Notes, on such due date or (ii) in the case of Materialised Notes, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgement) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date.

(h) Deferral of interest

Payment of interest on Undated Subordinated Notes may be postponed in accordance with applicable French banking laws and regulations and, in particular, Article 4(c) of Regulation no. 90-02 dated 23 February 1990 of the CRBF, as amended from time to time.

In the case of Undated Subordinated Notes, interest shall be payable on each Compulsory Interest Payment Date (as defined below) in respect of the interest accrued in the Interest Period ending on the day immediately preceding such date. On any Optional Interest Payment Date (as defined below) there may be paid (if the Issuer so elects) the interest accrued in the Interest Period ending on the day immediately preceding such date but the Issuer shall not have any obligation to make such payment. Notice of any Optional Interest Payment Date shall be given to the Noteholders in accordance with Condition 15. Such notice shall be given at least seven days prior to the relevant Optional Interest Payment Date(s). Any interest normally due on an Optional Interest Payment Date but deferred by a resolution of the Board of Directors of the Issuer shall, so long as the same remains unpaid, constitute "**Arrears of Interest**" which term shall include interest on such unpaid interest as referred to below. Arrears of Interest may, at the option of the Issuer, be paid in whole or in part at any time upon the expiration of not less than seven (7) days' notice to such effect given to the Noteholders in accordance with Condition 15 but all Arrears of Interest on all Undated Subordinated Notes outstanding shall become due in full on whichever is the earliest of:

- (i) the Interest Payment Date immediately following the first *Assemblée Générale Ordinaire* of the shareholders of the Issuer noticing distributable earnings;
- (ii) the commencement of a liquidation or dissolution of the Issuer; and
- (iii) any redemption date under the relevant Undated Subordinated Notes.

If notice is given by the Issuer of its intention to pay the whole or part of Arrears of Interest, the Issuer shall be obliged to do so upon the expiration of such notice. When Arrears of Interest are paid in part, each such payment shall be applied in or towards satisfaction of the full amount of the Arrears of Interest accrued in respect of the earliest Interest Period in respect of which Arrears of Interest have accrued and have not been paid in full. Arrears of Interest shall (to the extent permitted by law) bear interest accruing (but only, in accordance with Article 1154 of the French *Code civil*, after such interest has accrued for a period of one

year) and compounding on the basis of the exact number of days which have elapsed at the prevailing rate of interest on the Undated Subordinated Notes in respect of each relevant Interest Period. For these purposes the following expressions have the following meanings:

"Compulsory Interest Payment Date" means any Interest Payment Date unless the *Assemblée Générale Ordinaire* of the shareholders of the Issuer approving the annual accounts of the Issuer for the fiscal year then ended has noticed before the Interest Payment Date the absence of distributable earnings.

"Optional Interest Payment Date" means any Interest Payment Date, as the case may be, other than a Compulsory Interest Payment Date.

It is expected that, in the case of Undated Deeply Subordinated Notes the proceeds of which count as Tier 1 Capital, interest not paid on an Optional Interest Payment Date shall be lost. It is also expected that, in the case of Undated Subordinated Notes the proceeds of which count as Tier 2 Capital, interest not paid on an Optional Interest Payment Date shall constitute Arrears of Interest.

(i) Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts and Rounding:

- (a) If any Margin is specified in the relevant Final Terms (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (c) above by adding (if a positive number) or subtracting (if a negative number) the absolute value of such Margin, subject always to the next paragraph.
- (b) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be.

For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (w) if FBF Determination is specified in the relevant Final Terms, all percentages resulting from such calculations shall be rounded, if necessary, to the nearest ten-thousandth of a percentage point (with halves being rounded up), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest fifth decimal (with halves being rounded up), (y) all figures shall be rounded to seven figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes "unit" means the lowest amount of such currency that is available as legal tender in the country of such currency.

(j) Calculations

The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Note by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in respect of such period, in which case the amount of interest payable in respect of such Note for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

(k) Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts and Instalment Amounts

The Calculation Agent shall, as soon as practicable on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Notes for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the holders of Notes, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of

such information and, if the Notes are admitted to trading on a Regulated Market of the EEA and the rules of such Regulated Market so require, such Regulated Market as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such Regulated Market of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 5(c)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(I) Calculation Agent and Reference Banks

The Issuer shall procure that there shall at all times be four Reference Banks (or such other number as may be required) with offices in the Relevant Financial Centre and one or more Calculation Agents if provision is made for them in the relevant Final Terms and for so long as any Note is outstanding (as defined above). If any Reference Bank (acting through its relevant office) is unable or unwilling to continue to act as a Reference Bank, then the Issuer shall appoint another Reference Bank with an office in the Relevant Financial Centre to act as such in its place. Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal Paris or Luxembourg office, as appropriate, or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

6. Redemption, Purchase and Options

(a) Final Redemption

Unless previously redeemed, purchased and cancelled as provided below or in accordance with Condition 6(c) or Condition 6(d), each Note shall be finally redeemed on the Maturity Date specified in the relevant Final Terms at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount) or, in the case of a Note falling within Condition 6(b) below, its final Instalment Amount. Subordinated Notes the proceeds of which constitute Tier 1 Capital or Upper Tier 2 Capital shall be Undated Subordinated Notes. The Maturity Date, in relation to Subordinated Notes the proceeds of which constitute Lower Tier 2 Capital, will not be less than five years from the Issue Date and where the proceeds constitute Tier 3 Capital, will not be less than two years from the Issue Date.

(b) Redemption by Instalments

Unless previously redeemed, purchased and cancelled as provided in this Condition 6, each Note that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified in the relevant Final Terms. The outstanding nominal amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused (i) in the case of Dematerialised Notes, on the due date for such payment or (ii) in the case of Materialised Notes, on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount. The first Instalment Date, in relation to Dated Subordinated Notes the proceeds of which constitute Lower Tier 2 Capital, will not be less than five years from the Issue Date and where the proceeds constitute Tier 3 Capital, will not be less than two years from the Issue Date.

(c) Redemption at the Option of the Issuer and Partial Redemption

If a Call Option is specified in the relevant Final Terms, the Issuer may, subject to the prior approval of the ACP in the case of Subordinated Notes the proceeds of which constitute Tier 1 Capital, Upper Tier 2 Capital, Lower Tier 2 Capital or Tier 3 Capital and subject to compliance by the Issuer of all the relevant laws, regulations and directives and on giving not less than fifteen (15) nor more than thirty (30) days' irrevocable notice in accordance with Condition 15 to the holders of Notes (or such other notice period as may be specified in the relevant Final Terms) redeem all or, if so provided, some, of the Notes on any Optional Redemption Date. The Optional Redemption Date in relation to Subordinated Notes the proceeds of which constitute Lower Tier 2 Capital will not be less than five years from the Issue Date and, when the proceeds constitute Tier 3 Capital, will not be less than two years from the Issue Date. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption (including, where applicable, any Arrears of Interest), if any. Any such redemption must relate to Notes of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed as specified in the relevant Final Terms and no greater than the Maximum Redemption Amount to be redeemed as specified in the relevant Final Terms.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption, the notice to holders of such Materialised Notes shall also contain the numbers of the Definitive Materialised Notes to be redeemed, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and Regulated Market requirements.

In the case of a partial redemption of Dematerialised Notes, the redemption may be effected, at the option of the Issuer, either (i) by reducing the nominal amount of all such Dematerialised Notes in a Series in proportion to the aggregate nominal amount redeemed or (ii) by redeeming in full some only of such Dematerialised Notes and, in such latter case, the choice between those Dematerialised Notes that will be fully redeemed and those Dematerialised Notes of any Series that will not be redeemed shall be made in accordance with Article R.213-16 of the French *Code monétaire et financier* and the provisions of the relevant Final Terms, subject to compliance with any other applicable laws and Regulated Market requirements.

So long as the Notes are listed on the Official List of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange and the rules thereof so require, the Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published either on the website of the Luxembourg Stock Exchange (www.bourse.lu) or in a leading newspaper of general circulation in Luxembourg a notice specifying the aggregate nominal amount of Notes outstanding and, in the case of Materialised Notes a list of any Materialised Notes, drawn for redemption but not surrendered.

(d) Redemption at the Option of Noteholders

If a Put Option is specified in the relevant Final Terms and provided that the relevant Note is not a Subordinated Note the proceeds of which constitute Tier 1 Capital, Upper Tier 2 Capital, Lower Tier 2 Capital or Tier 3 Capital, the Issuer shall, at the option of the Noteholder, upon the Noteholder giving not less than fifteen (15) nor more than thirty (30) days' notice to the Issuer (or such other notice period as may be specified in the relevant Final Terms) redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption including, where applicable, any Arrears of Interest.

To exercise such option that may be set out in the relevant final terms, the Noteholder must deposit with a Paying Agent at its specified office a duly completed option exercise notice (the "**Exercise Notice**") in the form obtained during normal business hours from any Paying Agent or the Registration Agent, as the case may be, within the notice period. In the case of Materialised Notes, the Exercise Notice shall have attached to it the relevant Notes (together with all unmatured Receipts and Coupons and unexchanged Talons). In the case of Dematerialised Notes, the Noteholder shall transfer, or cause to be transferred, the Dematerialised Notes to be redeemed to the account of the Paying Agent with a specified office in Paris, as specified in the Exercise Notice. No option so exercised and, where applicable, no Note so deposited or transferred, may be

withdrawn without the prior consent of the Issuer.

(e) Early Redemption

(i) Zero Coupon Notes

- (A) The Early Redemption Amount payable in respect of any Zero Coupon Note, the amount of which is not linked to an index and/or a formula, upon redemption of such Note pursuant to Condition 6(f) or (g) or upon it becoming due and payable as provided in Condition 9 shall be the Amortised Nominal Amount (calculated as provided below) of such Note unless otherwise specified in the relevant Final Terms.
- (B) Subject to the provisions of sub-paragraph (C) below, the Amortised Nominal Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown in the relevant Final Terms, shall be such rate as would produce an Amortised Nominal Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (C) If the Amortised Nominal Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(f) or (g) or upon it becoming due and payable as provided in Condition 9 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Nominal Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Note becomes due and payable was the Relevant Date. The calculation of the Amortised Nominal Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgement) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5(d).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction as provided in the relevant Final Terms.

(ii) Other Notes

The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 6(f) or (g) or upon it becoming due and payable as provided in Condition 9 shall be the Final Redemption Amount together with interest accrued to the date fixed for redemption (including, where applicable, any Arrears of Interest) unless otherwise specified in the relevant Final Terms.

(f) Redemption for Taxation Reasons:

- (i) If, by reason of any change in French law, or any change in the official application or interpretation of such law, becoming effective after the Issue Date, the Issuer would on the occasion of the next payment of principal or interest due in respect of the Notes, not be able to make such payment without having to pay additional amounts as specified under Condition 8(b) below, the Issuer may, at its option, on any Interest Payment Date (if the Note is either a Floating Rate Note or an Index Linked Note) or at any time (if the Note is neither a Floating Rate Note or an Index Linked Note), subject to having given not more than forty-five (45) nor less than thirty (30) days' notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 15, and, in the case of Subordinated Notes the proceeds of which constitute Tier 1 Capital, Upper Tier 2 Capital, Lower Tier 2 Capital or Tier 3 Capital, subject to the prior approval of the ACP, redeem all, but not some only, of the Notes at their Early Redemption Amount together with, unless otherwise specified in the Final Terms, any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest) provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make payment of principal and interest without withholding for French taxes.

- (ii) If the Issuer would, on the next payment of principal or interest in respect of the Notes, be prevented by French law from making payment to the Noteholders or, if applicable, Couponholders of the full amounts then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 8(b) below, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall upon giving not less than seven (7) days' prior notice to the Noteholders in accordance with Condition 15, and, in the case of Subordinated Notes the proceeds of which constitute Tier 1 Capital, Upper Tier 2 Capital, Lower Tier 2 Capital or Tier 3 Capital, subject to the prior approval of the ACP, redeem all, but not some only, of the Notes then outstanding at their Early Redemption Amount together with, unless otherwise specified in the Final Terms, any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest) on (A) the latest practicable Interest Payment Date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes, provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice of Noteholders shall be the later of (i) the latest practicable date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes and (ii) fourteen (14) days after giving notice to the Fiscal Agent as aforesaid or (B) if so specified in the relevant Final Terms, at any time, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date at which the Issuer could make payment of the full amount payable in respect of the Notes, or, if applicable, Receipts or Coupons or, if that date is passed, as soon as practicable thereafter.

(g) Partly Paid Notes

Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition 6 and the provisions specified in the relevant Final Terms.

(h) Purchases

The Issuer shall have the right at all times to purchase Notes (provided that, in the case of Materialised Notes, all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise (including by tender offer) at any price subject to the applicable laws and regulations. In the case of Subordinated Notes the proceeds of which constitute Tier 1 Capital, Upper Tier 2 Capital, Lower Tier 2 Capital or Tier 3 Capital any such purchase will be subject to the prior approval of the ACP (i) if made in the open market, if it relates (individually or when aggregated with any previous purchase of such Notes) to more than ten per cent. (10%) of the principal amount of the Notes or (ii) if made by way of a public tender offer or public exchange offer or on the over-the-counter market. Unless otherwise indicated in the relevant Final Terms, all Notes so purchased by the Issuer may be held and resold in accordance with applicable laws and regulations for the purpose of enhancing the liquidity of the Notes, or cancelled.

(i) Cancellation

All Notes purchased by or on behalf of the Issuer to be cancelled, will be cancelled, in case of Dematerialised Notes, by transfer to an account in accordance with the rules and procedures of Euroclear France and, in the case of Materialised Notes, by surrendering the relevant Temporary Global Certificate or the Definitive Materialised Notes in question, together with all unmatured Receipts and Coupons and all unexchanged Talons, if applicable, to the Fiscal Agent and, in each case, if so transferred or surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with, in the case of Dematerialised Notes, all rights relating to payment of interest and other amounts relating to such Dematerialised Notes and, in the case of Definitive Materialised Notes, all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so cancelled or, where applicable, transferred or surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

7. Payments and Talons

(a) Dematerialised Notes

Payments of principal and interest in respect of Dematerialised Notes shall (i) in the case of Dematerialised Notes in bearer dematerialised form or administered registered form, be made by transfer to the account denominated in the relevant currency of the relevant Account Holders for the benefit of the holders of Notes and, (ii) in the case of Dematerialised Notes in fully registered form, to an account denominated in the relevant currency with a Bank designated by the relevant holder of Notes. All payments validly made to such Account Holders or Bank will be an effective discharge of the Issuer in respect of such payments.

(b) Definitive Materialised Notes

(i) Method of payment

Subject as provided below, payments in a Specified Currency will be made by credit or transfer to an account denominated in the relevant Specified Currency, or to which the Specified Currency may be credited or transferred (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is euro, shall be any country in the Euro-zone, and, if the Specified Currency is Australian Dollars or New Zealand Dollars, shall be Sydney or Auckland, respectively).

(ii) Presentation and surrender of Definitive Materialised Notes, Receipts and Coupons

Payments of principal in respect of Definitive Materialised Notes will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of partial payment of any sum due, annotation) of such Notes, and payments of interest in respect of Definitive Materialised Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Payments of instalments of principal (if any) in respect of Definitive Materialised Notes, other than the final instalment, will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of the relevant Note in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the Definitive Materialised Note to which it appertains. Receipts presented without the Definitive Materialised Note to which they appertain do not constitute valid obligations of the Issuer.

Upon the date upon which any Definitive Materialised Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment will be made in respect thereof.

Fixed Rate Notes in definitive form (other than Dual Currency Notes or Index Linked Notes) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 10) or, if later, 5 years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmaturing Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Dual Currency Note, Index Linked Note in definitive form becomes due and repayable, unmaturing Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof.

If the due date for redemption of any Definitive Materialised Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against presentation and surrender (if appropriate) of the relevant Definitive Materialised Note.

(c) Payments in the United States

Notwithstanding the foregoing, if any Materialised Notes are denominated in U.S. Dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) Payments subject to Fiscal Laws

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in any jurisdiction (whether by operation of law or agreement of the Issuer or its Agents) and the Issuer will not be liable for any taxes or duties of whatever nature imposed or levied by such laws, regulations, directives or agreements, but without prejudice to Condition 8. No commission or expenses shall be charged to the holders of Notes or Couponholders in respect of such payments.

(e) Appointment of Agents

The Fiscal Agent, Paying Agent and Calculation Agent initially appointed by the Issuer and its specified office are listed at the end of the Base Prospectus relating to the Programme of the Notes of the Issuer. The Fiscal Agent, Paying Agent and the Registration Agent act solely as agents of the Issuer and the Calculation Agent(s) act(s) as independent experts(s) and, in each case such, do not assume any obligation or relationship of agency for any Noteholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, Registration Agent or Calculation Agent and to appoint other Fiscal Agent, Paying Agent(s), Registration Agent(s) or Calculation Agent(s) or additional Paying Agent(s), Registration Agent(s) or Calculation Agent(s), provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) one or more Calculation Agent(s) where the Conditions so require, (iii) a Paying Agent having a specified office in at least one major European city (including Luxembourg so long as the Notes are listed on the Official List of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange and, so long as the Notes are admitted to trading on any other Regulated Market of the EEA, such other city where the Notes is admitted to trading) (iv) in the case of Materialised Notes, a Paying Agent having its specified office in a Member State of the EU that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any other EU Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to, such Directive (which may be any of the Paying Agents referred to in (iii) above), (v) in the case of Dematerialised Notes in fully registered form, a Registration Agent and (vi) such other agents as may be required by the rules of any other Regulated Market on which the Notes may be admitted to trading.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Materialised Notes denominated in U.S. Dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office shall promptly be given to the holders of Notes in accordance with Condition 15.

(f) Talons

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Materialised Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 10).

(g) Business Days for Payment

If any date for payment in respect of any Note, Receipt or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day unless otherwise specified in the relevant Final Terms, nor to any interest or other sum in respect of such postponed payment. In this paragraph, "**business day**" means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised Notes, on which Euroclear France is open for business or (ii) in the case of Materialised Notes, on which banks and foreign exchange markets are open for business in the relevant place of presentation, (B) in such jurisdictions as shall be specified as "**Financial Centre(s)**" in the relevant Final Terms and (C) (i) in the case of a payment in a currency other than Euro, where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or (ii) in the case of a payment in Euro, which is a TARGET Business Day.

(h) Bank

For the purpose of this Condition 7, "**Bank**" means a bank in the principal financial centre of the relevant currency or, in the case of Euro, in a city in which banks have access to the TARGET System.

8. Taxation

(a) Tax Exemption for Notes constituting obligations or debt instruments (*titres de créance*) assimilated thereto for French tax purposes

Unless specified otherwise in the Final Terms, all payments of principal, interest and other revenues by or on behalf of the Issuer in respect of the Notes shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

(b) Additional Amounts

If French law should require that payments of principal or interest in respect of any Note, Receipt or Coupon be subject to deduction or withholding in respect of any present or future taxes or duties whatsoever, the Issuer will, to the fullest extent then permitted by law, pay such additional amounts as shall result in receipt by the Noteholders or, if applicable, the Receiptholders and the Couponholders, as the case may be, of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon, as the case may be:

(i) Other connection

to, or to a third party on behalf of, a Noteholder, Receiptholder or Couponholder who is liable to such taxes or duties by reason of his having some connection with the Republic of France other than the mere holding of the Note, Receipt or Coupon; or

(ii) More than thirty (30) days after the Relevant Date

in the case of Definitive Materialised Notes, more than thirty (30) days after the Relevant Date except to the extent that the Noteholder, Receiptholder or Couponholder would have been entitled to such additional amounts on presenting it for payment on the thirtieth (30th) such day; or

(iii) Payment to individuals

where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other European Union Directive implementing the conclusions of the ECOFIN Council meeting of 26 and 27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive; or

(iv) Payment by another Paying Agent

in the case of Definitive Materialised Notes presented for payment, by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union.

References in these Conditions to (i) "**principal**" shall be deemed to include any premium payable in respect of the Notes, all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Nominal Amounts and all other amounts in the nature of principal payable pursuant to Condition 6 or any amendment or supplement to it, (ii) "**interest**" shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 5 or any amendment or supplement to it and (iii) "**principal**" and/or "**interest**" shall be deemed to include any additional amounts that may be payable under this Condition.

(c) Supply of Information

Each holder of Notes shall be responsible for supplying to the Paying Agent, in a reasonable and timely manner, any information as may be required in order to comply with the identification and reporting obligations imposed on it by the European Council Directive 2003/48/EC or any other European Directive implementing the conclusions of the ECOFIN Council Meeting dated 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to such Directive.

9. Events of Default

The Representative (as defined in Condition 11), upon request of any Noteholder, or in the event the Noteholders of any Series have not been grouped in a *Masse*, any Noteholder, may, upon written notice to the Fiscal Agent (with copy to the Issuer) given before all defaults shall have been cured, cause the principal amount of all Notes held by such Noteholder to become due and payable, together with any accrued interest thereon, as of the date on which such notice for payment is received by the Fiscal Agent if:

(a) In the case of Unsubordinated Notes

- (i) the Issuer is in default in the payment of principal of, or interest on, any Note (including the payment of any additional amounts mentioned in Condition 8) when due and payable and such default shall continue for more than seven (7) days thereafter; or
- (ii) the Issuer is in default in the performance of any of its other obligations under the Notes and such default has not been cured within fourteen (14) days after the receipt by the Fiscal Agent of the written notice of such default by the Representative or a Noteholder; or
- (iii) if any other present or future indebtedness for borrowed monies of the Issuer in excess of €5,000,000 (or its equivalent in any other currency), whether individually or collectively, becomes or becomes capable of being declared due and payable prior to its stated maturity as a result of a default thereunder, or any such indebtedness shall not be paid when due or, as the case may be, within any originally applicable grace period therefor or any steps shall be taken to enforce any security in respect of any such indebtedness or any guarantee or indemnity given by the Issuer for, or in respect of, any such indebtedness of others shall not be honoured when due and called upon; or
- (iv) if the Issuer makes any proposal for a general moratorium in relation to its debt or applies for, or is subject to, the appointment of a *mandataire ad hoc* or enters into a conciliation procedure (*procédure de conciliation*) or a judgement is issued for the judicial liquidation (*liquidation*

judiciaire) or the transfer of the whole of the business (*cession totale de l'entreprise*) of the Issuer or, to the extent permitted by applicable law, if the Issuer is subject to any other insolvency or bankruptcy proceedings or makes any conveyance, assignment or other arrangement for the benefit of its creditors or enters into a composition with its creditors; or

- (v) if the Issuer ceases or publicly threatens to cease to carry on all or a material part of its business or other operations or sells, transfers, lends or otherwise disposes of, directly or indirectly, all or a material part of its undertakings or assets, except in the case of a disposal, liquidation, merger or other reorganisation in which all of the Issuer's assets are transferred to a legal entity which simultaneously assumes all of the Issuer's liabilities, including the Notes, and whose main purpose, or one of whose main purposes, is the continuation of, and which effectively continues, the Issuer's activities; or
 - (vi) if it is or will become unlawful for the Issuer to perform or comply with one or more of its obligations under the Notes.
- (b) **In the case of Subordinated Notes**, and in accordance with Condition 3(b), if any judgement shall be issued for the judicial liquidation (*liquidation judiciaire*) of the Issuer or if the Issuer is liquidated for any other reason then the Subordinated Notes shall become immediately due and payable, in accordance with Condition 3(b), at their principal amount together with any accrued interest to the date of payment.

10. Prescription

Claims against the Issuer for payment in respect of any amount due under the Notes, Receipts and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or 5 years (in the case of interest) from the appropriate Relevant Date in respect of them.

11. Representation of Noteholders

Except as otherwise provided by the relevant Final Terms, holders of Notes will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a *masse* (in each case, the "**Masse**").

The Masse will be governed by the provisions of the French *Code de commerce* (the "**Code**") with the exception of Articles L.228-48, L.228-59, L.228-71, R.228-63, R.228-67, R.228-69 and R.228-76, subject to the following provisions:

(a) Legal Personality

The Masse will be a separate legal entity and will act in part through a representative (the "**Representative**") and in part through a general meeting of the holders of Notes (the "**General Meeting**").

The Masse alone, to the exclusion of all individual holders of Notes, shall exercise the common rights, actions and benefits which now or in the future may accrue respectively with respect to the Notes.

(b) Representative

The office of Representative may be conferred on a person of any nationality. However, the following persons may not be chosen as Representatives:

- (i) the Issuer, the members of its *Conseil d'Administration*, its general managers (*directeurs généraux*), its statutory auditors, its employees and their ascendants, descendants and spouse; or

- (iv) persons to whom the practice of banker is forbidden or who have been deprived of the right of directing, administering or managing an enterprise in whatever capacity.

Except as otherwise specified in the relevant Final Terms, the name and specified office of the Representative appointed in respect of any Tranche of any Series of Notes are as follows:

In the event of death, retirement or revocation of appointment of the Representative, such Representative will be replaced by the alternate Representative. In the event of the death, retirement or revocation of appointment of the alternate Representative, an alternate will be elected by the General Meeting.

All interested parties will at all times have the right to obtain the names and addresses of the Representative and the alternate Representative at the head office of the Issuer and the specified offices of any of the Paying Agents.

(c) Powers of Representative

The Representative shall (in the absence of any decision to the contrary of the General Meeting) have the power to take all acts of management necessary in order to defend the common interests of the holders of Notes.

All legal proceedings against the Noteholders or initiated by them, must be brought by or against the Representative.

The Representative may not be involved in the management of the affairs of the Issuer.

(d) General Meeting

A General Meeting may be held at any time, on convocation either by the Issuer or by the Representative. One or more Noteholders, holding together at least one-thirtieth of the principal amount of the Notes outstanding, may address to the Issuer and the Representative a demand for convocation of the General Meeting. If such General Meeting has not been convened within two months after such demand, the Noteholders may commission one of their members to petition a competent court in Paris to appoint an agent (*mandataire*) who will call the General Meeting.

Notice of the date, time, place and agenda of any General Meeting will be published as provided under Condition 15.

Each Noteholder has the right to participate in a General Meeting in person, by correspondence or by proxy. Each Note carries the right to one vote or, in the case of Notes issued with more than one Specified Denomination, one vote in respect of each multiple of the lowest Specified Denomination comprised in the

principal amount of the Specified Denomination of such Note.

The rights of each Noteholder to participate in the General Meetings must be evidenced by entries in the books of the relevant Account Holder in the name of such Noteholder at midnight Paris time on the third Paris business day preceding the date set for the relevant General Meeting.

(e) Powers of the General Meetings

The General Meeting is empowered to deliberate on the dismissal and replacement of the Representative and the alternate Representative and also may act with respect to any other matter that relates to the common rights, actions and benefits which now or in the future may accrue with respect to the Notes, including authorising the Representative to act at law as plaintiff or defendant.

The General Meeting may further deliberate on any proposal relating to the modification of the Conditions including any proposal, whether for arbitration or settlement, relating to rights in controversy or which were the subject of judicial decisions, it being specified, however, that the General Meeting may not increase amounts payable by Noteholders, nor establish any unequal treatment between the Noteholders and that no amendment to the status of Subordinated Notes the proceeds of which constitute (i) Tier 1 Capital; (ii) Upper Tier 2 Capital; (iii) Lower Tier 2 Capital; and (iv) Tier 3 Capital.

General Meetings may deliberate validly on first convocation only if Noteholders present or represented hold at least a fifth of the principal amount of the Notes then outstanding. On second convocation, no quorum shall be required. Decisions at meetings shall be taken by a two-third majority of votes cast by Noteholders attending such General Meetings or represented thereat.

Decisions of General Meetings must be published in accordance with the provisions set forth in Condition 15.

(f) Information to Noteholders

Each Noteholder or Representative thereof will have the right, as from the date specified in the notice of the General Meeting, to consult or make a copy of the text of the resolutions which will be proposed and of the reports which will be presented at the General Meeting, all of which will be available for inspection by the relevant Noteholders at the registered office of the Issuer, at the specified offices of any of the Paying Agents and at any other place specified in the notice of the General Meeting.

(g) Expenses

The Issuer will pay all expenses relating to the operation of the Masse, including expenses relating to the calling and holding of General Meetings and, more generally, all administrative expenses resolved upon by the General Meeting, it being expressly stipulated that no expenses may be imputed against interest payable under the Notes.

(h) Single Masse

The holders of Notes of the same Series, and the holders of Notes of any other Series which have been assimilated (*assimilées* for the purpose of French law) with the Notes of such first mentioned Series in accordance with Condition 14, shall, for the defence of their respective common interests, be grouped in a single Masse. The Representative appointed in respect of the first Tranche or Series of Notes will be the Representative of the single Masse of all such Series.

In respect of any Tranche of Notes issued or deemed to be issued outside France, this Condition 11 may, if so specified in the relevant Final Terms, be waived, amended or supplemented, and in respect of any Tranche issued inside France, this Condition 11 shall be waived in its entirety and replaced by the full provisions of the Code.

For the avoidance of doubt, in this Condition 11, the expression "outstanding" shall not include the Notes subscribed or purchased by the Issuer in accordance with Article L.213-1 A of the French *Code monétaire et financier* which are held by the Issuer and not cancelled (as per Condition 6(h)).

Mutilated or defaced Materialised Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

14. Further Issues and Consolidation

(a) Further Issues

Unless otherwise provided in the relevant Final Terms, the Issuer may from time to time without the consent of the Noteholders, Receiptholders or Couponholders create and issue further Notes to be assimilated (*assimilables* for the purpose of French law) with the Notes provided such Notes and the further Notes carry rights identical in all respects (or identical in all respects save as to the first payment of interest) and that the terms of such Notes provide for such assimilation, and references in these Conditions to "Notes" shall be construed accordingly.

(b) Consolidation

Unless otherwise provided in the relevant Final Terms, the Issuer, with the prior approval of the Fiscal Agent (which shall not be unreasonably withheld), may from time to time on any Interest Payment Date occurring on or after the Redenomination Date on giving not less than thirty (30) days' prior notice to the Noteholders in accordance with Condition 15, without the consent of the Noteholders, Receiptholders or Couponholders, consolidate the Notes of one Series denominated in Euro with the Notes of one or more other Series issued by it, whether or not originally issued in one of the European national currencies or in Euro, provided such other Notes have been redenominated in Euro (if not originally denominated in Euro) and which otherwise have, in respect of all periods subsequent to such consolidation, the same terms and conditions as the Notes.
